Stonor Eagles:

The Stonor Eagles William Horwood,1990-10 The Willows and Beyond William Horwood,2025-06-25 This stunning continuation by William Horwood follows the further adventures of the four most beloved characters in English literature In this new tale we find the loyal companions approaching the autumn of their lives reflecting on their many escapades and preparing to hand over River Bank to the next generation When the future of the home they know and love suddenly comes under threat all of the creatures young and old must rally together Enriched once again by the outstanding illustrations of Patrick Benson *The Willows and Beyond* is another captivating story for audiences and imaginations everywhere *The Willows in Winter* William Horwood,1996-11-15 The further escapades of four animal friends who live along a river in the English countryside Toad Mole Rat and Badger **Toad Triumphant** William Horwood,2014-12-23 This stunning sequel follows the further adventures of four of the most beloved characters in English literature loyal Mole resourceful Water Rat stern but wise Badger and of course capricious irresistible Toad In this new tale the comfortable bachelor world of the River Bank is thrown into turmoil by the arrival of a formidable female character who seems to win Toad s heart Recognizing the familiar danger signals his long suffering companions must do all that they can to save the infatuated Toad from himself Enriched once again by the delightful illustrations of Patrick Benson *Toad Triumphant* by William Horwood is another captivating tale for audiences and imaginations everywhere *Amon Hen* ,1980 **Love for the Future** David Osborne,2013-06-14 Climate change pollution and diminishing resources mean that the future will be difficult for life on earth We need the courage to face up to what is happening the determination to work at the problems and the freedom to let go of the old ways of living which are causing such damage to the earth David Osborne tells of a long pilgrimage on foot to the island of Iona an ancient centre of Celtic Christianity and draws on the Bible the Christian tradition and other sources of wisdom to suggest the qualities we need to develop in ourselves for the journey we face into the future **The Fantasy Literature of England** Colin N. Manlove,2020-05-11 In this the first book on English fantasy Colin Manlove shows that for all its immense diversity English fantasy can best be understood in terms of its strong national character rather than as an international genre Showing its development from Beowulf to Blake the author describes English fantasy s modern growth through secondary world metaphysical emotive comic subversive and children s fantasy In them all England has led the world with authors as different as Chaucer Lewis Carroll J R R Tolkien and Salman Rushdie **The Willows at Christmas** William Horwood,2014-12-09 The fourth enchanting addition to Kenneth Grahame s classic *The Wind in the Willows* with the delightful illustrations of Patrick Benson The twelve days of Christmas are fast approaching and Mole is planning to enjoy every one of them with his River Bank friends So when the normally cheerful Toad despairs at the arrival of Mrs Ffleshe an impossibly rude houseguest who every year sets out to protect Toad from overindulgence Mole must do something about it But the plan he hatches with Ratty Badger and Otter goes horribly wrong With the prospect of spending Christmas in jail

Mole will have to work hard if he is to salvage some Christmas spirit for his friends The Willows at Christmas is the crowning achievement of William Horwood s enchanting sequels to Kenneth Grahame s The Wind in the Willows The new story is set just after the original but before Horwood s critically acclaimed The Willows in Winter It will give pleasure to the countless readers around the world who have reveled in each new work Merry Christmas Lovers of The Wind in the Willows will feel at home and will laugh a lot with sheer pleasure The Times **Jack , Narratology beyond the Human** David

Herman,2018-03-01 Showing how questions of narrative bear on ideas of species difference and assumptions about animal minds Narratology beyond the Human underscores our inextricable interconnectedness with other forms of creatural life and suggests that stories can be used to resituate imaginaries of human action in a more than human world **The A to Z of**

Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **St. James Guide to Fantasy Writers**

David Pringle,1996 Concise discussions of the lives and principal works of writers of various forms of fantasy including heroic fantasy sword and sorcery humorous fantasy adult fairy tales and fables and children s fantasies still popular with adults

Written by subject experts *Historical Dictionary of Fantasy Literature* Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy

literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

Cognitive Literary Science Michael Burke, Emily Troscianko, 2017 This book brings together researchers with cognitive scientific and literary backgrounds to present innovative research in all three variations on the possible interactions between literary studies and cognitive science The tripartite structure of the volume reflects a more ambitious conception of what cognitive approaches to literature are and could be than is usually encountered and thus aims both to map out and to advance the field The first section corresponds to what most people think of as cognitive poetics or cognitive literary studies the study of literature by literary scholars drawing on cognitive scientific methods findings and or debates to yield insights into literature The second section demonstrates that literary scholars needn't only make use of cognitive science to study literature but can also in a reciprocally interdisciplinary manner use a cognitively informed perspective on literature to offer benefits back to the cognitive sciences Finally the third section literature in cognitive science showcases some of the ways in which literature can be a stimulating object of study and a fertile testing ground for theories and models not only to literary scholars but also to cognitive scientists who here engage with some key questions in cognitive literary studies with the benefit of their in depth scientific knowledge and training
