A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as

librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

A Sense of Place Daniel A. Kriesberg, 1999-03-15 Celebrating nearby nature and the marvels of our own backyards this book helps you introduce children to the world around them With quality children s literature and simple activities you can cultivate a child s sense of wonder and joy and teach him or her the importance of living in harmony with nature These projects span the curriculum and are presented in reproducible format so they re easy to use Highlighting the five senses sight sound smell taste touch they build connections between students and the land and create in young learners a sense of place a true necessity for living in the world today Grades K 6

Journey to Literacy Krista Flemington, Linda Hart-Hewins, Una Villiers, 2011 The play based learning and individualized strategies in this practical book build on the wide range of literacy skills present in the kindergarten classroom This valuable resource explores simple ways to use traditional learning centres to provide children with real and authentic reasons to listen speak read write and view Teachers will find a wealth of resources for creating meaningful learning experiences including answers to often asked questions milestones to inform teaching instruction activities and games for both individuals and groups literacy extensions that involve children with quality literature authentic artifacts and recordings This highly readable book will support teachers as they move beyond worksheets and nurture students on their journey to lifelong literacy

Wings and Tales Jennifer L. Kroll, 2011-02-03 Parents and teachers can use this book to engage children with the world outside by opening their eyes to fascinating common bird species Once upon a time common bird species all had well known stories associated with them Legends and folklore about birds abound in almost every culture It s likely their ability to fly their beauty and grace their distinctive and puzzling calls and the fact that they live all around us is what makes them popular subjects for fables This book presents a sampling of traditional bird tales retold in a fresh way that makes them especially relevant and memorable for today s children Each story is complemented by a Feathered Fact File a Backyard Bird Watching Tip for kids a classroom home school activity suggestion and a story sharing suggestion for parents and teachers The teaching activities are designed with flexibility so that they may be used to either introduce new concepts of science and math or reinforce familiar concepts in a hands on fashion Reading selections are written at third to fourth grade reading levels but are designed to engage both younger listeners and older readers

Choices & Changes in Life, School, and Work, Grade 2-4 Jim Charkins, National Council on Economic Education, 2001 This publication contains complete instructions for teaching the lessons in Choices and Changes Grades 2-4 The Choices and Changes series is designed to help students understand how the U S economy works and their roles in the economy as consumers savers and workers

Every Day a Holiday Elizabeth Raum, 2001 Matches quality children s books with each day of the year to provide a focus for story time The lessons in this book will help children

develop creative connections between reading and the world around them introducing them to many other people and places throughout the world
