Starting each morning with God is a must Studying the Holy Word and talking to God everyday can change your life I set my alarm atleast 30 minutes early every day to allow time with God Keeping a prayer journal helps me to focus on my prayer crying out to God with an honest heart God longs to hear from us I started writing devotions to help me cope with difficult times and before I knew it I set a goal of 365 Each of these devotions were revealed to me from God as we spent time together every morning and throughout the day I hope these words will bless you as much as they have blessed me

Horsekeeping Roxanne Bok,2011-11-01 Why would successful urbanites used to clean controlled and orderly lives take on the task of restoring a near collapsing empty barn littered with haphazard and decayed fencing pastures deep in standing water and try to turn it into a thriving horse farm Initially motivated only by a city dweller s fantasy and obscure memories of childhood visits to the country Roxanne Bok oversees the reconstruction of a thirty seven stall barn and painstakingly discovers something about both large animals and running a small business Follow an equine novice as she leads her equally na ve family in an eighteen month long adventure of breathing life back into a once great horse farm in rural New England A thoughtfully detailed memoir Roxanne Bok learns it all the hard way from the agony of repeatedly being tossed off a beloved horse to the thrill of winning a blue ribbon For those who love horses the dream of country life or simply the sight of an otherwise urban family on great rural adventure here is a tale that plumbs the full range of human emotions but ends with a deepened love of the land and the extraordinary equine creatures that inhabit it Proceeds from book sales will be donated to support horse rescue charities The Bernice L.
