Divine Mysteries in the Enochic Tradition Andrei A. Orlov,2023-07-24 The book represents an in depth investigation of acquisition cultivation and transmission of divine mysteries in Jewish apocalyptic and mystical accounts by focusing on the developments found in early Enochic writings These accounts deal both with revelations unveiled by God and angels to the patriarch Enoch and with illicit transmission of divine knowledge by the rogue group of the fallen angels known as the Watchers Orlov argues that the map of otherworldly knowledge revealed to Enoch inversely mirrors the map of illicit revelations given by the fallen Watchers to humankind The study suggests that one of the possible objectives for the parallelism is that by revealing to Enoch the same divine mysteries that were earlier transmitted by the Watchers God attempts to mitigate the corruption caused by the fallen angels illicit instructions This book will be of interest not only for scholars specializing in historical and religious areas but also for experts in the fields of anthropology philosophy sociology

psychology and gender theory it discusses several aspects of early and late Jewish religious epistemologies that elucidate the ideological context for the construction and affirmation of social roles and identities in various Jewish milieus **Godsmiles** Angela Dugi, 2015-05-21 How do you find God's smile in the midst of trials This collection of moving stories and devotions is based on the author's experience with chronic illness She illustrates how you can look for God's hand and perhaps sense His smile in times of trouble Even if you aren't facing trials you'll find this book to be rich in life lessons everyone can learn from She will show you how to look for His love in ordinary everyday things like a snowflake a hat or a song You will be touched by stories like Handing Out Hope where she shares about her husband's diagnosis with cancer You will laugh when you read about her children in An Acre Of Memories and you'll be delighted to read heartwarming devotions such as Let It Rain and The Hat From Heaven You will also find hope and tremendous encouragement throughout GodSmiles especially in stories like Love Without Conditions and You Are Mine which testify about the Lord's unfailing love For more stories visit my blog at www.mygodsmiles.net **The Son of Man in the Parables of Enoch and in Matthew** Leslie W. Walck, 2011-04-14 An examination of all the relevant passages containing the term Son of Man in both Matthew and the Parables of Enoch **On Job, Volume 1** St. Albert The Great, 2019 Even prior to his death on 15 November 1280 the Dominican master Albert of Lauingen was legendary on account of his erudition He was widely recognized for the depth and breadth of his learning in the philosophical disciplines as well as in the study of God earning him the titles Doctor universalis and Doctor expertus Moreover his authoritative teaching merited him the moniker Magnus an appellation bestowed on no other man of the High Middle Ages This volume contains the first half of Albert the Great's commentary On Job on chs 1-21 translated into English for the first time a translation of the second half of the work will appear in a subsequent volume of the Fathers of the Church Mediaeval Continuation series Albert completed Super Iob in 1272 or 1274 when he was over seventy years old at the Dominican Kloster of Heilige Kreuz in Cologne where as lector emeritus of the Order he likely lectured on this profound biblical book Significantly Albert may have been inspired to produce On Job by his most famous student Thomas Aquinas who had written his own Joban commentary the Expositio super Iob ad litteram while serving as conventual lector at San Domenico in Orvieto from 1261 to 1264 Yet Albert occupies a unique position in the history of the interpretation of Job he is the first and only exegete in history who explicitly reads the whole book as a debate in the mode of an academic or scholastic disputation among Job and his friends about divine providence concerning human affairs The Introduction to this volume situates Albert's On Job its general approach and key exegetical features in the broad context of Dominican theological education and pastoral formation in the thirteenth century **The Absence of Justice** Paul E. Leightner, 2003-07-14 Tragedy is a common experience that causes many believers to feel betrayed by God Job was declared righteous by God yet suffered a series of horrible tragedies Most people are ill prepared to deal with tragedy resulting in bitterness that hinders their faith and growth Like Job they cannot understand how a benevolent God can allow evil things to happen to good people

Job's friends come to comfort him in his distress but instead attack him viciously because their creed declares that he must have blasphemed and sinned to deserve this punishment. Job held the same beliefs but denies any wrongdoing and ultimately sues God for a reason for his suffering. God then asks a series of questions that for Job are unanswerable. But modern science knows the answers to God's questions. This gives rise to a surprising eschatological interpretation. This book develops a solution to the age-old problem of evil.

Our World-God's Visible Language Jerry Salloum, 2022-05-18. How could you ever have thought our world was the ultimate reality? How could you ever have thought that it was merely a stage set for the moral drama of men and women? For the many who share these thoughts from C. S. Lewis, our world is far more than mere matter, space, and energy. Its orderly patterns, its reliable processes, and arresting natural beauty give it the capacity to speak without words, a mysterious language that feeds our curiosity and wonder about it. We are drawn into the world of the audacious with thoughts beyond the conventional to posit an intelligent and imaginative Artist and Architect whose ineffable Creation in both its spatial and temporal dimensions defies adequate verbal expression. In delving into revelation contained in various earth sciences and within the pages of the Bible, *Our World: God's Visible Language* reveals a congruency between these two avenues to Truth: that the visible Creation repeatedly declares the glory and mystery of the invisible God, and that science is not an enemy to faith. Informative and written with imagination and personal anecdotes, these pages provide readers an opportunity to better understand the invisible God and His written Word, nudging us toward a loftier context in which life can be lived and enjoyed with hope and purpose.

Weathering the Psalms Steve A. Wiggins, 2014-12-03. The weather is all around us all the time. From ancient times, people have attributed the weather to the work of the gods. Ancient Israel shared this perception. The book of Psalms reflects theologically significant views on the weather that have not until now been fully explored. In this meteorological survey of the Psalms, whimsically called meteorotheology, every reference to the weather is translated in accordance with the known climate and weather of ancient Israel. Each verse is discussed with particular attention to the function of the weather in the hymnal of ancient Israel. This book will be a resource for translators, clergy, and scholars with an interest in how the weather impacted religious outlooks in ancient Israel. Readers will learn that some expected associations such as thunder and lightning did not influence Israelite views on the natural world in the same way that they do.

today Yahweh was God of the weather and the Psalms frequently use this paradigm as a reason for both praise and fear of the Lord

VERSE BY VERSE COMMENTARY OF THE BOOK OF 2 ENOCH DR. PAUL CRAWFORD, 2025-09-01 The Book of 2 Enoch also known as The Slavonic Enoch or The Book of the Secrets of Enoch is one of the most fascinating writings of the Second Temple period While it has often been overlooked its message is both profound and deeply spiritual Here Enoch the man who walked with God and was not for God took him Genesis 5 24 is given visions of heaven creation judgment and the eternal destiny of mankind My purpose in presenting this translation and commentary is not merely historical but devotional I believe 2 Enoch provides valuable insight into the faith of the ancient world and offers wisdom for believers today Its visions of the ten heavens its teachings on the creation of the world and its call to righteous living still speak powerfully to those who long to walk closely with God Though this book is not part of most biblical canons it echoes themes that resonate with Scripture The apostle Paul s vision of the third heaven 2 Corinthians 12 2 4 the Lord s Prayer concerning God s will on earth as it is in heaven Matthew 6 10 and John s visions in Revelation of the throne room of God all find striking parallels in 2 Enoch In these pages you will find both a warning and a promise The warning that those who live in pride deceit and unrighteousness will face eternal judgment The promise that those who remain faithful generous and humble will inherit eternal light and glory shining brighter than the sun It is my prayer that as you study the Book of 2 Enoch your heart will be drawn closer to God your reverence for His holiness will deepen and your hope in His eternal promises will be strengthened May this work inspire you to live with righteousness humility and faith looking forward to the day when God s people will dwell forever in His light Dr Paul Crawford Crawford Standard Bible Commentary [Devotions from the Mountains](#) Thomas Nelson, 2017-10-31 Do the mountains seem like heaven on earth Do you find peace in the grandeur of God s majestic creation Devotions from the Mountains takes you back to your favorite cabin in the woods daily reminding you of the peace and strength that is found in God the Creator of heaven and earth Devotions from the Mountains Includes 90 daily devotions with Scripture verses prayers and breathtaking imagery of God s mountain handiwork sculpted and brought to life by His hand Is fitting for anyone looking for inspirational content about the great outdoors to start their day Ideal gift for people who love the mountains and enjoy nature Lift your eyes to the mountains Be refreshed and inspired at our amazing God who is more majestic than the mountains and yet cares for every detail of your life *101 Helps for Helpers* Dr. Linda Johnson Crowell, 2008-03-18 We were created to care for each other Some such as social workers counselors pastors chaplains seminarians doctors nurses teachers missionaries and many others have experienced a calling and have pursued education and training that equipped them to be professional helpers Others have sensed a calling and out of love passion and compassion help and care for others Still others just help because we are called to bear one another s burdens and to lend a helping hand along life s journey And others took on the task of being a caregiver because that was the thing to do This book is written for helpers and caregivers thus everyone Sometimes helpers become burdened with the load of caring

sometimes they need something to lift their spirits sometimes they need a source of new insights and new ideas Yet sometimes they need the comfort that comes from spending time in Gods Word meditating on Gods promises and seeing how biblical characters found help from God I hope this book will be one that you turn to time and again one that you will share with others As you go along each day use the book as a source for daily meditation reflection and inspiration Or take a break turn to a page or let the book fall open to a page and anticipate how God will send the right message and encouragement that you need for a moment of disappointment discouragement or when you need a word of discernment Better yet find a happy story to make you laugh reminisce and celebrate Be blessed as you help and care for others as well as yourselves Dr Linda Johnson Crowell Visit our website at www.helpfullsource.com Contact us at Help FULL Source P O Box 46904 Bedford Ohio 44146
