Stock Associate Video , **Digital Video for Teacher Education** Brendan Calandra, Peter J. Rich, 2014-08-07 Digital video use is becoming prevalent in teacher education as a tool to help improve teaching and learning and for assessing effective teaching. Timely and comprehensive, this volume brings together top scholars from multiple disciplines to provide sound theoretical frameworks, research-based support, and clear practical advice on a variety of unique approaches to using digital video in teacher education programs. Part I deals with the use of video for teacher learning. Part II focuses on the role played by those other than teachers in the effective use of digital video in teacher education programs. Part III addresses how to administer video for teacher education. Exploring the complexities of effectively and appropriately integrating digital video into teacher development at various stages, this book is a must-have resource for scholars and professionals in the field.

Video Communications James Wilcox, David Gibson, 2005-01-06 Case studies document how in businesses all across this country people are communicating via videoconferences with broadcast quality reception. The authors detail how the proliferation of IP networks has driven quality improvements and cost savings in **Shoot, Edit, Share** Kirsten Johnson, Jodi Radosh, 2016-09-13 Shoot Edit Share is an interactive, accessible introduction to video production techniques, concepts, and terminology. With the increasing availability of affordable video equipment, many students and professionals need to learn the basics of video production without being overwhelmed by technical details and equipment lists. Covering preproduction, production, editing, in post, and distribution, this book shows you how to produce video quickly and effectively for a range of clients, from commercial firms to community service organizations. Key features include: A companion website including video interviews with professionals that demonstrate and reinforce techniques covered in the book. Service learning exercises that engage readers in real-world learning experiences, encouraging them to interact with their communities and new clients. Clear, easy-to-follow and heavily illustrated guides for all of the equipment and processes that go into video production. Focus on creating stories for a target audience and building convincing and engrossing narrative through videos. A thorough breakdown of all the techniques needed in post-production through editing, well-designed graphics, and quality sound. A best practices guide to viral videos, sharing video content online, and increasing its exposure on social media sites. QR codes throughout the book that when scanned demonstrate video techniques and concepts related to what was read.

Statewide Audiovisual Service ... Catalog Florida. Statewide Audiovisual Service, 1997 The Viral Code: How to Create YouTube Videos That Explode T L Parrington, 2025-01-29 Take your content creation to brand new heights and send your YouTube creator career into the stratosphere with this in-depth look at how to make your videos go viral. *Creating Inclusive Online Communities* Sharla Berry, 2023-07-03 Before the COVID-19 pandemic, online and distance education enrolled over 19 million students in the US. As colleges and universities return to in-person instruction, the number of online courses and programs is poised to grow exponentially. At the same time, institutions of higher education are increasingly more diverse.

racially ethnically and socioeconomically with present and future students having a range of intersectional needs related to their cultural backgrounds gendered experiences and abilities Sharla Berry offers faculty practical strategies for building asynchronous synchronous and blended online courses and programs that are inclusive and engaging for diverse learners Recognizing that community is a complex contextual and constantly shifting concept Sharla Berry opens this book by addressing how to develop an inclusive approach to online teaching that takes into account the experiences and needs of historically marginalized and underrepresented students Covering the affordances and limitations of synchronous and asynchronous teaching as well as hybrid and fully online instruction she outlines different approaches to course design and identifies how to use the myriad functions of learning management systems from collaborative tools to administering tests to engage students and assess their involvement and progress While primarily designed to provide faculty with practical and actionable ideas and strategies this book will also prove useful to those that support faculty in cultivating teaching excellence Administrators instructional designers faculty developers and support staff will gain insight into how to support faculty in developing robust and inclusive online courses This book is a thoughtful and practical resource for anyone involved in the teaching and design of online courses and programs that meet the needs of an increasingly diverse student body in an evolving and multifaceted online environment

Footage, 1991 Writing, Directing, and Producing Documentary Films and Videos, Fourth Edition Alan Rosenthal, 2007-06-26 As Alan Rosenthal states in the preface to this new edition of his acclaimed resource for filmmakers *Writing Directing and Producing Documentary Films and Videos* is a book about storytelling how to tell great and moving stories about fascinating people whether they be villains or heroes In response to technological advances and the growth of the documentary hybrid in the past five years Rosenthal reconsiders how one approaches documentary filmmaking in the twenty first century Simply and clearly he explains how to tackle day to day problems from initial concept through distribution He demonstrates his ideas throughout the book with examples from key filmmakers work New aspects of this fourth edition include a vital new chapter titled *Making Your First Film* and a considerable enlargement of the section for producers *Staying Alive* which includes an extensive discussion of financing marketing festivals and distribution This new edition offers a revised chapter on nonlinear editing more examples of precise and exacting proposals and the addition of a complex budget example with explanation of the budgeting process Discussion of documentary hybrids with suggestions for mastering changes and challenges has also been expanded while the *Family Films* chapter includes updated information that addresses rapid expansion in this genre

The New Social Learning Tony Bingham, Marcia Conner, 2010-09-13 Most business books on social media have focused on using it as a marketing tool Many employers see it as simply a workplace distraction But social media has the potential to revolutionize workplace learning People have always learned best from one another social media enables this to happen unrestricted by physical location and in extraordinarily creative ways *The New Social Learning* is the most authoritative guide available to leveraging these

powerful new technologies Tony Bingham and Marcia Conner explain why social media is the ideal solution to some of the most pressing educational challenges organizations face today such as a widely dispersed workforce and striking differences in learning styles particularly across generations They definitively answer common objections to using social media as a training tool and show how to win over even the most resistant employees Then using examples from a wide range of organizations including Deloitte IBM TELUS and others Bingham and Conner help readers sort through the dizzying array of technological options available and decide when and how to use each one to achieve key strategic goals Social media technologies everything from 140 character microsharing messages to media rich online communities to complete virtual environments and more enable people to connect collaborate and innovate on levels never before dreamed of They make learning dramatically more dynamic stimulating enjoyable and effective This greatly anticipated book helps organizations create a contemporary learning strategy that is as timely as it is transformative *Wizard of Work* Richard
