Atkinson,2020-10-15 What does it mean to see time in the visual arts and how does art reveal the nature of time Paul Atkinson investigates these questions through the work of the French philosopher Henri Bergson whose theory of time as duration made him one of the most prominent thinkers of the fin de si cle Although Bergson never enunciated an aesthetic theory and did not explicitly write on the visual arts his philosophy gestures towards a play of sensual differences that is central to aesthetics This book rethinks Bergson s philosophy in terms of aesthetics and provides a fascinating and original account of how Bergsonian ideas aid in understanding time and dynamism in the visual arts From an examination of Bergson s influence on the visual arts to a reconsideration of the relationship between aesthetics and metaphysics Henri Bergson and Visual Culture explores what it means to reconceptualise the visual arts in terms of duration Atkinson revisits four key themes in Bergson s work duration time and the continuous gesture the ramification of life and durational difference and reveals Bergsonian aesthetics of duration through the application of these themes to a number of 19th and 20th century artworks This book introduces readers and art lovers to the work of Bergson and contributes to Bergsonian scholarship as well as presenting a new of understanding the relationship between art and time *School of Music, Theatre & Dance (University of Michigan) Publications* University of Michigan. Blast Paul Edwards,2018-12-20 This title was first published in 2000 Founded in 1914 by Wyndham Lewis and christened by Ezra Pound the Vorticism movement was a sustained act of aggression against the moribund Victorianism seen as stifling to artistic energies Inspired by the example of F T Marinetti and the Futurists the Vorticists were nevertheless harshly critical of the Futurists naive enthusiasm for modernity They created their own style of geometric abstraction to celebrate the new consciousness of humanity in a mechanized urban environment But their splintered and discordant style

also measured the cost of the psychic disruption that modernity caused This illustrated guide to the movement covers topics including sculpture painting literary Vorticism women in Vorticism and Vorticist aesthetics *Kellanved's Reach* Ian C. Esslemont,2019-04-02 The conclusion to Ian C Esslemont s epic fantasy Path to Ascendancy trilogy a prequel story set in the New York Times bestselling Malazan Empire series co created by Steven Erikson The incessant war between the bickering city states of Quon Tali rages So engrossed are the warring lords and princes in their own petty feuds that few notice that an upstart mage from Dal Hon has gained control of the southern seas Kellanved could not care less about any of this petty politicking or strategy or war Something other and altogether more mysterious has caught his attention and he together with a reluctant and his decidedly skeptical friend Dancer traverse continents and journey through the Realms But this ancient mystery that has so captivated Kellanved is neither esoteric nor ephemeral It involves the Elder races themselves and more alarmingly the semi mythic Army of Dust and Bone Surely no one in their right mind would be so foolish as to embark on a journey from which none have returned Well no one except Kellanved Path to Ascendancy 1 Dancer s Lament 2 Deadhouse Landing 3 Kellanved s Reach **Spiritual and Corporeal Selves in India** Carmen Escobedo de Tapia,Alejandra Moreno-Álvarez,2020-08-24 This volume offers a number of images of contemporary India where glocalization is undoubtedly present The twelve chapters included here provide different perspectives on the relationship between the corporeal and the spiritual highlighting the union of both soul and body which has been present from the very beginning of the Indian civilization This volume offers clues to understand the differences and similarities that characterise the East West encounter through artistic representations in the era of globalisation It also enhances the importance of re inscribing the fusion of the spiritual and the corporeal into the academic research agenda In Western theory the body has been arguably dismembered and separated from the spiritual As such this text opens up a range of possibilities to tackle and debunk the dualism of both the corporeal and the spiritual suggesting a rupture of the logic of binary thinking The contributors specifically focus on Indian culture and analyse how we can empirically and theoretically reconcile mind and body in order to promote active and reciprocal exchanges among educators students researchers social activists and those professionally and spiritually engaged with Indian studies **Memoir of Gaudier-Brzeska** Ezra Pound,1970 Ezra Pound s book on the French sculptor Henri Gaudier Brzeska was first published in 1916 An enlarged edition including thirty pages of illustrations sculpture and drawings as well as Pound s later pieces on Gaudier was brought out in 1970 and is now re issued as an ND Paperbook The memoir is valuable both for the history of modern art and for what it shows us of Pound himself his ability to recognize genius in others and then to publicize it effectively Would there today be a Salle Gaudier Brzeska in the Musée de L Art Moderne in Paris if Pound had not championed him Gaudier s talent was impressive and his Vorticist aesthetic important as theory but he was killed in World War I at the age of twenty three leaving only a small body of work Pound knew Gaudier in London where the young artist had come with his companion the Polish born Sophie Brzeska whose name he added to his

own They were living in poverty when Pound bought Gaudier the stone from which the famous hieratic head of the poet was made Pound arranged exhibitions and for the publication of Gaudier s manifestoes in Blast and The Egoist And he wrote and sent packages to him in the trenches where Gaudier a sculptor to the last carved a madonna and child from the butt of a captured German rifle just two days before he died
