The Holy Innocents:

The Mystery of the Holy Innocents and Other Poems Charles Peguy, 2018-02-28 CHARLES P GUY is the only poet of consequence during the last fifty years in France whose work has failed to arouse the smallest critical interest in this country Compared with Claudel or Val ry to mention two of his contemporaries he has simply fallen flat It almost seems as though the term poetry were out of place or as though and this is perhaps nearer the truth the conception of poetry his work implied placed it outside the pale of contemporary criticism There seems to be nothing for criticism to get its teeth into Everything is plain sailing There is no shell to crack no secret to explore no difficulty of language no impenetrable thought no interplay of images to be unraveled In whatever direction the critic looks whether at the technique the ideas the images of the psychological sphere there is nothing to be done or at any rate nothing worth doing From the Introduction The Holy Innocents Robert Lowell, 1959 An Introduction to the Church of the Holy Innocents, High Beach, [and] the Church of St. Thomas, Upshire. of the twelfth century most children worshipped as saints were the alleged victims of ritual murder by Jews This book considers the formation and transformation of child saints and their cults in the context of popular belief and the history of childhood *Journal of the ...
