Stonehenge ... a Closer Look Bonnie Gaunt,1980-09 The Way of the Rune Jayme Cook,2005-05 I have years of experience in working with Runes I find them a very accurate and refreshing tool in doing psychic readings This book will teach you the ancient craft of reading rune stones Their history meanings names symbols and uses There is also a step by step guide on easily making your own personal stones and learning to use them as a tool in psychic readings **NASA, Nazis & JFK** Kenn Thomas,William Torbitt,1996 In 1970 a photocopied manuscript began circulating among conspiracy researchers entitled Nomenclature of an Assassination Cabal by William Torbitt a pseudonym The Torbitt Document was a damning expose of J Edgar Hoover Lyndon Johnson John Connally and Werner von Braun among many others for their role in the assassination of President John F Kennedy This first published edition of the Torbitt Document emphasizes what the manuscript says about the link between Operation Paperclip Nazi scientists working for NASA the Defence Industrial Security Command DISC the assassination of JFK and the secret Nevada air base known as Area 51 The Torbitt Document illuminates the darker side of NASA the Military Industrial Complex and the connections to Mercury Nevada and the Area 51 complex which headquarters the secret space programme Stonehenge - A New Understanding Mike Parker Pearson,2014-03-25 Stonehenge stands as an enduring link to our prehistoric ancestors yet the secrets it has guarded for thousands of years have long eluded us Until now the millions of enthusiasts who flock to the iconic site have made do with mere speculation about Stonehenge s celestial significance human sacrifice and even aliens and druids One would think that the numerous research expeditions at Stonehenge had left no stone unturned Yet before the Stonehenge Riverside Project a hugely ambitious seven year dig by today s top archaeologists all previous digs combined had only investigated a fraction of the monument and many records from those earlier expeditions are either inaccurate or incomplete Stonehenge A New Understanding rewrites the story From 2003 to 2009 author Mike Parker Pearson led the Stonehenge Riverside Project the most comprehensive excavation ever conducted around Stonehenge The project unearthed a wealth of fresh evidence that had gone untouched since prehistory Parker Pearson uses that evidence to present a paradigm shifting theory of the true significance that Stonehenge held for its builders and mines his field notes to give you a you are there view of the dirt drama and thrilling discoveries of this history changing archaeological dig *How Antigravity Built the Pyramids* Nick Redfern,2025-09-12 Discover the Lost Secrets of the Ancients and the Time When Stones Floated High over Egypt Throughout history folklore and mystery tales have circulated of massive stones being moved through the air effortlessly by sound Bizarre Well yes it is That doesn t take away the fact that sound was and still remains the key to the construction of the pyramids of Egypt Stonehenge the stone figures of Easter Island and the massive stones at Baalbek Lebanon Were they the work of ancient humans or of equally ancient extraterrestrials *How Antigravity Built the Pyramids* delves into specific stories and theories A 9th century story of a mysterious papyrus with the power to move large stones at the Giza Necropolis

The Mayan story of the construction of the Pyramid of the Magician said to be overseen by a small humanoid who could whistle large stones into place Native American stories of ancient priests being able to make stones light to move easily Author Nick Redfern argues it was not literally music and whistling that somehow raised large stones but both have one thing in common sound Acoustics Almost certainly acoustic levitation was at the heart of these incredible feats The truth of the science behind acoustic levitation was lost and forgotten for ages with little more left than fanciful tales of music whistles a curious papyrus and strange metal rods that could achieve incredible feats in the air Today we are finally starting to get a grasp on this incredible technology a technology that may have been the work of ancient humans aliens from faraway worlds or perhaps a combination of the two

[Stonehenge](#) Mike Parker Pearson, 2012-06-07 Our knowledge about Stonehenge has changed dramatically as a result of the Stonehenge Riverside Project 2003-2009 led by Mike Parker Pearson and included not only Stonehenge itself but also the nearby great henge enclosure of Durrington Walls This book is about the people who built Stonehenge and its relationship to the surrounding landscape The book explores the theory that the people of Durrington Walls built both Stonehenge and Durrington Walls and that the choice of stone for

constructing Stonehenge has a significance so far undiscovered namely that stone was used for monuments to the dead Through years of thorough and extensive work at the site Parker Pearson and his team unearthed evidence of the Neolithic inhabitants and builders which connected the settlement at Durrington Walls with the henge and contextualised Stonehenge within the larger site complex linked by the River Avon as well as in terms of its relationship with the rest of the British Isles Parker Pearson's book changes the way that we think about Stonehenge correcting previously erroneous chronology and dating filling in gaps in our knowledge about its people and how they lived identifying a previously unknown type of Neolithic building discovering Bluestonehenge a circle of 25 blue stones from western Wales and confirming what started as a hypothesis that Stonehenge was a place of the dead through more than 64 cremation burials unearthed there which span the monument's use during the third millennium BC In lively and engaging prose Parker Pearson brings to life the imposing ancient monument that continues to hold a fascination for everyone The Return of the Serpents of Wisdom Mark Amaru Pinkham, 1997-09 According to ancient records the patriarchs and founders of the early civilisations in Egypt India China Peru Mesopotamia Britain and the Americas were colonised by the Serpents of Wisdom who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon these Serpents of Wisdom oversaw the construction of magnificent civilisations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions This book recounts the history of these Serpents and why they are returning now Beginnings Bonnie Gaunt, 1999-12 Researcher Bonnie Gaunt's continues the line of research begun by John Michell into the geometric design of Stonehenge the Great Pyramid and the Golden Proportions Chapters in this book cover the following topics the amazing number 144 and the numbers in the design of the New Jerusalem the Great Pyramid Stonehenge and Solomon's Temple display a common design that reveals the work of a Master Designer the amazing location of Bethlehem how the process of photosynthesis reveals the sacred design while transforming light into organic substance how the Bible's number code gematria reveals a sacred design more **The World's Sixteen Crucified Saviors** Kersey Graves, 2001-09 The World's Sixteen Crucified Saviors has been out of print but sought after for many years A small part of it was reprinted in The Book Your Church Doesn't Want You to Read in 1994 Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins then arose from the dead
