**Yeats and American Poetry** Terence Diggory, 2014-07-14 This work is designed to show a double influence first that of American poets especially Whitman on W B Yeats and second of Yeats on a wide range of American poets who began their careers during the first decades of the century Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 [The Great Depression and the Culture of Abundance](#) Rita Barnard, 1995-01-27 Examines the response of American leftist writers from the 1930s to the rise of mass culture and to the continued propagation of the values of consumerism during the Depression It traces in the work of Kenneth Fearing and Nathaniel West certain theoretical positions associated with the Frankfurt school especially Walter Benjamin and with contemporary theorists of postmodernism **Between History And Poetry** H. D. (H. D., Hilda Doolittle), 1997 An annotated selection of correspondence between Hilda Doolittle an expatriate

poet and a graduate student who became her literary advisor agent and close friend Letters are chosen to focus on Doolittle's creative process her reading and the publication of her work within the context of this developing friendship Annotation c by Book News Inc Portland Or **The State of Wisconsin Blue Book**, 1995 **The New York Irish** Ronald H. Bayor, Timothy Meagher, 1997-09-30 As one of the country's oldest ethnic groups the Irish have played a vital part in its history New York has been both port of entry and home to the Irish for three centuries This joint project of the Irish Institute and the New York Irish History Roundtable offers a fresh perspective on an immigrant people's encounter with the famed metropolis 37 illustrations *Resisting Hitler* Shareen Blair Brysac, 2002-05-23 This gripping and heartbreaking narrative is the first full account of an American woman who gave her life in the struggle against the Nazi regime As members of a key resistance group Mildred Harnack and her husband Arvid assisted in the escape of German Jews and political dissidents and for years provided vital economic and military intelligence to both Washington and Moscow But in 1942 following a Soviet blunder the Gestapo arrested tortured and tried some four score members of the Harnacks group which the Nazis dubbed the Red Orchestra Mildred Fish Harnack was guillotined in Berlin on February 16 1943 on the personal instruction of Adolf Hitler she was the only American woman to be executed as an underground conspirator during World War II Yet as the war ended and the Cold War began her courage idealism and self sacrifice went largely unacknowledged in America and the democratic West and were distorted and sanitized in the Communist East Only now with the opening of long sealed archives from Germany the KGB the CIA and the FBI can the full story be told In this superbly told life of an unjustly forgotten woman Shareen Blair Brysac depicts the human side of a controversial resistance group that for too long has been portrayed as merely a Soviet espionage network **The Letters of T. S. Eliot Volume 7: 1934-1935** T. S. Eliot, 2017-05-30 T S Eliot's career as a successful stage dramatist gathers pace throughout the fascinating letters of this volume Following his early experimentation with the dark comedy *Sweeney Agonistes* 1932 Eliot is invited to write the words of an ambitious scenario sketched out by the producer director E Martin Browne who was to direct all of Eliot's plays for a grand pageant called *The Rock* 1934 The ensuing applause leads to a commission from the Bishop of Chichester to write a play for the Canterbury Festival resulting in the quasi liturgical masterpiece of dramatic writing *Murder in the Cathedral* 1935 A huge commercial success it remains in repertoire after eighty years Even while absorbed in time consuming theatre work Eliot remains untiring in promoting the writers on Faber's ever broadening lists George Barker Marianne Moore and Louis MacNeice among them In addition Eliot works hard for the Christian Church he has espoused in recent years serving on committees for the Church Union and the Church Literature Association and creating at Faber but she refuses to comprehend that her husband has chosen to leave her and stalks him across literary society leading to his place of work at the offices of Faber Faber The correspondence draws in detail upon Vivien's letters and diaries to provide a picture of her mental state and way of life and to help the reader to appreciate her thoughts and feelings State of Wisconsin Blue Book, 1995 **William**

**Ellery Leonard** Neale Reinitz, 2013-06-20 William Ellery Leonard was an eccentric poet professor and critic whose romantic ideals were set against a world whose aesthetics were fast turning away from his own. He lived a life marked by both success and dramatic failure both personally and professionally. His first wife's suicide would haunt him and mark one of his greatest poems, the sonnet sequence *Two Lives*. His translations of Lucretius and *Beowulf* stood as hallmarks of the craft for decades after they were published, and his political satires written in response to the University sphere he lived and worked in remain as effective today as they once were.

**Edward Hopper** Gail Levin, 2023-01-03 New York Times Notable Book Los Angeles Times Book Prize Finalist Wall Street Journal One of Five Best Artist Biographies Edward Hopper's canvases are filled with stripped down spaces and unrelenting light evocative landscapes and the lonely aspects of men and women seemingly isolated in their surroundings. What kind of man had this haunting vision and what kind of life engendered this art? No one is better qualified to answer these questions than art historian Gail Levin, author and curator of the major studies and exhibitions of Hopper's work. In this intimate biography she reveals the true nature and personality of the man himself and of the woman who shared his life, the artist Josephine Nivison.

New Selected Poems of Marya Zaturenska Robert Phillips, 2001-12-01 Praised for her lyricism and mastery of meter and rhyme, Marya Zaturenska's poetry lit up American literature in the 1900s. But with the giddy 1920s Zaturenska's traditional lyric grace and penchant for artifice rendered her pass. By her mid thirties Zaturenska had succumbed to emotional and physical illness. At the same time her work blossomed and critics acclaimed her for elevating lyric conventions to new plateaus. In 1937 she won a Pulitzer Prize for her magical collection *Cold Morning Sky*. She was only thirty six years old at the time. Critics pointed out that Zaturenska had assimilated lyric conventions and made them original and new. What is so fine about these poems is that the control implicit in them does not lead to sterility or to false emotion, wrote the New York Times Book Review. She is a mystic but how neatly she refines the word. This new edition consists of over one hundred poems and twenty translations drawn from eight previous books. Early poetry from her teenage years reveals Zaturenska's budding talent and an introduction by fellow poet and close friend Robert Phillips places this gifted writer firmly in both the historic and lyric tradition.

**American Night** Alan M. Wald, 2012-10-15 *American Night*, the final volume of an unprecedented trilogy, brings Alan Wald's multigenerational history of Communist writers to a poignant climax. Using new research to explore the intimate lives of novelists, poets, and critics during the Cold War, Wald reveals a radical community longing for the rebirth of the social vision of the 1930s and struggling with a loss of moral certainty as the Communist worldview was being called into question. The resulting literature Wald shows is a haunting record of fracture and struggle linked by common structures of feeling, ones more suggestive of the negative dialectics of Theodor Adorno than the traditional social realism of the Left. Establishing new points of contact among Kenneth Fearing, Ann Petry, Alexander Saxton, Richard Wright, Jo Sinclair, Thomas McGrath, and Carlos Bulosan, Wald argues that these writers were in dialogue with psychoanalysis, existentialism, and postwar modernism, often generating moods of piercing emotional acuity.

and cosmic dissent He also recounts the contributions of lesser known cultural workers with a unique accent on gays and lesbians secular Jews and people of color The vexing ambiguities of an era Wald labels late antifascism serve to frame an impressive collective biography

*The House of Memory* John Freely, 2018-02-20 In this funny and tender memoir John Freely reflects on a remarkable life Splitting his early childhood between the U S and Ireland inspired in Freely a lifelong desire to see the world and its inhabitants At age six he settled in Brooklyn where he spent a sometimes tumultuous boyhood amidst a large extended family moving from house to house the family s belongings packed in an uncle s hearse Growing up poor in his teens Freely took whatever jobs he could when times got tough always shaking off his losses and moving on hungry for new experiences and adventures He joined the U S Navy at seventeen to see the world and did just that As a member of an elite commando unit he was sent to one of the most remote places in Asia where he served alongside Chiang Kai shek s Chinese forces during the last weeks of World War II A vivid recollection on a world that now exists only in memory The House of Memory is a lasting tribute to a life well lived and to all of the immigrant families who have struggled endured and enriched our country
