Roger Ailes Zev Chafets, 2013-03-19 A national bestseller offering an inside look at the founder and former head of Fox News Roger Ailes is the quintessential man behind the curtain He more or less invented modern political consulting and helped Richard Nixon Ronald Reagan and George H W Bush win their races for the White House Then he reinvented himself as a master of cable television first as the head of CNBC and since 1996 as the creator and leader of Fox News the most influential news network in the country To liberals Ailes is an evil genius who helped polarize the country by breaking the mainstream media's long monopoly on what constitutes news To conservatives he's a champion of free speech and fair reporting whose values and view of America reflect their own But no one doubts that Ailes has transformed journalism Barack Obama once called him the most powerful man in America and given that Fox News has changed the way millions understand the world it may be true Yet for all that fame and infamy very few people know the real person behind the headlines Journalist Zev Chafets received unprecedented access to Ailes and his family friends and Fox News colleagues The result is a candid compelling portrait of a fascinating man We see Ailes in action at Fox News and hear him reflect on personal matters he has never before discussed publicly And we discover the heart of his sometimes surprising political beliefs his profane piety and his unwavering belief in the values of his small town Ohio boyhood Ailes loves to fight but he is a happy warrior who has somehow managed to charm and befriend many of the people he has defeated in political campaigns and television wars Barbara Walters Rachel Maddow Jesse Jackson the Kennedy clan all are unexpected Ailes fans Chafets also gives us an unprecedented look at the inner workings of Fox News and explores Ailes's relationships with Bill O'Reilly Sean Hannity Megyn Kelly Neil Cavuto Chris Wallace and the other stars he has nurtured Ultimately Ailes is neither villain nor hero but a man full of contradictions and surprises As Chafets writes What will he do next What stokes his competitive fires and occasional rages How to reconcile his acts of exceptional loyalty and private generosity even to rivals

with his impulse to present himself to the world as a ruthless leg breaker What makes Roger run and where if anywhere is the finish line As Ailes himself might say I report you decide Enter the Players Thomas S. Hischak,2003 Each player is discussed in a brief biography followed by a complete list of every play and character they performed in New York Also included are plays and musicals that were heading to New York but closed before opening Cast replacements are indicated as well as Tony nominations and awards Within Enter the Players each actor comes alive as his or her career is revealed step by step role by role This book is an invaluable reference work and provides hours of fascinating browsing for anyone who loves theatre BOOK JACKET Focus On: 100 Most Popular American Musical Theatre Actresses Wikipedia contributors,
