The Horizontal Lieutenant:

The Horizontal Lieutenant George Wells, 1962 *The Horizontal Lieutenant* Gordon Cotler, 1962 The lieutenant is a baseball player undercover for U S Military Intelligence in Hawaii in 1945 *The Horizontal Lieutenant* , 1962 The lieutenant is a baseball player undercover for U S Military Intelligence in Hawaii in 1945 *A Century in Uniform* Stacy Fowler, Deborah A. Deacon, 2020-01-17 From silents of the early American motion picture era through 21st century films this book offers a decade by decade examination of portrayals of women in the military The full range of genres is explored along with films created by today s military women about their experiences Laws regarding women in the service are analyzed along with discussion of the challenges they have faced in the push for full participation and of the changing societal attitudes through the years *Hollywood's Imperial Wars* Armando José Prats, 2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in *Hollywood s Imperial Wars* The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like *Sands of Iwo Jima* to the rupture of that myth in films such as *The Deer Hunter* *Apocalypse Now* and *Platoon* As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like *American Sniper* that exalt war heroes are marked as much by the failure of the heroic tropes of old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts *The Encyclopedia of Film Composers* Thomas S. Hischak, 2015-04-16 For more than a century original music has been composed for the cinema From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films By the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during Hollywood s Golden Age including Alfred Newman Max Steiner Dimitri Tiomkin and Bernard Herrmann Over the decades other creators

of screen music offered additional memorable scores and some composers such as Henry Mancini Randy Newman and John Williams have become household names The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years In addition to composers from the United States and Great Britain artists from dozens of other countries are also represented A rich resource of movie music history The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores

Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965 Barry Monush, 2003 Applause Books For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that's as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos

Reel Baseball Stephen C. Wood, J. David Pincus, 2003-01-16 Not only are movies and baseball two of America's favorite pastimes they are integral parts of our culture Small wonder that the two frequently merge in Hollywood's use of baseball themes jargon and icons This work on baseball in the movies is organized into four sections examining different aspects of the cultural intersection between film and baseball In the first three sections Baseball in Baseball Films Babe Ruth and the Silver Screen and Baseball in Non Baseball Films essays by scholars in various disciplines cover such topics as symbols the role of family baseball as a facilitator of violence and the American mythos The fourth section consists of interviews with directors such as Ron Shelton and Penny Marshall actors Kevin Costner James Belushi and baseball personnel broadcaster Vin Scully coach Rod Dedeaux who have worked in baseball films

Instructors considering this book for use in a course may request an examination copy here **Film Composers in America** Clifford McCarty, 2000 Film Composers in America is a landmark in the history of film Here renowned film scholar Clifford McCarty has attempted to identify every known composer who wrote background musical scores for films in the United States between 1911 and 1970 With information on roughly 20 000 films the book is an

essential tool for serious students of film and a treasure trove for film fans It spans all types of American films from features shorts cartoons and documentaries to nontheatrical works avant garde films and even trailers Meticulously researched over 45 years the book documents the work of more than 1 500 composers from Robert Abramson to Josiah Zuro including the first to score an American film Walter C Simon It includes not only Hollywood professionals but also many composers of concert music as well as popular music and other genres whose cinematic work has never before been fully catalogued The book also features an index that lets readers quickly find the composer for any American film through 1970 To recover this history much of which was lost or never recorded McCarty corresponded with or interviewed hundreds of composers arrangers orchestrators musical directors and music librarians He also conducted extensive research in the archives of the seven largest film studios Columbia MGM Paramount RKO 20th Century Fox Universal and Warner Bros and wherever possible he based his findings on the most reliable evidence that of the manuscript scores and cue sheets as opposed to less accurate screen credits The result is the definitive guide to the composers and musical scores for the first 60 years of American film

Hollywood Surf and Beach Movies Thomas Lisanti,2015-05-07 Surfers loathed them teenagers flocked to them critics dismissed them producers banked on them surf and beach movies For a short time in the 1960s they were extremely popular with younger audiences mainly because of the shirtless surfer boys and bikini clad beach girls the musical performers and the wild surfing footage This lavishly illustrated filmography details 32 sizzling fun in the sun teenage epics from Gidget to the Beach Party movies with Frankie and Annette to The Sweet Ride plus a few offshoots in the snow Entries include credits plot synopses memorable lines reviews and awards and commentary from such as Aron Kincaid of The Girls on the Beach Susan Hart of The Ghost in the Invisible Bikini Peter Brown of Ride the Wild Surf Chris Noel of Beach Ball and Ed Garner of Beach Blanket Bingo Biographies of actors and leading actresses who made their marks in the genre are included

The Encyclopedia of Hollywood Film Actors Barry Monush,2003-04-01 For

decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos *Combat Death in Contemporary American Culture* Agnieszka Soltysik Monnet,2020-12-16 *Combat Death in Contemporary American Culture* Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination

The Cinema in Flux Lenny Lipton,2021-04-07 The first of its kind this book traces the evolution of motion picture technology in its entirety Beginning with Huygens magic lantern and ending in the current electronic era it explains cinema s scientific foundations and the development of parallel enabling technologies alongside the lives of the innovators Product development issues business and marketplace factors the interaction of aesthetic and technological demands and the patent system all play key roles in the tale The topics are covered sequentially with detailed discussion of the transition from the magic lantern to Edison s invention of the 35mm camera the development of the celluloid cinema and the transition from celluloid to digital Unique and essential reading from a lifetime innovator in the field of cinema technology this engaging and well illustrated book will appeal to anyone interested in the history and science of cinema from movie buffs to academics and members of the motion picture industry **Listen to Jazz!** Melissa Ursula Dawn Goldsmith,2025-06-12 *Listen to Jazz* Exploring a Musical Genre explores jazz as both an American musical genre and a global creative exchange with a focus on 50 must hear musicians composers bands groups albums and songs Rather than focusing on jazz as a solely American genre with a limited set of established jazz greats *Listen to Jazz* explores the diversity of jazz s sounds compositions recordings and

styles A background chapter concisely surveys the genre's sounds concepts performance practices and interactions with the sound recording industry and technological advances in recording The A to Z Must Hear Music entries include recent jazz musicians from around the world jazz musicians and recordings that have been marginalized or overlooked as well as musicians songs and albums that have been recognized already for contributing to the defining aspects of specific jazz styles Chapters on the impact of jazz on popular culture and its legacy as well as a bibliography enhance the historical and analytical content found in many jazz resources This book stands out for its inclusive and comparative listening centered approach often pairing or grouping musicians and recordings in its entries Music concepts such as improvisation syncopation tone color musical structure harmonic and rhythmic patterns and music production techniques are introduced and explained thoroughly making the book accessible to high school and undergraduate students without any previous musical background while still being of interest to jazz aficionados and scholars

Long Ago and Far Away Robert Fyne,2008-05-20 The Second World War was the greatest social political and economic upheaval of the 20th century As a popular Hollywood subject WWII still enthralles viewers six decades after Allied commanders affixed their signatures on the victory document in Tokyo Bay Recreating flag waving charges frontal beachhead assaults commando raids and even home front heroics these motion pictures for better or worse provide the primary learning experience for postwar generations After scrutinizing hundreds of screenplays Robert Fyne has written an in depth study of World War II films analyzing the different storylines points of view and contemporary events found in each In Long Ago and Far Away Hollywood and the Second World War Fyne examines WWII films from 1941 to the present explaining how the content and mood in these productions paralleled national mores and politics Some titles are laudatory even chauvinistic while others are frivolous or sophomoric Biographical screenplays both glorify and damn various leaders Some films bombard viewers with horrific experiences while others such as goofy science fiction titles with their wraiths and flying saucers seem inappropriate Love stories are examined as well as films revealing Japanese prisoner of war deprivations and Nazi concentration camp atrocities From Above and Beyond to Zone Troopers and The Best Years of Our Lives to Flags of Our Fathers this is a compelling look at how filmmakers have dramatized this pivotal period in history For historians movie watchers or social commentators Long Ago and Far Away complete with an elaborate filmography offers new information about Hollywood's diverse interpretations of the Good War
