Negotiating Work, Family, and Identity among Long-Haul Christian Truck Drivers Rebecca L. Upton, 2016-08-12 This book draws upon ethnographic and qualitative research in the United States to demonstrate the means through which long haul truck drivers navigate work and family tensions in ways that resonate across categories of race class gender and religion It examines how Christianity and constructions of masculinity are significant in the lives of long haul drivers and how truckers work to construct narratives of their lives as good moral individuals in contrast to competing cultural narratives which suggest images of romantic rule free renegade lives on the open road Based upon ethnographic fieldwork interviews observations of long haul truckers and participation in a CDL school this rich ethnography highlights how Christian trucking opportunities provide avenues through which balance is struck between work and family masculinity and other identities Embedded in larger social discourse about the meaning of masculinity and similar to evangelical perspectives such as those of the Promise Keepers Christian truckers often draw upon older ideas about responsible breadwinning fatherhood in their discourse about being good fathers while on the road This discourse is in some conflict with the lived experiences of Christian truckers who simultaneously find themselves confronted by more contemporary cultural narratives of the work family balance and expectations of what it means to be a good worker or a good trucker The book offers new insight in the field of work and family studies and an extremely relevant voice in the broader contemporary discourse in the United States on the meaning of fatherhood and religion in the 21st century

Microsoft Sharepoint for Business Executives Peter Ward, Pavlo Andrushkiw, 2012-01-01 100 Essential Questions and Answers about SharePoint 2010 for Executives considering deployment

Union Jacks Michael J. Bennett, 2005-12-15 Historians have given a great deal of attention to the lives and experiences of Civil War soldiers but surprisingly little is known about navy sailors who participated in the conflict Michael J Bennett remedies the longstanding neglect of Civil War seamen in this comprehensive assessment of the experience of common Union sailors from 1861 to 1865 To resurrect the voices of the Union Jacks Bennett combed sailors diaries letters and journals He finds that the sailors differed from their counterparts in the army in many ways They tended to be a rougher

bunch of men than the regular soldiers drinking and fighting excessively Those who were not foreign born escaped slaves or unemployed at the time they enlisted often hailed from the urban working class rather than from rural farms and towns In addition most sailors enlisted for pragmatic rather than ideological reasons Bennett s examination provides a look into the everyday lives of sailors and illuminates where they came from why they enlisted and how their origins shaped their service By showing how these Union sailors lived and fought on the sea Bennett brings an important new perspective to our understanding of the Civil War

Acceptance and Commitment Therapy Steven C. Hayes,Kirk D. Strosahl,Kelly G. Wilson,2011-11-14 Since the original publication of this seminal work acceptance and commitment therapy ACT has come into its own as a widely practiced approach to helping people change This book provides the definitive statement of ACT from conceptual and empirical foundations to clinical techniques written by its originators ACT is based on the idea that psychological rigidity is a root cause of a wide range of clinical problems The authors describe effective innovative ways to cultivate psychological flexibility by detecting and targeting six key processes defusion acceptance attention to the present moment self awareness values and committed action Sample therapeutic exercises and patient therapist dialogues are integrated throughout New to This Edition Reflects tremendous advances in ACT clinical applications theory building and research Psychological flexibility is now the central organizing focus Expanded coverage of mindfulness the therapeutic relationship relational learning and case formulation Restructured to be more clinician friendly and accessible focuses on the moment by moment process of therapy See also Experiencing ACT from the Inside Out A Self Practice Self Reflection Workbook for Therapists by Dennis Tirch Laura R Silberstein Tirch R Trent Codd III Martin J Brock and M Joann Wright

Persuasive Acts Shari J. Stenberg,Charlotte Hogg,2020-03-03 In June 2015 Bree Newsome scaled the flagpole in front of South Carolina s state capitol and removed the Confederate flag The following month the Confederate flag was permanently removed from the state capitol Newsome is a compelling example of a twenty first century woman rhetor along with bloggers writers politicians activists artists and everyday social media users who give new meaning to Aristotle s ubiquitous definition of rhetoric as the discovery of the available means of persuasion Women s persuasive acts from the first two decades of the twenty first century include new technologies and repurposed old ones engaged not only to persuade but also to tell their stories to sponsor change and to challenge cultural forces that repress and oppress Persuasive Acts Women s Rhetorics in the Twenty First Century gathers an expansive array of voices and texts from well known figures including Hillary Rodham Clinton Malala Yousafzai Michelle Obama Lindy West Sonia Sotomayor and Chimamanda Ngozi Adichie so that readers may converse with them and build rhetorics of their own Editors Shari J Stenberg and Charlotte Hogg have compiled timely and provocative rhetorics that represent critical issues and rhetorical affordances of the twenty first century

Think Like a Founder, Not a Freelancer: The Identity Shift That Changes Everything Simon Schroth,2025-04-08 The difference between working as a freelancer and leading a successful business lies in your mindset Think Like a Founder Not a

Freelancer shows you how to transition from being a self employed individual to a business owner empowering you to scale your operations and build a company that doesn't rely on your personal time and energy This book teaches you how to adopt the mindset of a founder focusing on long term strategy leadership and scaling systems You'll learn how to delegate effectively create business structures that support growth and invest in your team's development The book also covers how to think beyond your immediate tasks and focus on building value creating systems and positioning your business for the future By making the mental shift from freelancer to founder Think Like a Founder Not a Freelancer helps you unlock the full potential of your business allowing you to build a company that grows independently of your personal workload

Know Yourself Because Everything Is In You Harishraj sahu, TRADEMARK There is no greater failure than losing yourself and there is no greater success than finding yourself This book is mainly about some mystery related to life and self and also what is the difference between us and this universe Along with this from where the solution of any problem is first found all these things have been told about understanding deeply In each chapter of this book on the basis of the words related to finding solutions to problems in every situation life experience and proven facts derived from different methods of research the solution to get out of adverse situations was told It has been the effort of the author that instead of blaming others for the troubles in life a person should first accept his mistakes so that we can be able to complete our shortcomings before looking outside
