Stony Ground One Teachers Fight Against Juvenile Crime:

Stony Ground Linda Williams Post,1994 Records a teacher s efforts to reach trouble prone students with a program emphasizing self respect life skills and relevant literature **Youth Violence** I. M. Rachia,1999 This bibliography comprises a selection of Library of Congress catalog records for some 1 500 books periodicals and websites related to youth violence Anyone wanting such a bibliography could probably compile it from the Library of Congress web site and the deficiencies in conception and design of this product defy understanding A brief preface sounds an alarm no one should be surprised that youth violence lurks behind every school house door but sets forth no criteria for selection of citations no indication of time frame purpose or audience Entries are arranged alphabetically by title within chapters on school violence guns and youth gangs campus violence dating and violence and periodicals and Web sites Unforgivably primitive alphabetic sorting puts all titles beginning with The together the same with other articles and in addition those titles are indexed together Though the title indicates the presence of abstracts there are none except the summaries supplied by Library of Congress for juvenile titles of which there are many Cross referencing and indexing except by title are absent The compiler s credentials motivation and orientation are not cited Furthermore with better design the contents would have consumed half the number of pages and a few typeface variations would have eased scanning Annotation copyrighted by Book News Inc Portland OR

Miller,2013-10-10 This book explores how Christian spirituality and the political ethic of Christianity s founder Jesus of Nazareth might contribute to the most looming emergency of our day ending human misery while reducing the planet s woes It advances the new ethical paradigm of sustainability that bespeaks the longings of this remarkable Jewish peasant who elbowed his way into a world filled with social misery shame and land exploitation Donning the mantle of a

prophet lawgiver he disgraced the justifying ethic of the prevailing Roman oligarchies that finds its active counterpart in today's political landscape. He offered a different political path a Progressive one that led to respecting Creation and all its inhabitants. Jesus helps us to cherish humane values and he urges us all Democrats and Republicans Independents and Greens religious and nonreligious to be united in fulfilling them. Jesus Goes to Washington celebrates the international Earth Charter the most significant moral document of our generation. Given the urgency of world calamity the charter implores us to muster every spiritual force at our disposal for immediate action. Being history's most influential moral authority Jesus provides the needed impetus for achieving a just and sustainable global society. *Educational Times*, 1925 *The Sunday School Teachers Magazine*, and *Journal of Education* Edward Butt, 1852 **Historical Encyclopedia of Illinois** David McCulloch, Charles Josiah Scofield, 1902 **Historical Encyclopedia of Illinois** Newton Bateman, Paul Selby, 1902 **Resources in Education**, 2000-10 **The North Carolina Teacher**, 1924 **Youth's Companion**, 1898 **The Churchman**, 1877 **The Massachusetts Teacher**, 1849
