

THE HITE REPORT

SHERE HITE

A NATIONWIDE STUDY OF FEMALE SEXUALITY

3,000 women, ages 14 to 78, describe in their own words their most intimate feelings about sex including:

- What they like—and don't like
- How orgasm really feels—with and without intercourse
- How it feels not to have an orgasm during sex
- The importance of clitoral stimulation and masturbation
- And, the greatest pleasures and frustrations of their sexual lives

With a new cultural interpretation of female sexuality

The Hite Report:

The Hite Report Shere Hite, 2011-01-04 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author The Hite Report first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions The Hite Report declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire

The Hite Report on Shere Hite Shere Hite, 2000 The ground breaking Hite reports have had a profound and lasting influence on generations of readers countless millions all over the world Hite writes here for the first time about growing up in rural Missouri feminism her love and sex life and why she left America to live in Europe renouncing her US citizenship in 1996 to become German

Sex & Business Shere Hite, 2000 After 15 years researching and interviewing business men and women around the globe Shere Hite world renowned gender specialist now exposes the areas where misunderstandings arise and offers solutions for overcoming gender barriers

The Hite Report Shere Hite, 1987 An analysis of the stages and feelings a woman goes through in the process of falling in love and getting married

The Hite Report Shere Hite, 1976 **The Hite Report** Shere Hite, 1989 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author The Hite Report first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions The Hite Report declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire

The Hite Report on the Family Shere Hite, 1996-04-03 In this major study groundbreaking researcher Shere Hite challenges established views on the family arguing that it is not collapsing as advocates of traditional family values would have us believe but instead shifting from a rigid patriarchal formula to increasingly egalitarian custom tailored variations Revealing and moving reflections on family life Publishers

Weekly The Hite Report on Male Sexuality Shere Hite, 1985-06-12 *The Hite Report on Male Sexuality* Shere Hite, 2026-02-17 Several years after the phenomenal success of *The Hite Report on Female Sexuality* Shere Hite took on this major work on male sexuality Seven thousand men ages thirteen to ninety seven speak openly and with feeling about their fears and secrets their sexual preferences and practices their profoundest joys and disappointments This representation of male sexuality delves into how men feel about their relationships to women and to each other about love monogamy marriage about affairs and sex outside of marriage about growing older about violence and pornography and about the great variety of sexual practices they have or have not experienced Hite s brilliant compilation of quotations from detailed questionnaires is accompanied by her own commentary and proposal of what sex has been in our patriarchal society and what it might yet become This seven year study is a striking portrait of the male psyche and the enormous variety of sexual possibilities in this world In today s regressive political and cultural climate Shere Hite s daring message recenters the raw emotional truth behind the cisgender male experience **The New Hite Report** Shere Hite, 2000 This new report includes previously unpublished data and personal accounts from women in the UK and Commonwealth The original *Hite Report on Female Sexuality* was based on samples of women exclusively in the USA First published in 1976 it explored women s feelings about sex and has had a profound influence on generations of readers In it women between the ages of 14 and 78 described their most intimate feelings and answered questions about orgasm masturbation and their sexual desires This book brings Shere Hite s thinking to a new generation of women and draws conclusions based on up to date and relevant worldwide findings to one of the most probing surveys ever undertaken Report Shere Hite, The Hite Report on Women Loving Women Shere Hite, 2007 In this latest Hite Report Dr Hite examines friendship and work relationships between women She explores various definitions of such friendships what are the limits does it include sex and sets these in their historical societal and family contexts And with high profile media stars very publicly exploring the nature of female friendship and women everywhere questioning its nature Dr Hite s extensively researched findings couldn t be more timely Women as Revolutionary Agents of Change Shere Hite, 1994 Recently published to much acclaim in England these reflective essays by Shere Hite reveal and explore the methodological and philosophical import of the famous Hite Reports on male and female sexuality and love and include extensive excerpts from the reports themselves To read this outstanding distillation of Hite s writings is to see the continuing impact of her prodigious work over two decades to hear her views on the issues facing women as agents of social change and to be taken to the cutting edge of current debates on sexual politics The Shere Hite Reader Shere Hite, 2011-01-04 The *Shere Hite Reader* presents wide ranging analysis on the individual and society from a renowned thinker on psychosexual development The book includes new science in addition to previously published material reflecting Hite s three decades of work probing the roots of human identity through questionnaires and theory For the first time Hite formalizes her thinking on male adolescence that boys feel tortured by the new social role they are forced to

assume at puberty requiring a show of superiority toward females In new detail Hite advances her understanding that sex is political linking the expectation on women to achieve orgasm through coitus with broader patterns of oppression Hite discusses new research on female adolescence challenging the virgin hymen concept and documenting that sexual awakening often precedes puberty Hite also argues that pornography misrepresents male sexuality not to mention female sexuality depicting it as singular and silly instead of full of intriguing nuanced behavior involving the entire body not just the penis The authoritative collection of her work *The Shere Hite Reader* challenges the reader to a new way of seeing *The Hite Report on Love, Passion and Emotional Violence* Shere Hite,1991 A reproduction of the classic text unavailable now for more than a decade with a new introduction by the author *The Hite Report* first published in 1976 was a sexual revolution in six hundred pages To answer sensitive questions dealing with the most intimate details of women s sexuality Hite s innovation was simple she asked women a lot of them everything and published the results One hundred thousand women ages fourteen to seventy eight were asked what they do and don t like about sex how orgasm really feels with and without intercourse how it feels not to have an orgasm during sex the importance of clitoral stimulation and masturbation and to name the greatest pleasures and frustrations of their sexual lives among many other questions *The Hite Report* declares that orgasm is easy and strong for women given the right stimulation that most women have orgasm most easily during masturbation or clitoral stimulation by hand that sex as we define it is a cultural institution not a biological one and that attitudes must change to include the stimulation women desire *Women & Love* Shere Hite,1989 Shere Hite s first two bestselling reports exploded the fictions of human sexuality Now *Women and Love* shatters our outdated notions about relationships love and being a woman today An emotionally gripping chorus of women voicing their innermost feelings about probing questions ***Women and Love*** Shere Hite,1989-09-01 ***The Hite Report on Shere Hite*** ,1996 ***Sexual Honesty*** Shere Hite,1982 *Understanding Female Sexuality* Shere Hite,2000-10 This collection of essays explores the sexual development of girls and young women both physically and emotionally The author analyses female sexuality the cultural influences that have shaped both men s and women s attitudes to sex and the nature of sexual and non sexual relationships
