have been propagated through the centuries A seminal work Schweitzer s book brings into focus the social and political currents of Jesus s time to rebut previous authors hypotheses and form an entirely new one of his own A milestone text in its time Schweitzer s book was so dominant that virtually no new scholarly investigations of the historical Jesus were published for decades after its initial release Now more than a century later The Quest of the Historical Jesus remains the standard against which religious academic studies are measured This ebook has been professionally proofread to ensure accuracy and readability on all devices      *A History of the Quests for the Historical Jesus, Volume 1* Colin Brown,Craig A.
