The Hound Of Heaven At My Heels The Lost Diary Of Frances Thompson:

The Hound of Heaven at My Heels Robert G. Waldron,1999 This book is a poignant and inspiring story about the great poet Francis Thompson Addicted to opium as a young man and reduced to homelessness on the streets of London the poet in a last effort to regenerate himself sends to the editor of a Catholic monthly samples of his writing Months pass before the editor reads the soiled manuscript he immediately perceives its genius and sets out to find the young poet but to no avail He publishes the poetry in the hopes that Thompson will contact him *The Hound of Heaven at My Heels* is a fictional reconstruction of the poet s lost diary it is a heart breaking and soul lifting account of his spiritual psychological and physical regeneration It is the story of a young man who finally finds his soul and his vocation **Relentless Pursuit** Ken

Gire,2012-06-15 Popular author uses stories from the Bible and his own life to teach about God s love for those who feel like outsiders Provided by publisher [The Resounding Soul](#) Samuel Kimbriel,Eric Austin Lee,2016-09-29 It is surely not coincidental that the term soul should mean not only the centre of a creature s life and consciousness but also a thing or action characterised by intense vivacity that bike s got soul It also seems far from coincidental that the same contemporary academic discussions that have largely cast aside the language of soul in their quest to define the character of human mental life should themselves be so bloodless or so lacking in soul *The Resounding Soul* arises from the opposite premise that the task of understanding human nature is bound up with the more critical task of learning to be fully human The papers collected here are derived from a conference in Oxford sponsored by the Centre of Theology and Philosophy and explore the often surprising landscape that emerges when human consciousness is approached from this angle Drawing upon literary philosophical theological historical and musical modes of analysis these essays remind the reader of the power of the ancient language of soul over against contemporary impulses to reduce fragment and overly determine human selfhood

pursuit of the human soul The work exemplary of Thompson's ornate and richly textured use of language stands as a testament to Victorian poetry and its spiritual quests It captures the relentless chase of God the Hound for the speaker's soul which flees from divine grace into the shadows of human experience The book's literary style marked by thematic complexity and a moving lyrical cadence reflects the spiritual and psychological turmoil of the fin de siècle The text positions itself within the literary context of fin de siècle Victorian literature grappling with religious doubt and man's place in a changing world Francis Thompson's own tumultuous life echoes profoundly through *The Hound of Heaven* A poet and ascetic who suffered from addiction and destitution Thompson's work is often seen as a reflection of his own struggles and redemptive experiences His Catholic upbringing and later spiritual reawakening informed his literary output infused with mysticism and a search for transcendence The poem both biographical and theological mirrors Thompson's flight from his vocation and the subsequent divine pursuit culminating in his reluctant but inevitable surrender to God's love The enduring power of *The Hound of Heaven* lies in its capacity to resonate with readers across generations offering a passionate exploration of spiritual hunger and the human condition This book is recommended to those interested in the intersection of faith literature and personal struggle It beckons not just the religiously inclined but anyone who yearns to understand the depths of human yearning and the complex dialogue between the soul and the divine Thompson's masterpiece extends an invitation to explore the relentless and loving pursuit that surmounts even the darkest human narratives **The Hound of Heaven** Francis Thompson, 190? **Portland Transcript** , 1855
