Concept of Exile Rehnuma Sazzad, 2017-02-10 Edward Said was an exiled individual the out of place Palestinian in the USA. He saw the consequences of the 1948 dismantling of Palestine and the establishment of Israel through his parents' experiences and through the collective statelessness imposed on the Palestinians. His own personal experience of exile intensified when he moved to the USA. Yet despite the significance of exile to Said's life and work, no scholarship has yet focused on this theme in his writings or traced its ongoing applicability and importance. Rehnuma Sazzad fulfils this pressing need in literary and cultural research by providing the first comprehensive definition of Said's theory of exile and revealing its legacy in relation to five Middle Eastern intellectuals: Naguib Mahfouz, Mahmoud Darwish, Leila Ahmed, Nawal El Saadawi and Youssef Chahine. Sazzad argues that for Said the ideal intellectual is a metaphorical exile. This exile does not have to be spatially disconnected from a homeland but must demonstrate a willing homelessness through specific strategies and techniques. By selecting a novelist, poet, feminist filmmaker and essayist, Sazzad shows how intellectuals from diverse fields become part of the Saidian discourse through the expression of these exilic qualities. The book creates a portrait of redoubtable intellectual practice and in the twenty-first century context when the frontiers of belonging are constantly redrawn, Edward Said's Concept of Exile adds new depths to discourses of resistance, home and identity. **Exile and the Politics of Exclusion in the Americas** Luis Roinger, 2012-03-13 This collection of essays brings together leading experts in the study of exile and expatriation whose historical and comparative perspectives enable readers to understand the phenomenon of forced displacement in the Americas. *Giving Voice to Exile in Literature* Asher Z. Milbauer, James M. Sutton, 2025-10-14 *Giving Voice to Exile in Literature: The Burdens and Privileges of Inheritance* aims to provide undergraduate, graduate and professional readers with a nuanced understanding of how the unique status of exile issues of displacement, complexities of cultural identity formation, the state of in-betweenness, liminality and alienation shape fundamental human experiences. Its contributors, prominent artists, literary critics, social scientists, medical professionals, students of exile and an acclaimed bookseller, explore the origins and causes of uprootedness and examine its historical, social, cultural, psychological, intercultural, political and linguistic consequences. Their essays are informed by a constructive awareness of the tensions between a purist approach to exile as forceful, violent banishment from one's native land as a result of intolerance and that of exile as a metaphor for all kinds of alienation, societal estrangements and psychic dislocations. Most of the essays in this volume bear the imprint of an experiential, scholarly, lyrical mode of composition and are further informed by the contributors' acute awareness of the imbricated nature of their parents' exilic experiences and their own creative and scholarly endeavors. By acknowledging the burdensome, traumatic travails of their ancestors, the contributors find pleasure and privilege in their filial and professional responsibility to bear witness to the resiliency of the human spirit transcending exile, which Joseph Conrad called an unnatural state of existence. In so doing, they testify to their efforts to metamorphose their inherited sense of exile into acts of commemoration, education and creativity. *A Biblical Theology of Exile* Daniel L.

Smith-Christopher, The Christian church continues to seek ethical and spiritual models from the period of Israel's monarchy and has avoided the gravity of the Babylonian exile Against this tradition the author argues that the period of focus for the canonical construction of biblical thought is precisely the exile Here the voices of dissent arose and articulated words of truth in the context of failed power *Exile: Old Testament, Jewish, and Christian Conceptions* Bruce D. Chilton, Porton, Louis H. Feldman, 2021-12-06 The exiles of Israel and Judah cast a long shadow over the biblical text and the whole subsequent history of Judaism Scholars have long recognized the importance of the theme of exile for the Hebrew Bible Indeed critical study of the Old Testament has at least since Wellhausen been dominated by the Babylonian exile of Judah In 586 BC several factors including the destruction of Jerusalem the cessation of the sacrificial cult and of the monarchy and the experience of the exile began to cause a transformation of Israelite religion which supplied the contours of the larger Judaic framework within which the various forms of Judaism including the early Christian movement developed Given the importance of the exile to the development of Judaism and Christianity even to the present day this volume delves into the conceptions of exile which contributed to that development during the formative period **Exile's Hunter** Kate Rudolph, 2022-03-14 Kenzie will do anything to save her sister even if it means teaming up with a dangerous alien who makes her heart pound Kenzie has crossed the galaxy in search of her abducted sister and she's finally landed on Guerran It's a planet full of criminals and she can trust no one especially not the terrifyingly hot alien named Mad He's as much a criminal as anyone on Guerran And he's her only hope But she isn't sure whether she should kiss him or stab him when his presence makes her heat up with desire Mad can't leave the exile planet Once Kenzie finds Carise the sisters will be long gone There's no future between her and the hunky alien no matter how quickly he steals her heart How can Kenzie walk away when fate has put her in the path of her mate **Exile's Gate** C. J. Cherryh, 1988-01-05 The fourth and final book in the epic Morgaine science fiction saga Morgaine must meet her greatest challenge Gault who is both human and alien and also seeks control of the world and its Gate She will meet the true Gatemaster a mysterious lord with power as great or greater than her own **Biblical Portraits of Exile** Abi Doukhan, 2016-05-26 Exile constitutes one of the most central experiences in the Bible notably in the book of Genesis The question has rarely been asked however as to why exile plays such an important role in the lives of Biblical characters Biblical Portraits of Exile proposes a philosophical reading largely inspired by the philosophy of Emmanuel Levinas of the experience of exile in the book of Genesis Focusing on the 8 central figures of exile Adam Eve Cain the sons of Shem Abraham Rebekah Jacob and the sons of Levy the book draws out the ethical and redemptive implications of exile and thereby paves the way for a renewed description of the human subject one that situates ethics at its very core **Indian Diaspora** Pravin Bhagwan Bhaskar, 2025-01-15 Borders give rise to the line of division the suffering of homelessness and the loss of culture The book masterfully ties together the stories of those who have been uprooted and have endured humiliating experiences abroad as well as the voyage of Indian writers who were dispersed including Jhumpa Lahiri Kiran Desai and

Chitra Banerjee Divakaruni Moreover the book bears witness to the disadvantaged and disgraced migrants refugees and exiles who have used their writing to highlight effectively the concerns related to migration *NIV, Biblical Theology Study Bible* Zondervan,2018-09-04 Marvel at the big story and savor each detail Biblical Theology allows you to ponder the individual stories and themes of Scripture while observing how they all fit together in God's grand biblical narrative It answers the question How has God revealed his word historically and organically Biblical Theology studies the theology of individual biblical books and select collections within the Bible and then traces out themes as they develop across time within the canon With three articles introducing Biblical theology and 25 articles unpacking key themes of Scripture the NIV Biblical Theology Study Bible equips you to follow the progressive unfolding of God's story Helpful introductions to books and sections of the Bible combined with 20,000 verse by verse study notes will guide you to a clearer understanding of every portion of Scripture The NIV Biblical Theology Study Bible is printed in exclusive Zondervan NIV Comfort Print typeface Expertly designed specifically to be used for the New International Version NIV text Comfort Print offers an easier reading experience that complements the most widely read modern English Bible translation Features Complete text of the accurate readable and clear New International Version NIV Previously published as NIV Zondervan Study Bible 28 theologically rich articles by authors such as Tim Keller and Kevin DeYoung 20,000 verse by verse study notes Hundreds of full color photos more than 90 maps and over 60 charts Comprehensive book introductions Over 60 trusted contributors Cross references and the NIV Comprehensive Concordance Single column black letter edition Two ribbon markers Thumb indexed to make finding the books of the Bible easier Leathersoft cover lays flat when open Exclusive Zondervan NIV Comfort Print typeface
