The House of Liberty Stephen Calloway,1992 From its founding in 1875 the firm of Liberty has been a byword for high quality design This account and celebration of Liberty is divided into chronological sections It begins with the early emporium and ends with a survey of the institution s influence on post war aesthetics and design **Design: The Key Concepts** Catherine McDermott,2007-10-30 This is the essential student s guide to Design its practice its theory and its history Respected design writer Catherine McDermott draws from a wide range of international examples

Twentieth-Century Pattern Design Lesley Jackson, 2007-02-08 Twentieth Century Pattern Design combines photographs including many newly published images with soundly researched text creating an essential resource for enthusiasts and historians of modern design The book also serves as a creative sourcebook for students and designers inspiring new flights of fancy in pattern design Jacket Fashion Plates April Calahan, 2015-01-01 The images featured in Fashion Plates 150 Years of Style are part of an extensive collection of such plates held by Special Collections College Archives a unit of the Gladys Marcus Library at the Fashion Institute of Technology FIT New York Preface Behind the Counter Pamela Horn, 2015-01-15 The story of the shopworkers who emerged during the Victorian and Edwardian era to cater for all clientele from behind the counters of the increasing number of shops and lavish department stores A Cultural History of Furniture in the Age of Empire and Industry Catherine L. Futter, Christina M. Anderson, 2022-02-24 The 19th century in Western culture was a time of both confidence and turbulence Industrial development produced a growing middle class as well as efficiency convenience and innovation across a range of fields from engineering to architecture Alongside these improvements the century began with the extended period of the Napoleonic Wars and was further disrupted by rebellions and revolutions both within Europe and in India South America and other parts of the world Slavery was abolished and urbanization increased dramatically These myriad developments were reflected throughout the period in the proliferation of types of furniture along with their categorization as industrial art at the international exhibitions and world fairs and the increasingly adventurous range of materials that were sometimes used in their construction Nonetheless a strong antiquarian historicist strand also prompted interest in the revival of past styles in areas of art and design including furniture Drawing upon a wealth of visual and textual sources this volume of A Cultural History of Furniture presents essays that examine key characteristics of the furniture of the period on the themes of design and motifs makers making and materials types and uses the domestic setting the public setting exhibition and display furniture and architecture visual representations and verbal **India by Design** Saloni Mathur, 2007-11-06 Eschewing simple formulation of power s dependence on representations display Saloni Mathur offers a brilliantly original disentangling of the anxious and involuted attempts to manage India as an aesthetic project Her account is rich in archival research theoretically elegant and exceptionally engrossing With remarkable clarity it opens colonial rule s cultural techniques to a new set of illuminating questions Christopher Pinney author of Photos

of the Gods The Printed Image and Political Struggle in India India by Design is an elegant and precise book remarkable for its conciseness and clarity Taking a transnational perspective and deftly engaging postcolonial theory Mathur explores not only the representations but also the representational practices that shaped imperial colonial and postcolonial relations Barbara Kirshenblatt Gimblett author of Destination Culture Tourism Museums and Heritage Saloni Mathur s book is a gathering of rare gifts and talents With the subtle searching eye of an expert curator and the analytic skills of a fine scholar Mathur explores the diverse scales and conflicting values of colonial design and discourse arts and crafts Monumental histories of museums are placed beside the petits recits of post cards the picturesque Victorian portraiture of Indian life makes a fine contrast with the celebration of modern Indian art in the diasporic world of non resident Indians Always open to the lure and pleasure of Imperial display and spectacle Mathur is equally astute about its underlying strategies of surveillance and subordination This remarkable work is deeply engaged in the mechanics and mediations of Imperial authority and its visual signs Homi Bhabha Anne F Rothenberg Professor of the Humanities Harvard University Saloni Mathur manages to bring together remarkably diverse strands that make up the contemporary visual cultures of India and provide insights for art historians anthropologists and cultural theorists alike India by Design Colonial History and Cultural Display illuminates issues that are long overdue but hardly ever addressed in the art historical circles Mathur's command of theory is truly impressive but even more noteworthy are her insights about Indian modernity and colonial and post colonial institutions in and outside of the country Vishakha N Desai President Asia Society **Arts and Crafts Movement in New** Zealand, 1870-1940 Ann Calhoun, 2000 Reveals the exquisite work and extraordinary skill of a group of New Zealand artists most of them women working in a wide variety of art and craft forms This flowering of local talent originated in the British Arts and Crafts movement and is associated with the growth of art education in this country its guiet but dedicated character also suggests much about the situation of women in the years before and after 1900 Jacket Silk and empire Brenda King, 2017-03-01 In this book Brenda M King challenges the notion that Britain always exploited its empire Creativity innovation and entrepreneurship were all part of the Anglo Indian silk trade and were nurtured in the era of empire through mutually beneficial collaboration The trade operated within and without the empire according to its own dictates and prospered in the face of increasing competition from China and Japan King presents a new picture of the trade where the strong links between Indian designs the English silk industry and prominent members of the English the arts and crafts movement led to the production of beautiful and luxurious textiles Lavishly illustrated this book will be of interest to those interested in the relationship between the British Empire and the Indian subcontinent as well as by historians of textiles and fashion Island Stories Raphael Samuel, 1999-07 Island Stories looks at the multiplicity of myths that issue from the 4 nations that make up Great Britain His perspective brings new meaning to the idea of history revealing how nations use their past to give meaning to their present and future Objects, Audiences, and Literatures Carma Gorman, David

Raizman, 2009-03-26 In Objects Audiences and Literatures Alternative Narratives in the History of Design five art historians tap a variety of unexpected literary sources to reveal the dynamic relationship between intention and reception in architecture interior design costume and the decorative arts The essays consider both handcrafted and serially produced objects from the eighteenth to the mid twentieth centuries including a japanned high chest from colonial Boston German and Austrian Artistic Dress Tiffany lamps the architecture of the 1925 Exposition Internationale des Arts D coratifs et Industriels in Paris and the dream homes portrayed in two popular postwar American films The five chapters demonstrate that a complex and even contradictory mixture of stakeholders determines the meanings of designed objects Each author examines popular forms of literature in order to reveal the preconceptions that viewers brought with them to the experience of looking at and using objects The authors attentiveness to viewers class and gender provides a methodological model for approaching the study of reception within the field of design history Objects Audiences and Literatures introduces a new generation of historians of design and decorative arts with five superb case studies Looking beyond the laconic historical data that has formed the backbone of scholarship in this field these authors plumb popular culture films advertisements and especially novels to understand contemporaneous meanings of objects Using these polyglot sources with an eye particularly on narrative and gender they suss out heretofore unnoticed dissonances between the prescriptive pronouncements of avant garde insiders and the reception that design innovation found in broader publics These wide ranging essays are marked by imagination exuberance and acuity I look forward to using it in my teaching Margaretta M Lovell University of California Berkeley This is a welcome addition to the literature that addresses the growing scholarly and popular interest in design and design history Drawing on an impressive array of examples the authors explore how class gender and cultural context shaped the reception of architecture interior design costume and the decorative arts at various moments in the modern era The collection is noteworthy for the way each of the contributors draws upon literary sources for insights into design and material culture that transcend the specific examples under review Models of methodological rigor these essays should appeal to scholars in multiple disciplines Dennis P Doordan University of Notre Dame The Wardle Family and Its Circle Brenda M. King, 2019 The history of an entrepreneurial family whose work influenced followers of the Arts and Crafts Movement Gothic Revivalism Art Needlework and Aestheticism LONGLISTED for the Arnold Bennett Society Book Prize 2020 This book is a richly illustrated history of the Wardle family of Leek Staffordshire which rose to prominence in fine textile production in the second half of the nineteenth century At its core is an object centred exploration revealing how an entrepreneurial family responded to complex international factors Beautiful dyed printed and embroidered textiles were created in Leek using traditional craft skills Followers of the Arts and Crafts Movement and Gothic Revivalism as well as Art Needlework and Aestheticism benefited from the family enterprises that flourished despite rapid industrialisation The Wardle family s rich legacy is played out against the backdrop of the Anglo Indian silk trade Thomas Wardle travelled in India and integrated

Indian designs into British silk production His work attracted William Morris Walter Crane and A L Liberty among others and their designs printed by Wardle were internationally applauded Elizabeth Wardle embroiderer worked with many major architects such as R N Shaw G G Scott Jnr and J D Sedding Lavishly illustrated this book will be of interest to those interested in textile and fashion history and the history of the Arts and Crafts movement as well as the relationship between the British Empire and the Indian subcontinent BRENDA M KING is a textile historian and holds the Chair of the Textile Society She is also a freelance lecturer in the History of Design and Museum and Heritage Studies and the author of Silk and Empire 2005 and 2009 and Dye Print Stitch Textiles by Thomas and Elizabeth Wardle 2009 **Encyclopedia of Interior Design** Joanna Banham, 1997-05 First published in 1997 Routledge is an imprint of Taylor Francis an informa company

International Retailing Nicholas Alexander, Anne Marie Doherty, 2009 International Retailing reflects contemporary research and current practice focusing on what is happening in the field who is making it happen why it is happening in the way it is and how it is happening Structured around four parts this textbook guides students through the internationalization process considering international markets and how retail companies operate within them It concludes by exploring future trends and challenges of the international retail marketplace. The text is packed with a wealth of international examples and familiar case studies clearly showing how the theory translated into practice BOOK JACKET <u>Liberty of London Stephen</u> Calloway, 1992 For more than one hundred years the name Liberty of London has been synonymous with the highest achievements in the decorative arts from fabric to furniture from carpets to ceramics A great trading company is always affected by changes in fashion what gives this one its remarkable distinction is that it has not just followed these changes but helped to create them since 1875 Arthur Lasenby Liberty its founder set out to transform the dress and interior decoration of his day that sense of excitement and innovation has remained integral to his company to this day and continues to appeal to a wide international clientele making Liberty one of the few names in retailing known worldwide This full account of Liberty s accomplishments in the applied arts is therefore also a central history of design over the past century Organized chronologically and profusely illustrated it begins with Arthur Liberty's early emporium selling oriental textiles and imported furnishings then covers the Aesthetic movement Arts and Crafts Art Nouveau the decorative twenties and thirties and the revivalism of the fifties and sixties It ends with a survey of Liberty's current exploration of international modern design Each section is written by an expert on the relevant period The Arts and Crafts movement found Liberty fully established and pursuing the enlightened commissioning that associated the shop with leading craftsmen and designers After the First World War textiles became the major focus of Liberty trading In the post war era numerous revivals notably those of Art Nouveau and Art Deco were given considerable impetus by Liberty Now in keeping with its role as innovator the firm continues to commission the world's most exciting textile designers and to promote furniture and decorative objects in both avant garde and traditional styles Edited by Stephen Calloway the eminent historian of design and decoration this is a unique history of a

unique enterprise In bringing fine goods to the public this store established and maintains a reputation that stretches far beyond retailing Through its commissions and design studios Liberty of London has helped to form the taste of the century BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Edward S. Cooke, Jr., 2022-10-04 A bold reorientation of art history that bridges the divide between fine art and material culture through an examination of objects and their uses Art history is often viewed through cultural or national lenses that define some works as fine art while relegating others to the category of craft Global Objects points the way to an interconnected history of art examining a broad array of functional aesthetic objects that transcend geographic and temporal boundaries and challenging preconceived ideas about what is and is not art Avoiding traditional binaries such as East versus West and fine art versus decorative art Edward Cooke looks at the production consumption and circulation of objects made from clay fiber wood and nonferrous base metals Carefully considering the materials and process of making and connecting process to product and people he demonstrates how objects act on those who look at use and acquire them He reveals how objects retain aspects of their local fabrication while absorbing additional meanings in subtle and unexpected ways as they move through space and time In emphasizing multiple centers of art production amid constantly changing contexts Cooke moves beyond regional histories driven by geography nation state time period or medium Beautifully illustrated Global Objects traces the social lives of objects from creation to purchase and from use to experienced meaning charting exciting new directions in art history **Souvenirs** Michael Hitchcock, Ken Teague, 2019-09-16 This title was first published in 2000 Souvenirs broadly conceived are generally thought to be the material counterpart of travels events relationships and memories of all kinds The material items classed as souvenirs discussed in this text have memorial functions usually connected with the owner's travels But not all of the items are souvenirs of tourism they are also souvenirs of other past phenomena such as political events suffragettes colonial history India former artistic pre eminence Awaji Ningyo puppetry or former ways of life South American ceramic archaisms The authors do not necessarily focus on material souvenirs in their memorial function as prompters of memory They also use their case studies as starting points for the discussion of many interesting contemporary phenomena such as cottage industries for economic development in Mexico and Ainu as devices to invigorate or maintain artistic practices as emblems of cultural conformity Surrealists or as symbolic weapons in national and international political arguments A key focus of many of the chapters is the question of meaning what is the meaning of any particular souvenir or collection and for whom does it bear that meaning **E.W. Godwin** Edward William Godwin, Susan Weber Soros, Catherine Arbuthnott, Bard Graduate Center For Studies In The Decora, Bard Graduate Center for Studies in the Decorative Arts, 1999-01-01 In the first section of this work ten scholars examine E W Godwin s life and career discussing his diverse contributions as a design reformer The second section presents a fully annotated selection of over 150 items that represent the formation and flowering of Godwin's oeuvre Temples of Luxury Lise Sanders, Susanne Schmid, 2023-11-30

This two volume collection of British primary sources examines institutions such as hotels inns arcades bazaars co operatives shops and department stores in the long nineteenth century which were often coded as luxurious This period was marked not only by an increase of individual consumerism but also by the institutionalisation of opulent often purpose built spaces such as the much admired new grand hotels supposedly an American invention and department stores modelled on the French grands magasins These environments were tied to leisure no longer a prerogative of the upper classes and thus to modernity In addition to addressing the luxurious side of these institutions including architectural innovation and interior decoration we also consider the other side of luxury examining the experience of staff and period debates over the morality of consumption This edition seeks to explore a fascinating but hitherto often neglected side of the British nineteenth century by bringing together a collection of annotated primary texts and visual material documenting these temples of luxury as they were seen by their contemporaries **Private Domain, Public Inquiry** Anton Schuurman, Petrus Cornelis Spierenburg, 1996
