

The background of the book cover is a dark, atmospheric illustration. It depicts a night scene with a building that has a single, brightly lit window. The light from the window casts a warm glow and creates a reflection on the dark surface in the foreground, which appears to be a body of water or a wet street. The overall mood is mysterious and somber.

*Stolen Away* Max Allan Collins, 1991 Winner of the Shamus Award for Best Novel A 50 000 ransom No police involvement or else These were the demands And this was the crime A man walks into the Lindbergh family home and snatches up twenty month old baby Charles Jr and disappears So begins the kidnapping that shakes the nation Two months of torment shared with reporters and police socialites and psychics crooks and cranks Enter detective Nathan Heller hand picked by Colonel Lindbergh himself to work on the case His search for truth takes him from a train station in Chicago to death row in the New Jersey state prison and finally to a secluded farmhouse in Michigan It s a twisted trail of deception betrayal and danger that ends in the most explosive act of violence Heller has ever seen *The Case That Never Dies* Lloyd Gardner, 2012-06-12

Essential reading for anyone interested in the most famous American crime of the twentieth century Since its original publication in 2004 *The Case That Never Dies* has become the standard account of the Lindbergh Kidnapping Now in a new afterword historian Lloyd C Gardner presents a surprise conclusion based on recently uncovered pieces of evidence that were missing from the initial investigation as well as an evaluation of Charles Lindbergh s role in the search for the kidnappers Out of the controversies surrounding the actions of Colonel Lindbergh Norman Schwarzkopf commander of the New Jersey State Police and FBI director J Edgar Hoover Gardner presents a well reasoned argument for what happened on the night of March 1 1932 *The Case That Never Dies* places the Lindbergh kidnapping investigation and trial in the context of the Depression when many feared the country was on the edge of anarchy Gardner delves deeply into the aspects of the case that remain confusing to this day including Lindbergh s dealings with crime baron Owney Madden Al Capone s New York counterpart as well as the inexplicable exploits of John Condon a retired schoolteacher who became the prosecution s best witness The initial investigation was hampered by Colonel Lindbergh who insisted that the police not attempt to find the perpetrator because he feared the investigation would endanger his son s life He relented only when the child was found dead After two years of fruitless searching Bruno Richard Hauptmann a German immigrant was discovered to have some of the ransom money in his possession Hauptmann was arrested tried and sentenced to death Throughout the book Gardner pays special attention to the evidence of the case and how it was used and misused in the trial Whether Hauptmann was guilty or not Gardner concludes that there was insufficient evidence to convict him of first degree murder Set in historical context the book offers not only a compelling read but a powerful vantage point from which to observe the United States in the 1930s as well as contemporary arguments over capital punishment **The Lindbergh Case** Jim Fisher, 1987 Was Bruno Hauptmann an innocent carpenter or a cold blooded killer **Stolen Away** Michael Newton, 2000 Drawn from fascinating historical records including trial transcripts from the century s first insanity defense this is the gripping account of the gruesome kidnap and murder of a 12 year old girl in 1927 Following a nationwide manhunt no one was prepared for the awful truth that a sadistic monster dwelled within an unlikely suspect **The Ghosts of Hopewell** Jim Fisher, 2006-08 In

this illustrated examination of the Lindbergh kidnapping case Jim Fisher seeks to set the record straight regarding Bruno Hauptmann's guilt in the crime of the century In February 1935 following a sensational six week trial a jury in Flemington New Jersey found German carpenter Hauptmann guilty of kidnapping and murdering the twenty month old son of Charles and Anne Lindbergh Although circumstantial the evidence against Hauptmann the handwriting on the ransom notes the homemade kidnapping ladder Colonel Lindbergh's money found in his garage his matching the description of the man who accepted the ransom payoff in the Bronx cemetery his inability to prove an alibi and his incredible explanation of his possession of the ransom money was overwhelming leaving few to doubt his guilt After a series of appeals and stays Hauptmann died fourteen months later in the electric chair A confession would have spared him the death sentence but Hauptmann chose to die maintaining his innocence It was not until the mid 1970s that revisionists began to challenge the conventional wisdom in the case that Hauptmann was the lone killer Revisionist books and articles appeared as did plays TV shows and a movie all portraying Hauptmann as the victim of a massive police and prosecution frame up At this point the focus shifted from the evidence to the conduct of the police By the 1980s most people familiar with the case were convinced of Hauptmann's complete innocence Many denied the murder believing that the Lindbergh baby remained alive Several men claimed to be the firstborn son of Charles and Anne Lindbergh one of whom sued to claim his share of the Lindbergh estate after Charles Lindbergh's death in 1974 Another group held that the kidnapping was an elaborate hoax to cover up the murder of the baby by his parents Anna Hauptmann's series of federal lawsuits against New Jersey and others in the mid 1980s fueled further interest in the case Although Hauptmann's widow lost all of her lawsuits she had won the hearts and minds of the American people before her death at the age of ninety four Former FBI agent Fisher discusses the hard evidence such as the ransom notes and the wood of the kidnapping ladder He analyzes and debunks the various revisionist theories and presents new evidence that coupled with the undisputed facts prove beyond a reasonable doubt that Hauptmann was guilty as charged he kidnapped and murdered the infant son of Charles and Anne Lindbergh **Lindbergh** Noel Behn, 2017-09-26 Edgar Award Finalist This sensational and absolutely compelling true crime tale finally answers the question Who really killed the Lindbergh baby San Francisco Chronicle On the night of March 1 1932 celebrated aviator Charles Lindbergh's infant son was kidnapped from his New Jersey home The family paid 50 000 to get Little Lindy back but his remains were discovered in a grove of trees four miles from the Lindbergh house More than two years after the abduction Bruno Hauptmann an unemployed carpenter and illegal German immigrant was caught with 20 000 of the ransom money He was arrested tried and executed for the crime But did he really do it New York Times bestselling author Noel Behn spent eight years investigating the case revisiting old evidence discovering new information and shining a bright light on the controversial actions of public figures such as New Jersey Governor Harold Hoffman FBI Director J Edgar Hoover New Jersey State Police Superintendent H Norman Schwarzkopf and Charles Lindbergh himself The result is a fascinating and

convincing new theory of the crime that exonerates Hauptmann and names a killer far closer to the Lindbergh family A finalist for the Edgar Award Lindbergh not only provides answers to the riddles of the Crime of the Century but hurls us into time past to a special moment in American history Peter Maas New York Times bestselling author of Underboss **Capone** Laurence Bergreen,2013-05-21 In this brilliant history of Prohibition and its most notorious gangster acclaimed biographer Laurence Bergreen takes us to the gritty streets of Chicago where Al Capone forged his sinister empire Bergreen shows the seedy and glamorous sides of the age the rise of Prohibition the illicit liquor trade the battlefield that was Chicago Delving beyond the Capone mythology Bergreen finds a paradox a coldblooded killer thief pimp and racketeer who was also a devoted son and father a self styled Robin Hood who rose to the top of organized crime Capone is a masterful portrait of an extraordinary time and of the one man who reigned supreme over it all Al Capone *The Essential Mystery Lists* Roger M Sobin,2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists by more than fifty of the most important contributors to the genre Mr Sobin spent more than two decades gathering the data and lists in this volume much of that time he used to recheck the accuracy of the material he had collected Several of the best of lists appear here for the first time in book form Several others have been unavailable for a number of years Of special note are Anthony Boucher s Best Picks for the Year Boucher one of the major mystery reviewers of all time reviewed for The San Francisco Chronicle Ellery Queen Mystery Magazine and The New York Times From these resources Mr Sobin created Boucher s Best and Important Lists to Consider lists that provide insight into important writing in the field from 1942 through Boucher s death in 1968 This is a great resource for all mystery readers and collectors Winner of the 2008 Macavity Awards for Best Mystery Nonfiction **Reading Programs for Young Adults** Martha Seif Simpson,2015-11-16 School and public libraries often provide programs and activities for children in preschool through the sixth grade but there is little available to young adults For them libraries become a place for work the place to research an assignment or find a book for a report but the thought of the library as a place for enjoyment is lost So how do librarians recapture the interest of teenagers This just might be the answer Here you will find theme based units such as Cartoon Cavalcade Log On at the Library Go in Style Cruising the Mall Space Shots Teens on TV and 44 others that are designed for young adults Each includes a display idea suggestions for local sponsorship of prizes a program game to encourage participation 10 theme related activities curriculum tie in activities sample questions for use in trivia games or scavenger hunts ideas for activity sheets a bibliography of related works and a list of theme related films The units are highly flexible allowing any public or school library to adapt them to their particular needs *Murder in Retrospect* Michael Burgess,Jill H.
