**Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and

accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

**Understanding Biological Emergencies** Paula Stamps Duston,2024-11-05 This book investigates the links between the main sources of biological emergencies and presents a comprehensive policy framework that seeks to achieve the ultimate goal of biological security The work offers a new interdisciplinary approach to analyse the linkages between the three main sources of biological emergencies intentional attacks natural zoonotic transmission and lab accidents In doing so the text describes the history of using nature to create a weapon focusing on dispersal methods The most important Select Agents for monitoring are described with a special focus on anthrax and smallpox The case studies presented include the use of the Biological Weapons Convention BWC in Iraq and the 2001 anthrax attack in the US The policies that created the emergency preparedness system are analysed and the current system is described in terms of their effectiveness in responding to the COVID 19 pandemic The book concludes with some ideas and specific suggestions for moving from response to risk reduction and prevention This book will be of much interest to students of biosecurity studies public health public policy political science and international relations and to professionals working in the fields of public health public safety medicine nursing and first responders as well as military personnel

**Pandemic Influenza in Fiction** Charles De Paolo,2014-08-11 The influenza pandemic of 1918 1919 the worst widespread outbreak in recorded history claimed an estimated 100 million lives globally Yet only in recent decades has it captured the attention of historians scientists and fiction writers This study surveys influenza research over the last century in original scientific and historical documents and establishes a critical paradigm for the appreciation of influenza fiction Through close readings of 15 imaginative works the author elucidates the contents of and the interaction between the medical and the fictional Coverage extends from Pfeiffer s 1892 bacillus theory to the multidisciplinary effort to isolate the virus 1919 1933 to the reconstruction of the H1N1 viral genome from archival and exhumed RNA 1995 2005 to the emergence of H5N1 and H7N9 avian viruses 1997 2014 This book demonstrates that pandemic fiction has been more than a therapeutic medium for survivors A prodigious resource for the history of medicine it is also a forum for ethical social legal national defense and public health issues

**Faith across the Multiverse** Andy Walsh,2022-10-04 Science is often presented as a set of propositions to affirm On those terms the existence

of God becomes yet another such proposition and all science can offer is a yes or a no Andy Walsh thinks science offers more By enriching our language with new concepts science can help us know God rather than merely know of him This is the pattern established in the Bible the psalmists the prophets the epistle writers they all use language about nature to help us understand God Even Jesus relied on metaphors from the natural world when he wanted to explain the kingdom of God Faith across the Multiverse explores concepts from contemporary science to illuminate scripture and reveal more about the God who has unfurled the multiverse Sections of the book cover metaphors and parables from mathematics physics biology and computer science

**Inside the AIDS Fight** Harry W. Haverkos, M.D., 2025-06-06 Dr Harry W Haverkos had his first encounter with an AIDS patient in 1980 Three years later he challenged the widely accepted belief that the sole cause of AIDS was HIV proposing that factors like nitrite inhalants and cytomegalovirus also played a role in AIDS progression In his investigations of the disease with the CDC s Epidemic Intelligence Service the US Public Health Service and the US Department of Health and Human Services his research allowed for the implementation of preventative measures against the transmission of HIV and AIDS Dr Haverkos work not only achieved medical advancements but also profoundly affected the AIDS pandemic his research and collaborations with other medical professionals impacted health policy medical research legal and judicial perceptions and patient self advocacy This memoir follows Dr Haverkos career and contributions to our modern understanding of the AIDS pandemic In it Dr Haverkos advocates for a broader understanding of AIDS and a nuanced perspective on infectious diseases inviting us to rethink preconceived notions and cultivate a more comprehensive view of this global health challenge
