The Hitopadesa And Peace:

The Hitopadesa and Peace Charles F. Horne, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Hinduism and the Ethics of Warfare in South Asia Kaushik Roy, 2012-10-15 This book challenges the view common among Western scholars that precolonial India lacked a tradition of military philosophy It traces the evolution of theories of warfare in India from the dawn of civilization focusing on the debate between Dharmayuddha Just War and Kutayuddha Unjust War within Hindu philosophy This debate centers around four questions What is war What justifies it How should it be waged And what are its potential repercussions This body of literature provides evidence of the historical evolution of strategic thought in the Indian subcontinent that has heretofore been neglected by modern historians Further it provides a counterpoint to scholarship in political science that engages solely with Western theories in its analysis of independent India s philosophy of warfare Ultimately a better understanding of the legacy of ancient India s strategic theorizing will enable more accurate analysis of modern India s military and nuclear policies *Notes and Queries* ,1879 **Realist Ethics** Valerie Morkevicius, 2018-01-25 Just war thinking and realism are commonly presumed to be in opposition If realists are seen as war mongering pragmatists just war thinkers are seen as na ve at best and pacifistic at worst Just war thought is imagined as speaking truth to power forcing realist decision makers to abide by moral limits governing the ends and means of the use of force Realist Ethics argues that this oversimplification is not only wrong but dangerous Casting just war thought to be the alternative to realism makes just war thinking out to be what it is not and cannot be a mechanism for avoiding war A careful examination of the evolution of just war thinking in the Christian Islamic and Hindu traditions shows that it is no stranger to pragmatic politics From its origins just war thought has not aimed to curtail violence but rather to shape the morally imaginable uses of force deeming some of them necessary and even obligatory Morkevicius proposes here a radical recasting of the relationship between just war thinking and realism **Notes and Queries: A Medium of Inter-Communication for Literary Men, Artists, Antiquaries, Genealogists, Etc** ,1879 *The Academy and Literature* ,1887 **The Fall of the Indigo Jackal** McComas Taylor, 2012-02-01 Every child growing up in India knows the story of the jackal who fell into the vat of blue dye and discovering the power of his majestic new appearance declared himself king of the forest In spite of his pretenses the jackal eventually betrayed by his own instincts was set upon by the other animals This and many similar narratives are found in the Pa catantra the collection of Sanskrit tales for children compiled by a Jaina monk named P r abhadra in 1199 CE In this book McComas Taylor looks at the discourses that give shape and structure to the fall of the indigo jackal and the other tales within the Pa catantra The work s fictional metasociety of animals kings and laundrymen are divided according to their j ti or

kind This discourse of caste holds that individuals essential natures statuses and social circles are all determined by their birth Taylor applies contemporary critical theory developed by Foucault Bourdieu Barthes and others to show how these ideas are related to other Sanskritic master texts and describes the regime of truth that provides validation for the discourse of division The academy ,1887 **The Consolidated Encyclopedic Library** Orison Swett Marden,1903 *Ancient and Mediaeval India* Mrs. Manning (Charlotte Speir),1869 **The Prism of Just War** Howard M. Hensel,2016-03-03 Through a careful examination of religious and philosophical literature the contributors to the volume analyze compare and assess diverse Western Islamic Hindu and East Asian perspectives concerning the appropriate criteria that should govern the decision to resort to the use of armed force and once that decision is made what constraints should govern the actual conduct of military operations In doing so the volume promotes a better understanding of the various ways in which diverse peoples and societies within the global community approach the question of what constitutes the legitimate use of military force as an instrument of policy in the resolution of conflicts The Consolidated Library Orison Swett Marden,1907 The Fable as Literature H. J. Blackham,2014-01-13 This is a study of a curious and neglected facet of literature in which the author traces the development and the uses of fable in European literature from Aesop and the Greeks to the revival of fable in contemporary fiction This is the first serious study of fable in literature **Ancient and Mediaeval India** Charlotte Manning (formerly Speir.),1869 **Heeren's Works** Arnold Hermann Ludwig Heeren,1846 *Historical Researches Into the Politics, Intercourse, and Trade of the Principal Nations of Antiquity: Indians* Arnold Hermann Ludwig Heeren,1833 **Indians** Arnold Hermann Ludwig Heeren,1833 **Evangelical Christendom** ,1861 Historical researches into the politics, intercourse, and trade of the principal nations of antiquity. Asiatic nations [tr. from vol.1 of Ideen über die Politik, den Verkehr und den Handel der vornehmsten Völker der alten Welt].
