## Stolen Idols:

**Two Stolen Idols** Frank Lucius Packard, 1927      *Two Stolen Idols* Frank L. Packard, 2019-01-16 FROM the vivid drama of its opening scene to the tense unfolding on its final page this finely fashioned mystery adventure holds the reader in its sway Why did men kill steal weave plot and counterplot because of two small ivory idols Why did they pursue them through storm and ship wreck and why did the possession of one of them nearly wreck life and love for beautiful Verna Lyle A story of rich atmosphere and quick event of intrigue and of bravery of mystery and its unfolding      *Murder in Mussoorie | Stolen Idols, Buried Secrets, and Cold-Blooded Murder | Crime Thriller* Anjali Kaur Sunderaj , 2025-08-08 Arjun Rawat returns to Mussoorie fifteen years after his father was found dead with an idol stolen from the temple Arjun never believed the official story and he s back to reopen a case everyone else has forgotten or wants to forget Teaming up with Shibani a young journalist chasing her own leads Arjun begins pulling at old threads But just as they make progress a new murder strikes and Arjun is arrested as the prime suspect What began as a quiet search for truth turns into a deadly conspiracy With lives at stake pressure mounting and buried secrets rising to the surface Arjun and Shibani must act before there is another Murder in Mussoorie      *Stolen Idols* E. Philipps Oppenheim, 2018-05-23 Reproduction of the original *Stolen Idols* by E Philipps Oppenheim      **Stolen Idols** Edward Phillips Oppenheim, 1932      *Stolen Idols* E Phillips Oppenheim, 2021-02-05 Two temple statues one with the most beautiful of features the other a hideous sight are at the core of this tale of adventure and the supernatural Carved by Chinese craftsmen they have stood to either side of the great Buddha for hundreds of years worshipped and protected by generations of priests Taken together they represent human nature in balance the spiritual with the bestial the Soul with the Body But what if they are separated Ancient legend warns of disaster to anyone who disturbs that balance Young Gregory Ballaston of England however gives no credence to such dire threats when he and a friend set out to steal the idols which are rumored to conceal a treasure in jewels His friend dies in the attempt and one of the idols is presumably stolen by his murderers Gregory nearly loses his own life in the effort but manages to get away with the other idol the bestial Body What will be the outcome for Gregory or the beautiful young woman he meets in China and courts on the journey home with his prize Even before he sets sail for home the idol begins to prey on Gregory Ballaston E Phillips Oppenheim      **Theft of an Idol** Paul R. Brass, 2020-09-01 As collective violence erupts in many regions throughout the world we often hear media reports that link the outbreaks to age old ethnic or religious hostilities thereby freeing the state its agents and its political elites from responsibility Paul Brass encourages us to look more closely at the issues of violence ethnicity and the state by focusing on specific instances of violence in their local contexts and questioning the prevailing interpretations of them Through five case studies of both rural and urban public violence including police public confrontations and Hindu Muslim riots Brass shows how out of many possible interpretations applicable to these incidents government and the media select those that support existing relations of power in state and society Adopting different modes

narrator detective and social scientist Brass treats incidents of collective violence arising initially out of common occurrences such as a drunken brawl the rape of a girl and the theft of an idol and demonstrates how some incidents remain localized while others are fit into broader frameworks of meaning thereby becoming useful for upholders of dominant ideologies Incessant talk about violence and its implications in these circumstances contributes to its persistence rather than its reduction Such treatment serves in fact to mask the causes of violence displace the victims from the center of attention and divert society's gaze from those responsible for its endemic character Brass explains how this process ultimately implicates everyone in the perpetuation of systems of violence
