The Hub 2 The Main Event:

The Main Event Richard O. Davies,2014-04-21 Richard O Davies won Foreword Reviews INDIEFAB Book of the Year Bronze Medal in Sports for The Main Event Boxing in Nevada from the Mining Camps to the Las Vegas Strip Davies book was chosen as one of the best indie books of 2014 As the twentieth century dawned bare knuckle prizefighting was transforming into the popular sport of boxing yet simultaneously it was banned as immoral in many locales Nevada was the first state to legalize it in 1897 solely to stage the Corbett Fitzsimmons world heavyweight championship in Carson City Davies shows that the history of boxing in Nevada is integral to the growth of the sport in America Promoters such as Tex Rickard brought in fighters like Jack Dempsey to the mining towns of Goldfield and Tonopah and presented the Johnson Jeffries Fight of the Century in Reno in 1910 Prizefights sold tickets hotel rooms drinks meals and bets on the outcomes It was boxing before gambling prostitution and easy divorce that first got Nevada called America s Disgrace and the Sin State The Main Event explores how boxing s growth in Nevada relates to the state s role as a social and cultural outlier Starting in the Rat Pack era organized gambling s moguls built arenas outside the Vegas casinos to stage championships more than two hundred from 1960 to the present Tourists and players came to see and bet on historic bouts featuring Sonny Liston Muhammad Ali George Foreman Sugar Ray Leonard Mike Tyson and other legends of the ring From the celebrated referee Mills Lane to the challenge posed by mixed martial arts in contemporary Las Vegas the story of boxing in Nevada is a prism for viewing the sport Davies utilizes primary and secondary sources to analyze how boxing in the Silver State intersects with its tourist economy and libertarian values paying special attention to issues of race class and gender Written in an engaging style that shifts easily between narrative and analysis The Main Event will be essential reading for sports fans and historians everywhere   The Greatest Events in the History of Man Chester Cooper,2024-10-25 The Greatest Events in the History of Man illustrates God s perspective on why we cannot leave God out of human history as our society today tries so hard to do God is our history He is the ultimate explanation for everything that exists fulfilling His purpose for His favorite creation man God will bless the family that centers Him in their hearts Likewise God will also bless the people and country that incorporate Him into its government culture and society as shown in US history There was a time when our public school history books began with In the beginning God created the heavens and the earth The Bible was an important tool for school teachers From a very young age society was exposed to the idea of blessings for doing good and consequences for doing wrong The concept of a Supreme Being meant there was always someone to answer to as well as One from whom all blessings flow Seeds were planted in our society even in those who would not accept the Bible gained from these seeds Today it is in the hearts of every American to make America great Certainly there was a time when this was true and there is an appeal for it to come back This book argues that the way for that to happen is to bring back the Bible principles our nation was founded on God is the reason the people of the United States have the American dream   *Azure for Architects* Ritesh Modi,2019-01-31 Create
