## **Stop Cold Calling Forever:**

**Stop Cold Calling Forever** Anthony Parinello, 2004-09-01 One of today's most innovative sales trainers reveals how to be a consistent top producer while avoiding the dreaded cold call. It's time to hang up on cold calling, asserts Tony Parinello. The renowned sales trainer introduces proven tools and techniques that make such telephone torture unnecessary, teaching sales professionals how to master a powerful four-step process he calls Identify-Contact-Present-Sell to reel in new clients. Parinello's approaches will work for anyone who loves to sell but hates the grind of smiling and dialing. Instead, he explains how to identify and contact the very ripest prospects in far less time than via cold calling. Reap in much more business from current customers without ever pestering. Catapult up the sales chart with presentation and closing skills used by sales superstars.

*Never Cold Call Again* Frank J. Rumbauskas, Jr., 2010-12-03 Cold calling is the lowest percentage of sales call success. If you invest the same amount of time in reading this book as you do in cold calling, your success percentage and your income will skyrocket. Jeffrey Gitomer, Author, *Little Red Book of Selling*. You can never get enough of a good thing. Read this book and USE its contents. Anthony Parinello, Author, *Selling to Vito* and *Stop Cold Calling Forever*. Salespeople everywhere are learning the hard way that cold calling doesn't work anymore. Yet millions of salespeople are stuck in the past, using twentieth-century sales techniques to try to lure twenty-first-century customers. There has to be an easier way to find prospects, and there is. Today's most successful salespeople are using modern technology to bring prospects to them rather than fishing for prospects over the phone or knocking on doors. *Never Cold Call Again* offers practical, step-by-step alternatives to traditional cold calling for salespeople, small business owners, and independent professionals who are actively building a client base. The Information Age presents endless opportunities for finding leads without cold calling. In fact, Frank Rumbauskas's system brings prospects to the salesperson rather than the other way around. Readers will find unbeatable sales advice on effective self-promotion, generating endless leads, how to win prospects using e-mail prospecting, on the Web, networking, developing effective proposals, and much more. Frank J. Rumbauskas, Jr., Phoenix, AZ, provides marketing consultation and coaching services to firms who wish to provide qualified leads to their sales force rather than have them spend productive work time cold calling. He is the author of the self-published hit *Cold Calling Is a Waste of Time*. 0 9765163 0 6
