Holt, 2004-09-15 Coca Cola Harley Davidson Nike Budweiser Valued by customers more for what they symbolize than for what they do products like these are more than brands they are cultural icons How do managers create brands that resonate so powerfully with consumers Based on extensive historical analyses of some of America's most successful iconic brands including ESPN Mountain Dew Volkswagen Budweiser and Harley Davidson this book presents the first systematic model to explain how brands become icons Douglas B Holt shows how iconic brands create identity myths that through powerful symbolism soothe collective anxieties resulting from acute social change Holt warns that icons can't be built through conventional branding strategies which focus on benefits brand personalities and emotional relationships Instead he calls for a deeper cultural perspective on traditional marketing themes like targeting positioning brand equity and brand loyalty and outlines a

distinctive set of cultural branding principles that will radically alter how companies approach everything from marketing strategy to market research to hiring and training managers Until now Holt shows even the most successful iconic brands have emerged more by intuition and serendipity than by design With *How Brands Become Icons* managers can leverage the principles behind some of the most successful brands of the last half century to build their own iconic brands Douglas B Holt is associate professor of Marketing at Harvard Business School *Harley-Davidson Chronicle* Doug Mitchel,1997
