Handel, 1997 Contains information on resources and publications in the general field of alternative medicine and thirty two specific modalities **Homoeopathic Guide to Family Health** R. K. Tandon, Dr V R. Bajaj M D, 2013-04 Homoeopathic Guide to Family Health presents the homoeopathic system of medicine in an easy to understand and quick referral format making homoeopathy as simple as ABC Symptoms are classified in a simple manner as you see them and as you feel them In one compact volume the authors have introduced the system of homoeopathic healing how it originated the scientific theories underlying it and its advantages in terms of alleviating sickness and reducing costs for

treatment and medication Since first published in 1989 Homoeopathic Guide to Family Health has become a Doctor at Home to thousands of families and has converted many to the discipline of homoeopathy More than 55 000 copies have been sold A practical and invaluable guide to family health The chapter on emergencies and first aid is especially handy Definitely the best produced self medication tome currently available The Times of India Makes the doctrine of effective cure comprehensible for the vast section of society Provides the reader with immediate medical advice at home The Indian Express Well written and informative The Hindu Dr V R Bajaj M D earned his medical degree from Punjab University He worked as chief physician of the Department of Skin and Sexually Transmitted diseases at Medical College Amritsar For years he taught anatomy and physiology in medical colleges Dr Bajaj used homoeopathic medicine from time to time in his practice and believed that it could alleviate suffering without side effects R K Tandon has been a keen student of the homoeopathic system of healing for decades After an extensive study of the subject he presents homoeopathy in a manner that enables even a layman to benefit from this remarkable yet simple system of medicine After writing the first edition of this book in 1989 he wrote ten more books including How to Stay Healthy with Homoeopathy Publisher s website <http://sbpra.com> RKTandonandVRBajaj **Routledge Handbook of Complementary and Alternative Medicine** Nicola K. Gale, Jean V. McHale, 2015-04-10 The provision and use of traditional complementary and alternative medicine CAM has been growing globally over the last 40 years As CAM develops alongside and sometimes integrates with conventional medicine this handbook provides the first major overview of its regulation and professionalization from social science and legal perspectives The Routledge Handbook of Complementary and Alternative Medicine draws on historical and international comparative research to provide a rigorous and thematic examination of the field It argues that many popular and policy debates are stuck in a polarized and largely asocial discourse and that interdisciplinary social science perspectives theorising diversity in the field provide a much more robust evidence base for policy and practice in the field Divided into four sections the handbook covers analytical frameworks power professions and health spaces risk and regulation perspectives for the future This important volume will interest social science and legal scholars researching complementary and alternative medicine professional identity and health care regulation as well as historians and health policymakers and regulators

Handbook of Palliative Care Christina Faull, Yvonne H. Carter, Lilian Daniels, 2008-04-15 This handbook is a practical and comprehensive introduction to the field of palliative medicine It provides clear insight into many of the complex issues that arise in the delivery of palliative care and will be an invaluable resource to all disciplines involved in palliative care in hospital hospice and community settings 1st Edition was the WINNER of the 1999 BMA Medical Book of the Year Prize Why you should buy this book Comprehensive and authoritative text with a very practical and thorough approach Written by competent experts in the areas of their contributions New sections on heart failure respiratory failure and end stage renal failure Coverage of medicine management and complementary medicine in palliative care Discusses important areas of audit

and ethical issues in palliative medicine The second edition responds to evaluative comments on the first edition in strengthening its multidisciplinary focus and providing a broader professional approach through both the editorial team and contributors It aims as before to embrace practical issues as well as to provide an evidence based and empirical approach

From the Preface **British Book News** ,1991 The Oxford Handbook of the History of Medicine Mark Jackson,2011-08-25 The Oxford Handbook of the History of Medicine celebrates the richness and variety of medical history around the world In recent decades the history of medicine has emerged as a rich and mature sub discipline within history but the strength of the field has not precluded vigorous debates about methods themes and sources Bringing together over thirty international scholars this handbook provides a constructive overview of the current state of these debates and offers new directions for future scholarship There are three sections the first explores the methodological challenges and historiographical debates generated by working in particular historical ages the second explores the history of medicine in specific regions of the world and their medical traditions and includes discussion of the global history of medicine the final section analyses from broad chronological and geographical perspectives both established and emerging historical themes and methodological debates in the history of medicine
