1220 **The Holy Grail** Justin E. Griffin,2012-10-27 The existence of the Holy Grail has long been debated and many of these debates focus on the intellectualized or psychological aspects of it This work explores the events that gave rise to the legend of the Holy Grail and pays special attention to the texts that form the body of the legend as well as historical facts about the life of Christ the Crusades and the fall from grace of the Knights Templar The book examines the legitimacy of the claims made by several present day believers and also introduces a new theory of multiple grails and the evidence supporting this theory which the author believes answers many of the otherwise unanswered questions surrounding the Holy Grail

The Holy Grail Richard Barber,2004-12-02 The Holy Grail is an image familiar to us all as an almost unattainable infinitely desirable goal The idea has passed into everyday speech and the legends behind it are as current in today s culture as they have ever been And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible What is the truth behind this elusive symbol Here Barber traces the history of the stories surrounding the Holy Grail He describes how through a long series of imaginative transformations the grail has moved from the sphere of romance to religion and in twentieth century popular culture has become an emblem of mysticism and man s highest aspirations intimately linked with the central ritual of the Christian faith The search for the grail has always been described as a quest in this book Barber goes on his own quest brilliantly exploring the richness of the Holy Grail s cultural impact Barber traces the history of legends surrounding the Holy Grail from Chretien de Troyes great romances to the popular bestsellers of the late twentieth century

The Holy Grail Richard W. Barber,2004 In this fascinating work Barber traces the history of the legends surrounding the Holy Grail beginning with Chretien de Troyes s great romances of the 12th century and the medieval Church s religious version of the secular ideal

**The Tree of Life and the Holy Grail** Sylvia Francke,2007 Recent works of fiction and popular history have promoted the idea that the Holy Grail symbolizes a physical bloodline that resulted from a union of Jesus Christ and Mary Magdalene It is claimed by some that this is the secret kept tirelessly by certain esoteric movements for the past two millennia Based on her groundbreaking research Sylvia Francke exposes this notion as a blatant misinterpretation of the mystery traditions that preceded and ran parallel to the birth of Christianity She traces the ancient spiritual paths of knowledge from the Cathars the Knights Templar and the enigmatic Rosicrucians to the work of Rudolf Steiner in the twentieth century Here she concludes is true Grail knowledge the Tree of Life and the Holy Grail itself explained in their metaphysical context She suggests a solution to the mystery of sudden wealth and the strange behavior of B rengrer Sauni re the mysterious priest of Rennes le Ch teau in southern France True Grail knowledge Francke concludes has nothing to do with bloodlines or worldly status rather it is an ancient lifeline to the spiritual origins of creation Its energetic forces radiate

out from the Earth and in from the constellations and planets while interacting with human individuals It represents the key to fulfilling humanity's quest and the next step in human evolution The recent explosion of interest in revisionist Christianity history the shadow Grail prompted Sylvia Francke to revise *The Tree of Life and the Holy Grail* first published in 1996 The result is a completely reworked and expanded book that offers a powerful and convincing refutation of distorted esoteric truths

K. Fleming,2015-12-14 Paradiseor the ordered universe or the cosmosbegan with the discovery of time and its revelation that the universe operates according to universal laws As Earth s people endeavored to live in harmony with these newfound principles Paradise evolved into a religion as well as a science and its truths were meticulously recorded in the myths and symbols that are the archives of preliterate peoples worldwide The Rise and Fall of Paradise follows Paradise from its distant prehistoric beginnings through the many millenniums of its evolution to its destruction in the Fall Though now deemed irretrievably lost enough of the ancient Paradise s scattered symbolism survives to offer an alternative perspective on how life might be lived on this Earth      **The Grail Legend in Modern Literature** John Barry Marino,2004 The Grail legends have in modern times been appropriated by a number of different scholarly schools of thought their approaches are analysed here This study shows how modern including

postmodern adaptations of the Grail legend correspond to trends in the scholarly community and how the legend has been appropriated by competing world views. There are three parallel trends in Grail scholarship and modern adaptations of the legend: controversy over Christian or pagan origins, secularization by way of humanism and esoteric mysticism. These three trends reflect movements in popular culture. Relativism and multiculturalism influence Christian/pagan cultural conflict in the adaptations. Mythographers maintain the legend's appeal in a humanist culture by considering the Grail metaphor rather than material actuality; modern adaptations then transform the Grail from a particularly Christian symbol to one with universal application in an increasingly secular society. Modern esoteric spiritualities allow the Grail actuality with flexible meaning. This study then demonstrates how the Grail legend is transformed and adapted from medieval to modern cultures and continues to evolve today.

JOHN B. MARINO is adjunct instructor, Maryville University and Saint Louis University. *A to Z of the Knights Templar*. Gordon Napier, 2011-10-24. The Knights Templar was the foremost Military Order of the Crusades. In about 1118, these warrior monks were appointed custodians of Temple Mount and defenders of Christian pilgrims in the Holy Land. Endorsed by the Catholic Church in 1129, the Order became a favoured cause across Europe. Templar knights, distinguished by their white mantles with red crosses, constituted some of the most disciplined and efficient fighting units in successive crusades. The expanding Order acquired extensive estates in the West and served as financiers and advisors to the great and good. In the East, the Templars garrisoned cities and castles, helping to sustain the Frankish presence in the Orient for almost two centuries. Support for the Order faded after the final loss of the Holy Land. King Philip IV of France, seizing on the Templars' habitual secrecy, plotted their destruction and confiscation of their assets. Bending the Papacy to his will, he secured the arrest and trial of Templars throughout Christendom on grounds of heresy and diabolical corruption. In France, the Inquisition extracted damning confessions from the arrested brethren. In 1312, under continuing pressure from Philip, Pope Clement V formally disbanded the Order. Two years later, the last Grand Master was burned alive in Paris after renouncing his confession. The Order's suppression amid such sinister circumstances gave rise to myth and speculation, which keeps the Templar name alive to this day. This highly readable and informative A-Z guide is an invaluable reference to the places, people, and themes of the Crusades, the Knights Templars, and their legacy.

*The Stone Puzzle of Rosslyn Chapel*. Filip Coppens, Philip Coppens, 2004. Rosslyn Chapel has fuelled controversy and debate both recently in several best-selling books as well as in past centuries. Revered by Freemasons as a vital part of their history, believed by some to hold evidence of pre-Columbian voyages to America, assumed by others to hold important relics from the Holy Grail to the Head of Christ, the Scottish chapel is a place full of mystery. This book will guide you through the theories, showing and describing where and what is being discussed, what is impossible, what is likely, and what is fact. At the same time, the book will virtually guide you around all enigmatic and important aspects of the chapel. The history of the chapel, its relationship to Freemasonry, and the family behind the scenes, the Sinclairs, is brought to life, incorporating new, forgotten, and often unknown evidence. Finally, the

story is placed in the equally enigmatic landscape surrounding the chapel from Templar commanderies to prehistoric markings from an ancient kingly site to the South to Arthur's Seat directly north from the Chapel before its true significance and meaning is finally unveiled that the Chapel was a medieval stone book of esoteric knowledge written by the Sinclair family one of the most powerful and wealthy families in Scotland chosen patrons of Freemasonry **Snowdonia Folk Tales** Eric Maddern, Sue Mynall, 2015-10-05 North west Wales Old Gwynedd is one of the most mythic parts of Britain and has some stories whose roots go back more than 2 000 years Some like Blodeuwedd the Woman of Flowers feature in the Mabinogion Others like the story of Merlin and the Dragons were written by Geoffrey of Monmouth in the first bestseller of all time after the Bible the History of the Kings of Britain Eric Maddern retells these ancient classics in a fresh contemporary style He also includes lesser known tales from Ynys Môn the island known as Môn Cymru Mother of Wales once the heartland of the Druids like The Story of the Druid Prince and the majestic mountains of Snowdonia Marged Ferch Ifan the Welsh Amazon **A**

**Cultural History of Tarot** Helen Farley, 2009-08-13 The enigmatic and richly illustrative tarot deck reveals a host of strange and iconic images such as The Tower The Wheel of Fortune The Hanged Man and The Fool over which loom the terrifying figures of Death and The Devil The 21 numbered playing cards of tarot have always exerted strong fascination way beyond their original purpose and the multiple resonances of the deck are ubiquitous From T S Eliot and his wicked pack of cards in The Waste Land to the psychic divination of Solitaire in Ian Fleming's Live and Let Die and from the satanic novels of Dennis Wheatley to the deck's adoption by New Age practitioners the cards have in modern times become inseparably connected to the occult They are now viewed as arguably the foremost medium of prophesying and foretelling Yet as the author shows originally the tarot were used as recreational playing cards by the Italian nobility in the Renaissance It was only much later in the 18th and 19th centuries that the deck became associated with esotericism before evolving finally into a diagnostic tool for mind body and spirit This is the first book to explore the remarkably varied ways in which tarot has influenced culture Tracing the changing patterns of the deck's use from game to mysterious oracular device Helen Farley examines tarot's emergence in 15th century Milan and discusses its later associations with astrology kabbalah and the Age of Aquarius

**Covenant** Alan Wilson,Barum Blackett,2007-08-29 British history records that there were tow major migrations form the near east into Britain in antiquity One was the fleet migration form Syria led by Albyne around 1560 BC and the other was the second fleet migration from the Trojan Dardanelles areas in Western Turkey led by Brutus around 504 BC Ancient alphabet inscriptions and other tangible and written records show that the second migration was that of the Ten Tribes of Israel The same ancient Alphabet is found all the way along the British migration routes form Palestine to Assyria through Asia Minor to the Aegean and to Etruscan Italy and Rhaetian Switzerland In Britain the Ten Tribes were known as the Khumry This research began in 1976 some 31 years ago and it has met with nothing but opposition and obstruction Around 1360 BC Moses has the fabulous box called the Ark of the Covenant made This holy box was the national talisman of the Hebrew nation It was revered as the place of the presence of the god Yahweh and the most holy thing belonging to the Hebrew nation Aeries of events that included the Ark being seen as an invincible means of military success and in one disaster being captured by the Philistines ended when King David placed the Ark in the care of the family of Obed Edom and he took the Ark to Jerusalem around 975 BC along with the family of Obed Edom The next King was Solomon and he built a celebrated temple in Jerusalem to house the Ark where annually the high priest entered the holy of holies chamber to serve the divine box Nothing much is said of the Ark until c 790 BC the Judean King Ahaziah attached the Israelite King Jehoash and was totally defeated The victorious Jehoash then went to Jerusalem where he took everything from the palace and everything from the temple and he also took away the family of Obed Edom who are the family mentioned several times in the Bible as guardians of the Ark guardians of the Ark Therefore Jehoash removed the Ark from Jerusalem and took it north

to Samaria Nothing is said in the Biblical record of the Ark being anywhere near Jerusalem after this event in circa 790 BC In 740 736 BC the Judean King Ahaz paid a huge bribe to the Assyrian Emperor Tiglathpileser III to attack King Pekah of Ten Tribe Israel and as a result Israel was totally crushed by the Assyrian army A large number of Israelite nobles and leaders were immediately deported north to areas around Harran from where the patriarch Abraham has begun his migrations In successive campaigns by the Assyrian emperors Shalmaneser IV Sargon II and Sennacherib great numbers of the Israelite nation were deported north and up into the areas north of Harran In 702 BC Sennacherib recorded how he deported 200 120 people in one mass exodus The Assyrian records unmistakably and persistently call the Ten Tribes as the Khumry It is a virtual certainty that these deported Ten Tribes took the Ark with them from Israel Sennacherib was murdered by two of his sons in c 687 BC and civil war Convulsed the Assyrian Empire and as the heir Esarhaddon fought the murders the massed Ten Tribes took the opportunity to move westwards across both the upper branches of the Y shaped Euphrates river as described in the Book of Esdras II They moved slowly and unstoppably through Siasia Minor and the Greeks recorded their migration as that of the Kimmerio Khumry There is a record of the Khumry having the Ark with them on this journey from north of Assyria through Asia Minor and to the Dardanelles Finally around 650 BC the nation split into two and one half migrated to Italy whilst the other half remained in the areas around Byzantium until circa 504 BC when they gathered on the island of Lemnos before sailing to Britain in the fleets An inscribed stone that was found on Lemnos in 1876 and now in the Athens museum that records this gathering and the intent to sail to Britain Either the Ark was taken to Etrurian Italy in circa 650 BC or it remained near the Dardanelles until around 504 BC before being brought into Britain The fact is that the Greal or Holy Greal is simply a record and a comparison would be that the Bible the Koran the American Declaration of Independence or the Two Tablets brought down the mountain by Moses would all be greals Britain is the land of the Holy Greal The search was begun to locate the Ark in Britain and this proved to be relatively straightforward but technically different The persistent ancient legend in the area north of Cardiff is that a great chest lies buried and this chest is guarded by two Cigfrangawr Giant Ravens It is not difficult to perceive that this great chest is the Ark that has two golden Cherubim fearsome dragons figures What emerged was that these had been a direct transfer of culture from Israel to Britain and all across the hills of South Wales there are gigantic mounds and these huge mounds are named and set out in a pattern to mirror the pattern of the major stars in the heavens Then there are several ancient tales that tell of the great plants moving on their orbits and being in conjunction with the main stars of the various constellations The journeys of the planets seen as moving and not fixed stars are tracing out routes that can be followed around the Star t Mound Maps on the ground In short our British ancestors left us clear records of where to go The Ark is at a place where the giant mound marks the start Regulus in Leo the Lion the Judean emblem The ancient place name is The Enclosure of the Ark and the central area is The Place of Worship The top of the large hillock has clearly been molded by the hand of man and satellite photography showed

spoil heaps tumbling down the slopes form a tunnel excavated horizontally to underground chambers Five very ancient drainage systems of the type used in antiquity to drain and keeps chambers dry are clearly evident Amazingly the Above sea Levels readings of satellite photography proved absolutely that the top 60 feet of this low dome shaped hill is a man made construction This is unassailable incontrovertible and absolute scientific proof of the highest order Ground penetrating radar and other methods shows at least two underground chambers and deep reading g electronic metal detection identifies a large non ferrous box of around four feet long and two feet wide This is the precise size of the Ark of the Covenant An approach has been made to the Welsh National Assembly and hopefully something positive will at last be done to restore Khumric British heritage cultures and history      The Holy Grail Malcolm Godwin,1998 The Holy Grain it s origins secrets and meaning revealed      **The Grail Procession** Justin E. Griffin,2004-11-15 By the 12th century European literature was rich with tales of a procession carrying a group of objects closely tied to the Passion of Christ the Holy Grail the lance that pierced Christ s side the sword used to behead John the Baptist and a dish from the Last Supper While legends of the quest for the Holy Grail continue to grip the popular imagination the other relics once closely associated with the Grail legends receive little mention Still the overlooked Grail Hallows as they are called have a rich symbolic history winding through the ages and leading in some surprising directions This exploration of the forgotten relics of the Grail Procession examines the body of evidence hinting at their authenticity and traces their history as symbols from the early days of Christianity to Celtic mythology to the foggy wastelands inhabited by history s outcasts to the suits of the modern tarot The oral histories and a possible sourcebook that informed the earliest known stories are discussed Illustrations and photographs of relevant locations and objects including the cards of the tarot further illuminate the story An appendix gives a timeline of the Hallows history and there is a bibliography and an index      King Arthur's Modern Return Debra N.
