Faeleahn Jenna Elizabeth Johnson, 2015-06-29 This book was originally published in the anthology Faery Tales Six Novellas of Magic and Adventure I blinked at my reflection my Faelorehn eyes shifting from one color to the next I tried to get them to settle on a blue shade to go with my dress but my nerves were too wired In less than an hour I would be Mrs Caedehn MacRoich Lady of Castle Luathara During that hectic stretch of days when Cade and I had traipsed about the countryside spreading the word of our upcoming wedding I didn t have a nervous bone in my body Now that the day had finally arrived I was ready to fall to pieces Caedehn MacRoich and Meghan Elam have been through more trials and tribulations than most young couples can imagine Despite the constant presence of a malevolent goddess bent on destroying them both and the high queen Danua doing her best to keep them apart Meghan and Cade have persevered through it all never once losing sight of one another or the love that kept them strong through it all Now Cade and Meghan are ready to make their relationship official to pledge their souls to one another in a traditional bonding ceremony of Eil Before the bonding ceremony however they must inform everyone of their intentions Although the goal is to share the news of their upcoming wedding the faelah bounty hunter and the princess of Erintara grow even closer as their love is reflected back to them by those they hold most dear Voracious Children Carolyn Daniel, 2006-02-22 Voracious Children explores food and the way it is used to seduce to pleasure and coerce not only the characters within children's literature but also its readers There are a number of gripping questions concerning the quantity and quality of the food featured in children's fiction that

immediately arise why are feasting fantasies so prevalent especially in the British classics What exactly is their appeal to historical and contemporary readers What do literary food events do to readers Is food the sex of children's literature The subject of children eating is compelling but why is it that stories about children being eaten are not only horrifying but also so incredibly alluring This book reveals that food in fiction does far far more that just create verisimilitude or merely address greedy readers desires The author argues that the food trope in children's literature actually teaches children how to be human through the imperative to eat good food in a proper controlled manner Examining timely topics such as childhood obesity and anorexia the author demonstrates how children's literature routinely attempts to regulate childhood eating practices and only award subjectivity and agency to those characters who demonstrate normal appetites Examining a wide range of children's literature classics from Little Red Riding Hood to The Lion the Witch and the Wardrobe this book is an outstanding and unique enquiry into the function of food in children's literature and it will make a significant contribution to the fields of both children's literature and the growing interdisciplinary domain of food culture and society and the Gods of the Round Table David Dom, 2013-04-14 Did King Arthur really exist The oldest manuscripts refer to him as a Lord of Battle who emerged soon after the Roman Empire crumbled But what would be the origin of all these stories that turned a war leader into a king an emperor a legend even a god What if Arthur was really a deity similar to Zeus and Odin with his roots in the rich Celtic mythology of the British Isles A study of Arthurian myths reveals Britain s most legendary king as an ancient Sun God known by many different names in the myths of Wales and Ireland Even his Knights of the Round Table and his sister Morgan le Fay can all be identified as ancient Gods and Goddesses of earth sea and sky Their survival in Arthurian legend stands as a shining testament of a story far more ancient but by no means lost to us Malachi's Ouest: **Book 1 The Beginning** P.J Cormack, 2015-10-27 Malachi Malone is an ordinary twelve year old schoolboy living in Enniscorthy Southern Ireland Ordinary that is except for the fact that for all his life he s been able to see the Dead People and there are an awful lot of dead people on the old battlefield that is Vinegar Hill The fact that he was born with the tattoo of a dragon might also mean he s not that ordinary In his search to retrieve the Lost Treasures of Ireland which alone will bring peace back to the world Malachi must decipher clues laid down many hundreds of years ago The Forces of the Dark are awakening as they realise the threat that this seventh son of a seventh son is to their growing Power Malachi must seek and find the An Chl irseach ir the Legendary Golden Harp of Ireland in a desperate bid to keep safe his and our world The Labyrinth of Souls Leslie Vedder, 2025-02-11 Your next favorite book featuring a magical school is here Get this one for young readers in your life who want their stories full of action adventure fantasy and mystery Lora Senf Bram Stoker Award winning author of the Blight Harbor books A darkly inventive fantasy for fans of Tim Burton about a girl who can see Nightmare creatures from the forbidden Labyrinth of Souls In the Kingdom of Spinar there are seven rules for safeguarding your soul from the Sorrows and Nightmare creatures most importantly never ever enter the Labyrinth of Souls Ix Tatterfall
