Halberstam,2010-01-26 How can humans ever attain the knowledge required to administer and implement divine law and render perfect justice in this world Contrary to the belief that religious law is infallible Chaya T Halberstam shows that early rabbinic jurisprudence is characterized by fundamental uncertainty She argues that while the Hebrew Bible created a sense of confidence and transparency before the law the rabbis complicated the paths to knowledge and undermined the stability of personal status and ownership and notions of guilt or innocence Examining the facts of legal judgments through midrashic discussions of the law and evidence Halberstam discovers that rabbinic understandings of the law were riddled with doubt and challenged the possibility of true justice This book thoroughly engages law narrative and theology to explicate rabbinic legal authority and its limits     **Biblical Truths** Dale B. Martin,2017-01-01 A leading biblical scholar s landmark work

challenges the historical realism that has dominated the discipline for more than two centuries How can a modern person informed by science and history continue to recite the traditional creeds and confessions of the Christian church What does the Bible mean and how do we verify biblical truths In this groundbreaking book a leading biblical scholar urges readers to be more creative interpreters of biblical texts mapping out an alternative way of reading that is not first and foremost about understanding what those texts would have meant for the original authors and readers Limiting our study to the ancient meaning of the text he argues has produced either bad history or bad theology or both One cannot derive robustly orthodox Christian doctrine or theology from a mere historical interpretation of the Bible Martin offers instead theological readings of the New Testament that are faithful to Christian orthodoxy as generally understood but without attempting a foundationalist understanding of the meaning of the text His provocative and ambitious book demonstrates how theology and scripture can remain vital in the twenty first century     **Explaining Deception** Colin Urquhart,2003-04 Part of the Explaining Series that examines important aspects of the Christian faith and is written in a way that presents the message of the Bible clearly and simply this book talks about the problem of deception It shows how each of us can be affected by it and explains how in

Christ we can live free from deception      The Young Lady's Guide to the Harmonious Development of Christian Character Harvey Newcomb,1841      **The Drama of Preaching** Eric B. Watkins,2017-02-16 Preaching is dramatic Through it we hear the voice of the living God as he speaks to us both through the reading and the preaching of the word of God But where do the hearers of sermons fit into the drama This book suggests ways in which the drama metaphor may help to address age old questions about the centrality of the gospel and the place of the hearer in preaching As God in Christ is the central character in the biblical drama of redemption he also calls hearers to understand their role in creatively yet faithfully living according to the biblical script Thus no sermon is complete until God s redemptive work is powerfully proclaimed and his people are instructed in how they too are participating in the Missio Dei In this work Hebrews 11 is employed as a means of showing how God not only reveals his redemptive work to his people but also through them As postmodernism sets the stage of contemporary preaching The Drama of Preaching interacts with some of the particular challenges preachers face in engaging postmodern listeners that they might not only be hearers but doers of the preached word      **The International Standard Bible Encyclopaedia** James Orr,1915      **Are Christians Just Saved Sinners?** Ron Craig,2012-08 Although my first four books deal with various controversial issues in the church today the substance of this book strikes at the very heart of some central doctrines held dear by many modern believers Just because certain beliefs have survived for centuries in church dogma and theological textbooks that is no guarantee that such doctrines are biblical I appealed to more than 900 different Scripture passages in this work to both expose those doctrinal errors and to reveal the truth regarding some essential biblical realities I do hope the reader will set aside all religious prejudices and honestly consider this straightforward presentation of what God actually says about such matters      The Moody Handbook of Theology Paul Enns,2014-03-27 The study of God His nature and His Word are all essential to the Christian faith Now those interested in Christian theology have a newly revised and updated reference tool in the 25th Anniversary Edition of The Moody Handbook of Theology In this classic and timeless one volume resource Paul Enns offers a comprehensive overview of the five dimensions of theology biblical systematic historical dogmatic and contemporary Each section includes an introduction chapters on key points specific studies pertinent to that theology books for further study and summary evaluations of each dimension Charts graphs glossary and indexes add depth and breadth Theology once the domain of academicians and learned pastors is now accessible to anyone interested in understanding the essentials of what Christians believe The Moody Handbook of Theology is a concise doctrinal reference tool for newcomers and seasoned veterans alike      **The Testimony of Simple Truths From God** Teri Sawyer Brady,2014-04-04 Are you walking through life depressed and defeated Does it feel like you are stuck in a rut and can t get out Author Teri Brady escaped the frustration pain and anger of her past and so can you God can restore your hopes and dreams and transform you into the person He created you to be It is time to move forward and celebrate life Make the decision today to stop believing the lies of the devil The Testimony of Simple Truths from God will

encourage you to open your heart and release everything that is holding you back Once you do enjoy living in freedom and hope as you take one step at a time one day at a time with Jesus by your side      COVENANT THEOLOGY: A Critical Analysis Of Current Pentecostal Covenant Theology ,      *Eerdmans Dictionary of the Bible* David Noel Freedman,Allen C.
