

GEMSTONE MEANINGS: The Symbolism of Your Jewels

Amethyst

The ancient Greeks associated amethyst with the wine god known as Bacchus and thought that possession of the gem could stop drunkenness. Some also believe that the amethyst gemstone could make the owner calm and astute. Amethyst is the birthstone of February.

Aquamarine

When it comes to the symbolism of aquamarine, many associate this gem with courage, good health, and more. Aquamarine accompanies bloodstone as the birthstones of March.

Emerald

Legend has it that emeralds were presented as a gift to King Solomon, inextricably linking the gems to royalty and wealth. Emerald gems are also tied to spring, romance, hope, rebirth, and the goddess Venus. Emerald accompanies agate the birthstones of May.

Garnet

Similar to aquamarine, many use garnets to protect themselves during travel. Garnet is also associated with light, work, and much more. Garnet is the birthstone of January.

Peridot

This popular stone with plenty of meaning dates back to the Egyptians. They believed that the peridot stone could keep them safe against nightmares. Additionally, many believe that the peridot exudes good luck, health, quality sleep, and a boost of courage. Peridot accompanies spinel as the birthstones of August.

Ruby

Centuries ago, people believed that rubies would grant them good health, wealth, knowledge, and love. If one possesses a ruby gemstone, they could also reach peace and safety. Ruby is the birthstone of July.

Sapphire

Sapphires are one of the four precious stones (along with rubies, emeralds, and diamonds), and the radiant blue gem has a history with fidelity, which is why it's common in engagement rings—to denote an act of loyalty. Sapphire is the birthstone of September.

Turquoise

Some envision that keeping a turquoise gem will protect them from any evil energy. Turquoise gems can also represent serenity, wisdom, hope, and more. Turquoise accompanies zircon and tanzanite as the birthstones of December.

Tourmaline

Many believe this gem will inspire calmness, promote meditation, bring positivity, and more. These reasons, along with many more, are why tourmaline is known as the "receptive stone." Tourmaline accompanies opal as the birthstones of October.

Stones In Symbolic Mythology
