Off Whiteness Izabela Hopkins, 2023-08-18 In *Off Whiteness* Place Blood and Tradition in Post Reconstruction Southern Literature Izabela Hopkins explores the remaking of whiteness in the Post Reconstruction South as represented in literary fiction To focus her study she discusses the writings of four prominent figures Thomas Nelson Page Ellen Glasgow Charles Waddell Chesnutt and Alice Dunbar Nelson who contributed to discussions of racial and social identity during the post Civil War South through poetry journalism essays novels and more *Off Whiteness* draws from both sides of the color line as well as from both the male and female experience to examine the ambivalence of Southern whiteness from three particular vantage points place ideality and repeatability Hopkins develops her analysis across nine chapters divided into three parts In her exploration of these four writers with differing backgrounds and experiences she utilizes both their well known and lesser known texts to argue against the superficial oversimplification that whiteness requires blackness to define itself Hopkins s analysis not only successfully grapples with a wide range of post structural theories it also approaches the significance of language and religion with intention and sensitivity thereby addressing areas that are typically ignored in whiteness studies scholarship The interdisciplinary nature of *Off Whiteness* positions it as an engaging text relevant to the work and interests of scholars drawn to American and Southern history cultural and social studies literary studies etymology and critical race theory

Ladies of Magna Carta Sharon Bennett Connolly, 2020-05-30 An innovative take on Magna Carta history that examines the impact and influence of women 39 No man shall be taken imprisoned outlawed banished or in any way destroyed nor will we proceed against or prosecute him except by the lawful judgment of his peers or by the law of the land This clause in Magna Carta was in response to the appalling imprisonment and starvation of Matilda de Braose the wife of one of King John s barons Matilda was not the only woman who influenced or was influenced by the 1215 Charter of Liberties now known as Magna Carta Women from many of the great families of England were affected by the far reaching legacy of Magna Carta from their experiences in the civil war and as hostages to calling on its use to protect their property and rights as widows *Ladies of Magna Carta* looks into the relationships through marriage and blood of the various noble families and how they were affected by the Barons Wars Magna Carta and its aftermath the bonds that were formed and those that were broken Including the royal families of England and Scotland the Marshals the Warennes the Braoses and more *Ladies of Magna Carta* focuses on the roles played

by the women of the great families whose influences and experiences have reached far beyond the thirteenth century The Premodern Chinese Economy Gang Deng, 2002-01-04 Covering the time span from the Shang to the Qing Periods 1520BC 1911AD Gang Deng examines important factors in the decline of the Chinese economy from medieval sophistication to modern underdevelopment These factors include resource endowments socio economic structure property rights state and bureaucracy ideology and values geo political environment internal rebellions external invasions and conquests The Premodern Chinese Economy is a comprehensive analysis of China s economic history and provides essential background to the study of this country s modern struggle for growth and development Deng s emphasis on comparative analysis offers new insights into the concept of underdevelopment and theories of transitional economics This will become a major reference work in the fields of Chinese studies economic history and development studies London's Disasters John Withington, 2011-11-08 From AD 61 when Queen Boudicca outraged at her treatment at the hands of the Romans marched on the city and burned it to the ground London has been hit by wave upon wave of destruction This fascinating and unique book tells the story of over 2000 years of disaster fire water disease pollution accident storm riot terrorism and enemy action It chronicles well known episodes like the Great Plague of 1665 and the Blitz as well as lesser known events such as whirlwinds and earthquakes This new edition also includes the recent terrorist attack on 7 July 2005 as well as a new section on the crises which have plagued the financial City including the near collapse of Britain s banks during 2008 and 2009 London s Disasters ultimately celebrates the spirit of the people of London who have risen above it all and for whom London is still a great city in which to live and work *Hong Kong, Empire and the Anglo-American Alliance* A. Whitfield, 2016-01-14 The surrender of Hong Kong to the Japanese in December 1941 started the collapse of British power in the Far East Disproportionate to its small size the colony became critical in Britain s battle to retain her Empire Ironically the threat to British sovereignty came not from Japan but her own allies America and China New light is shed on the multi faceted Anglo American relationship the significance of Britain s imperial mentality and China s claim to the colony **The Facemaker** Lindsey Fitzharris, 2022-06-07 A New York Times Bestseller Finalist for the 2022 Kirkus Prize Named a best book of the year by The Guardian Enthralling Harrowing Heartbreaking And utterly redemptive Lindsey Fitzharris hit this one out of the park Erik Larson author of The Splendid and the Vile Lindsey Fitzharris the award winning author of The Butchering Art presents the compelling true story of a visionary surgeon who rebuilt the faces of the First World War s injured heroes and in the process ushered in the modern era of plastic surgery From the moment the first machine gun rang out over the Western Front one thing was clear humankind s military technology had wildly surpassed its medical capabilities Bodies were battered gouged hacked and gassed The First World War claimed millions of lives and left millions more wounded and disfigured In the midst of this brutality however there were also those who strove to alleviate suffering The Facemaker tells the extraordinary story of such an individual the pioneering plastic surgeon Harold Gillies who dedicated himself to

reconstructing the burned and broken faces of the injured soldiers under his care Gillies a Cambridge educated New Zealander became interested in the nascent field of plastic surgery after encountering the human wreckage on the front Returning to Britain he established one of the world s first hospitals dedicated entirely to facial reconstruction There Gillies assembled a unique group of practitioners whose task was to rebuild what had been torn apart to re create what had been destroyed At a time when losing a limb made a soldier a hero but losing a face made him a monster to a society largely intolerant of disfigurement Gillies restored not just the faces of the wounded but also their spirits The Facemaker places Gillies s ingenious surgical innovations alongside the dramatic stories of soldiers whose lives were wrecked and repaired The result is a vivid account of how medicine can be an art and of what courage and imagination can accomplish in the presence of relentless horror
