Trauma and the Memory of Politics Jenny Edkins,2003-07-31 In this interesting study Jenny Edkins explores how we remember traumatic events such as wars famines genocides and terrorism and questions the assumed role of commemorations as simply reinforcing state and nationhood Taking examples from the World Wars Vietnam the Holocaust Kosovo and September 11th Edkins offers a thorough discussion of practices of memory such as memorials museums remembrance ceremonies the diagnosis of post traumatic stress and the act of bearing witness She examines the implications of these commemorations in terms of language political power sovereignty and nationalism She argues that some forms of remembering do not ignore the horror of what happened but rather use memory to promote change and to challenge the

political systems that produced the violence of wars and genocides in the first place This wide ranging study embraces literature history politics and international relations and makes a significant contribution to the study of memory **The People's Right to the Novel** Eleni Coundouriotis,2014-09-15 This study offers a literary history of the war novel in Africa Coundouriotis argues that this genre aimed more specifically at African readers than the continent's better known bildungsroman tradition nevertheless makes an important intervention in global understandings of human rights The African war novel lies at the convergence of two sensibilities it encounters in European traditions the naturalist aesthetic and the discourse of humanitarianism whether in the form of sentimentalism or of human rights law Both these sensibilities are present in culturally hybrid forms in the African war novel reflecting its syncretism as a narrative practice engaged with the colonial and postcolonial history of the continent The war novel Coundouriotis argues stakes claims to collective rights that contrast with the individualism of the bildungsroman tradition The genre is a form of people's history that participates in a political struggle for the rights of the dispossessed *The People's magazine*, 1867 **The People's Republic of Walmart** Leigh Phillips,Michal Rozworski,2019-03-05 Are multi national corporations like Walmart and Amazon laying the groundwork for international socialism For the left and the right major multinational companies are held up as the ultimate expressions of free market capitalism Their remarkable success appears to vindicate the old idea that modern society is too complex to be subjected to a plan And yet as Leigh Phillips and Michal Rozworski argue much of the economy of the West is centrally planned at present Not only is planning on vast scales possible we already have it and it works The real question is whether planning can be democratic Can it be transformed to work for us An engaging polemical romp through economic theory computational complexity and the history of planning The People's Republic of Walmart revives the conversation about how society can extend democratic decision making to all economic matters With the advances in information technology in recent decades and the emergence of globe straddling collective enterprises democratic planning in the interest of all humanity is more important and closer to attainment than ever before **Political and Religious Ideas in the Works of Arnold Schoenberg** Charlotte M. Cross,Russell A. Berman,2013-06-17 The original essays in this collection chronicle the transformation of Arnold Schoenberg's works from music as pure art to music as a vehicle of religious and political ideas during the first half of the twentieth century This interdisciplinary volume includes contributions from musicologists music theorists and scholars of German literature and of Jewish studies History of Rome, and of the Roman People Victor Duruy,1894 **Clifford D.
