## Stolen Faces:

*Face/On* Sharrona Pearl, 2017-04-12 Are our identities attached to our faces If so what happens when the face connected to the self is gone forever or replaced In *Face On* Sharrona Pearl investigates the stakes for changing the face and the changing stakes for the face in both contemporary society and the sciences The first comprehensive cultural study of face transplant surgery *Face On* reveals our true relationships to faces and facelessness explains the significance we place on facial manipulation and decodes how we understand loss reconstruction and transplantation of the face To achieve this Pearl draws on a vast array of sources bioethical and medical reports newspaper and television coverage performances by pop culture icons hospital records personal interviews films and military files She argues that we are on the cusp of a new ethics in an opportune moment for reframing essentialist ideas about appearance in favor of a more expansive form of interpersonal interaction Accessibly written and respectfully illustrated *Face On* offers a new perspective on face transplant surgery as a way to consider the self and its representation as constantly present and evolving Highly interdisciplinary this study will appeal to anyone wishing to know more about critical interventions into recent medicine makeover culture and the beauty industry

**Stolen Faces** Michael Bishop, 1977 *Deleuze and Horror Film* Anna Powell, 2005-03-24 The horror film analysed from a Deleuzian perspective This book argues that dominant psychoanalytic approaches to horror films neglect the aesthetics of horror Yet cinematic devices such as mise en scene editing and sound are central to the viewer's visceral fear and arousal Using Deleuze's work on art and film Anna Powell argues that film viewing is a form of altered consciousness and the experience of viewing horror film an embodied event The book begins with a critical introduction to the key terms in Deleuzian philosophy and aesthetics These include subjectivity becoming the body without organs molecularity time duration affect movement rhythm space anomaly and schizoanalysis These concepts are then applied to horror films Themes such as insanity sensory response to film the subject object fractured time the body and cinematography are explored in horror films such as *Jacob's Ladder* *Dr Jekyll and Mr Hyde* *Psycho* *Silence of the Lambs* *The Fly* *A Nightmare on Elm Street* *Alien* *Resurrection* *The Others* *The Shining* *Interview with the Vampire* *Bram Stoker's Dracula* and *Nosferatu* Features A substantial new contribution to horror film theory A critical introduction to key terms in Deleuzian philosophy and aesthetics New readings of the classic horror canon and recent films Analysis of horror styles narrative and special effects *Deleuze and Horror Film* was originally published in hardback in March 2005 The paperback edition was published in November 2006

*Anxiety in Mosaic* Ngolle-Metuge Ngolle-Metuge, 2010-10-08 *Anxiety In Mosaic* is a sum up of a man's fears and hopes into a volume of poetry anxieties that span a cross section of the human phenomena of greed in ramifications and the resultant socio political economic and environmental consequences the repercussions of worsted governance feminist ecological emigrational and imperialist concerns presented from the perspective of a philosophical questioning The charm of these thoroughly vocal finely crafted poems not only lie in the quasi compendious multiplicity of subject matter but also in

their creative and innovative re chartings      *Found You* Mary SanGiovanni,2019-11-17 In the town of Lakehaven New Jersey an evil has returned from between dimensions It is looking for vengeance It is looking to destroy body and soul Dave Kohlar and his friend Erik fought an evil like it once before and they were nearly killed trying to defeat it They had hoped that it was over and their lives could be peaceful and happy But this kind is different it is hungrier it is angry and it is very very strong With loved ones falling prey to its all encompassing hate Dave and Erik and some new friends look to close the door on it for good      *533 Days* Cees Nooteboom,2022-04-05 The noted Dutch poet and novelist Cees Nooteboom reflects upon the life of the mind through a reexamination of books music art travel and gardening Though a tireless explorer of distant cultures for more than forty years Cees Nooteboom has also been returning to Menorca the island of the wind It is in his house there with a study full of books and a garden taken over by cacti and many insects that the 533 days of writing take place The result is not a diary nor a set of movements of the soul organized by dates but a book of days with observations about what is immediately around him his love for Menorca his thoughts on the world on life and death on literature and oblivion Every impression opens windows onto vast horizons the Divine Comedy and the books it generated Borges contempt for Gombrowicz the death of David Bowie the endless flight of the Voyagers the repetition of history as a tragedy but never as farce *533 Days* is a meditative rhapsody that would like to exclude the noise of current events yet must return to them several times and skeptically contemplates the threat of a disintegrating Europe Reading these pages is like having a conversation with an extraordinary mind      **Collision of Realities** Lars Schmeink,Astrid Böger,2012-05-29 Even though the fantastic in its most inclusive definition has been a part of our culture for as long as it exists it has not been a prominent feature of European academic interest With its inherent transgressive moment the fantastic allows for an ideal space of the cultural negotiation of political social and physical boundaries which should place it at the center of popular cultural research not as is the case at its periphery But the commencing boom of fantastic themes in contemporary media production has facilitated a paradigmatic change in research prompting a wide interest in the fantastic in all its forms from fantasy to horror from fairy tale to science fiction This volume addresses this growing interest by reviewing the status of research on the fantastic in Europe so far and by providing a necessary outlook for the future In the essays current trends such as the liminality debate as well as established discourses as for example on genre theory are brought together to show interested researchers a network of interdisciplinary from literary media and social studies approaches towards the fantastic      **The Encyclopedia of Superheroes on Film and Television, 2d ed.** John Kenneth Muir,2008-08-21 It s a bird It s a plane It s a complete guide to over 50 years of superheroes on screen This expanded and updated edition of the 2004 award winning encyclopedia covers important developments in the popular genre adds new shows such as *Heroes* and *Zoom* includes the latest films featuring icons like Superman Spiderman and Batman and covers even more types of superheroes Each entry includes a detailed history cast and credits episode and film descriptions critical commentaries and data on arch villains

gadgets comic book origins and super powers while placing each production into its historical context Appendices list common superhero conventions and clichés memorable ad lines and the best worst and most influential productions from 1951 to 2008      *Science Fiction Television Series* Mark Phillips, Frank Garcia, 2014-05-12 Whether rocketing to other worlds or galloping through time science fiction television has often featured the best of the medium The genre's broad appeal allows youngsters to enjoy fantastic premises and far out stories while offering adults a sublime way to view the human experience in a dramatic perspective From *Alien Nation* to *World of Giants* this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989 For each episode a brief synopsis is given along with the writer and director of the show and the guest cast Using extensive research and interviews with writers directors actors stuntmen and many of the show's creators an essay about each of the shows is also provided covering such issues as its genesis and its network and syndication histories

**Illusionary** Zoraida Córdova, 2021-05-11 In this thrilling adventure our magical heroine embarks on a dangerous journey in order to bring justice to the kingdom perfect for fans of Sabaa Tahir and Sarah J Maas Reeling from betrayal at the hands of the Whispers Renata Convida is a girl on the run With few options and fewer allies she's reluctantly joined forces with none other than Prince Castian her most infuriating and intriguing enemy They're united by lofty goals find the fabled Knife of Memory kill the ruthless King Fernando and bring peace to the nation Together Ren and Castian have a chance to save everything if only they can set aside their complex and intense feelings for each other With the king's forces on their heels at every turn their quest across Puerto Leones and beyond leaves little room for mistakes But the greatest danger is within Ren The Gray her fortress of stolen memories has begun to crumble threatening her grip on reality She'll have to control her magics and her mind to unlock her power and protect the Moria people once and for all For years she was wielded as weapon Now it's her time to fight back      **World Weavers** Sam Gayton, 2023-03-02 Nominated for the Carnegie Medal for Writing There are other ways to be mighty you know Not just world weaving We got all sorts of other powers ones that are just as magic Slower surer ways to change what's around us I'm talking about kindness I'm talking about love That's what Ma was strong in Hush Quiet is a girl with an infinite baseball cap and certain views on love and kindness Her sister Matilda carries around a shotgun full of bees and doesn't need much excuse to fire it Hush and Matilda have been hiding out in a pocket world ever since the war started Ever since Dustbowl fell Ever since what happened to Ma But when a boy with no memory crosses into their reality the sisters must confront their past each other and the intoxicating power that has torn their lives apart the power known as worldweaving      *Terence Fisher* Peter Hutchings, 2017-06-01 Terence Fisher is best known as the director who made most of the classic Hammer horrors including *The Curse of Frankenstein* *Dracula* and *The Devil Rides Out* But there is more to Terence Fisher than Hammer horror In a busy twenty five year career he directed fifty films not just horrors but also thrillers comedies melodramas and science fiction This book offers an appreciation of all of Fisher's films

and also gives a sense of his place in British film history Looking at Fisher s career as a whole not only underlines his importance as a film maker but also casts a new interesting light on the areas in which he worked Gainsborough melodrama the 1950s B film 1960s science fiction and of course Hammer one of the most successful independent film companies in the history of British cinema
