Stories Of Alexander The Great:

Alexander the Great Thomas R. Martin, Christopher W. Blackwell, 2012-09-28 Everything we know about Alexander comes from ancient sources which agree unanimously that he was extraordinary and greater than everyday mortals From his birth into a hypercompetitive world of royal women through his training under the eyes and fists of stern soldiers and the piercing intellect of Aristotle through friendships rivalries conquests and negotiations through acts of generosity and acts of murder this book explains who Alexander was what motivated him where he succeeded in his own eyes and where he failed and how he believed that he earned a new mixed nature combining the human and the divine This book explains what made Alexander Great according to the people and expectations of his time and place and rejects modern judgments asserted on the basis of an implicit moral superiority to antiquity *Alexander the Great* Edward M. Anson, 2013-04-11 Alexander the Great's life and career are here examined through the major issues surrounding his reign What were Alexander's ultimate ambitions Why did he pursue his own deification while alive Did he actually set the world in a new groove as has been claimed by some scholars And was his death natural or the result of a murderous conspiracy Each of the key themes arranged as chapters will be presented in approximately chronological order so that readers unfamiliar with the life of Alexander will be able to follow the narrative The themes are tied to the major controversies and questions surrounding Alexander's career and legacy Each chapter includes a discussion of the major academic positions on each issue and includes a full and up to date bibliography and an evaluation of the historical evidence All source material is in translation Designed to bring new clarity to the contentious history of Alexander the Great this is an ideal introduction to one of history's most controversial figures **Alexander the Great** Waldemar Heckel, Lawrence A. Tritle, 2011-09-19 Alexander the Great A New History combines traditional scholarship with contemporary research to offer an innovative treatment of one of history's most famous figures Written by leading experts in the field Looks at a wide range of diverse topics including Alexander's religious views his entourage during his campaign East his sexuality the influence of his legacy and his representations in art and cinema Discusses Alexander's influence from his impact on his contemporaries to his portrayals in recent Hollywood films A highly informed and enjoyable resource for students and interested general readers History of Alexander the Great, Etc Jacob ABBOTT, 1853 **Alexander the Great** Benjamin Ide Wheeler, 1926 *Alexander the Great* Philip Freeman, 2011-10-18 Alexander the Great Alexander III of Macedon was one of history's great generals a man studied by Caesar and Napoleon among hundreds of others He was born to the king of Macedon and educated by Aristotle whose inquiring mind Alexander appreciated After his father Philip II was assassinated the 19 year old Alexander succeeded to the throne and swiftly consolidated power Over the next 13 years until his death at age 32 Alexander created one of the great empires of history covering an area as far south as Egypt and as far east as Afghanistan and India Most of the world that he conquered had been the province of the Persian Empire Upon his death his empire was broken up and ruled by his generals

the best known were the Ptolemies who ruled Egypt until Cleopatra was defeated by Caesar Alexandria Egypt and many other Alexandrias throughout that part of the world were named in his honour Alexander's greatest influence was not his leadership his empire was eventually conquered by Rome but spreading Greek culture throughout the lands east of the Mediterranean He is the reason that gold coins from Afghanistan depicted Greek gods and heroes until as recently as several centuries ago It is because of Alexander that St Paul a Jew who lived in modern day Syria before travelling to modern day Israel spoke Greek and it is because of Alexander that the earliest Christian documents including the scriptures were written in Greek
