The Homemakers Colonial Americans:

The Homemakers, 1998 Describes how four staples candles soap brooms and cider were made in colonial times **The American Home**, 1929 *The Library of Home Economics*, 1907 *American Home Life, 1880-1930* Jessica H. Foy, 2024-07-31 In the pivotal decades around the turn of the century American domestic life underwent dramatic alteration From backstairs to front stairs spaces and the activities within them were radically affected by shifts in the larger social and material environments This volume while taking account of architecture and decoration moves us beyond the study of buildings to the study of behaviors particularly the behaviors of those who peopled the middle class single family detached American home between 1880 and 1930 The book s contributors study transformations in services such as home utilities of power heat light water and waste removal in servicing for example the impact of home appliances such as gas and electric ranges washing machines and refrigerators and in serving changes in domestic servants duties hours of work racial and ethnic backgrounds In blending intellectual and home history these essays both examine and exemplify the perennial American enthusiasm for as well as anxiety about the meaning of modernity *Directory of U.S. Register of Merit Sires and Dams Qualifying Under the National Poultry Improvement Plan, 1942-43*, 1946 This publication provides some information of a nation wide survey to determine the importance of butter as a source of vitamin A in the diet of the people of the United States **The Family in America** Robert McC. Adams, 2017-07-12 The Family in America offers a fresh interpretation of American social history emphasizing the vital role of the family and household autonomy and threats to both imposed by industrial organization and the state Allan Carlson shows that the United States rather than being born modern as a progressive consumerist society was in fact founded as an agrarian society composed of independent households rooted in land lineage and hierarchy Carlson argues that family survival continues to be of paramount importance today He critically examines five distinct strategies to restore a foundation for family life in industrial society drawing on the insights of Frederic LePlay Carle Zimmerman and G K Chesterton Carlson shows that family survival depends on the creation of meaningful pre modern household economies This new edition includes an introduction by Allan Carlson detailing the continued press of the industrial process onto the American family structure since initial publication of the book in 1993
