#### Stitch And A Prayer A Memoir Of Faith Amidst War:

A Stitch and a Prayer Phyllis Tickle, 2003 An eloquent memoir from one of today s best loved spiritual writers The Gift of Faith ,2004 An ideal gift for graduation confirmation or similarly significant occasions this small book offers brief reflections on faith that are as meaningful and lasting as those most extraordinary events in life You Should Really Write a Book Regina Brooks, Brenda Lane Richardson, 2024-06-04 This is a terrific guide that clearly explains how to take your own story and turn it into a book that readers can t put down Julie Silver MD Chief Editor of Books at Harvard Health Publications If you ve ever been told that You should really write a book and you ve decided to give it a try this book is for you It hones in on the three key measures necessary for aspiring authors to conceptualize sell and market their memoirs Written especially for those who don't happen to be celebrities You Should Really Write a Book reveals why and how so many relatively unknown memoirists are making a name for themselves With references to more than four hundred books and six memoir categories this is essential reading for anyone wanting to write a commercially viable memoir in today's vastly changing publishing industry. The days are long gone when editors and agents were willing to take on a manuscript simply because it was based on a good idea or even because it was well written With eyes focused on the bottom line they now look for skilled and creative authors with an established audience too Brooks and Richardson use the latest social networking marketing and promotional trends and explain how to conceptualize and strategize campaigns that cause buzz dramatically fueling word of mouth and attracting attention in the publishing world and beyond Full of current examples and in depth analysis this guide explains what sells and why teaches writers to think like publishers and offers guidance on dealing with complicated emotions essential tools for maximizing memoir success **American Book Publishing Record** ,2003 The Publishers Weekly ,2004 The Christian Advocate ,1920 The British Workwoman Out and at Home, 1863 Forthcoming Books Rose Arny, 1996-06 Books in Print ,1983 **Stories of Faith and Courage from** the Home Front Karen H. Whiting, Jocelyn Green, 2012 Stories of Faith and Courage from the Home Front of American Wars captures the fascinating and inspiring history of the heroines and heroes at home from the very foundation of our nation up until the present day The book presents stories of many lesser known figures women children and ordinary citizens as well as well known political figures Each individual s significant legacy of faith and courage impacted by war brings insights into their faith lives and society in which they lived The trials and triumphs represented in this book whether they took place yesterday or years ago point us to timeless truths we can each apply to our own lives God's Word was relevant to them and it is just as relevant to us today A Call to Prayer for a Nation at War White Stone Books, 2003 Prayers to encourage and inspire Americans to stand firm in faith praying for our Nation Into the Battle Jonie Smitley, 2020-10-06 Do you long to know God's heart Do you crave to be special to God Do you want so badly to be called a friend of God the one the Lord loves or the one who has a heart after God s own heart Do wish you could just walk with Jesus Do you wish you had the faith of the

old testament heroes and the new testament disciples Do you feel like you struggle to obey Him in everything He asks Are you afraid of what He might call you to do This book takes you on a journey in fact it takes you on many journeys Through prayer through obedience through war disaster and disease To where God shows up And it is where we least expect to find our King and Savior If you want to see a side of God like never before If you truly want to walk with Jesus Then follow Him into the trenches Follow Him Into the battle War Cries Mark Davidson, 2015-09-17 War Cries is the first ever collection of prayers which reflects the faith experiences of Christians within a military context It comprises 225 formal and informal prayers from the Army Navy and RAF from civilian sources and other nations which are presented in 7 chapters each of which exposes a different aspect of military life The prayers appear in a way that mirrors the military experience beginning with the act of joining up and ending with post conflict reflection. This structuring helps the reader join the recruits in mind and heart at the beginning of their military journey to experience the frustration of training the boredom of life at sea the formality of the parade ground the horrors of battle the traumatic aftermath of war and ultimately the desire for a meaningful peace The collection also includes prayers of service families during times of conflict Compiled by a serving military chaplain Not intended to glorify military service deify the dead or sanitise the horrors of war but rather to reveal something of the realities of Christian military service Will help clergy who have had little exposure to military life to provide homilies and prayers for Remembrance Sunday 8 November in 2015 and other civic occasions Smashing the Gates of the Enemy Taiwo Olusegun Ayeni, 2006-03-01 I was born and raised in Germany After my father s death my mother spent many winters with my husband and I here in Florida During these visits she and I transcribed my father s World War II diaries into German from the old Gabelsberger shorthand which only Mama was able to read Subsequently I translated them into English These diaries fortunately were discovered by my sister Sigrid in the attic upon the sale of the old family home after my father s passing in 1989 She felt Mama and I should translate these books for the family At a later point many friends and acquaintances encouraged me to publish this diary to document his thoughts experiences and innermost feelings from the beginning of his conscripted military service in 1939 through 1946 when he returned home after being released from a French POW labor camp During the latter part of 1946 and into 1947 an epilog describes his daily struggles to return to normalcy the resumption of his teaching career and the search for food to feed his family He describes his touching love for his family as well as his anger and hatred for the insane war and its inept leaders A war he was forced to participate in as an ordinary German soldier Many times he naively commented very unfavorably sometimes using choice words about Hitler the Nazi Party and his superiors a risk if found out could have cost him his life I myself have many memories of the war and its horrors as a little girl without a father spending night after night in a bunker the liberation of our small town by the Americans This has left deep and lasting impressions on me Later on I met a wonderful American with whom I fell in love and married with my father proudly walking me down the aisle This in spite of the resentment he held against Americans for shamefully

turning him over to the French as a forced labor POW I remember his sadness when his little Murschel as he used to call me left for America with his conviction that if he was lucky he may be able to see me only once more during his lifetime However he was able to enjoy many trips to the United States and I with my family visited my parents often in Germany After reading his legacy I knew I have my beloved father s permission to share his writings with others and by doing so honor his memory
