*Stories of Charlemagne* Alfred John Church,1925      *Stories of Charlemagne and the Twelve Peers of France* Alfred John Church,1904      **Stories of Charlemagne and the Twelve Peers of France; from the Old Romances** Alfred John Church,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1904 edition Excerpt CHAPTER XXXIV HOW CHARLEMAGNE SOUGHT VENGEANCE NOT many hours after these things King Charles came to Roncesvalles It was a grievous sight that he saw there was not a foot of earth on which there lay not the body of some Frenchman or heathen And the King cried aloud calling the dead men by name Where are you Roland he said and you Oliver All the Twelve Peers whom he had left behind to guard the passes he called but no man answered Charles wept for sadness of heart and his nobles wept with him there was not one of all that company but had lost son or brother or comrade or friend Then spake up the Duke Naymes Sire said he see you that cloud of dust two leagues away Tis the dust of a great multitude even of the heathen army Ride Sire and take vengeance for these warriors whom you have lost What answered the King are they already so far Then must we make haste for they have robbed me of the very flower of France Then he turned to his nobles and called four by name and said to them Guard this field these valleys and these hills Let the dead lie as they are but take good care that no beast of the field touch them nor any follower of the camp Make sure that no one lay a hand upon them till I come back And the four answered So will we do Sire and the King left with them a thousand horsemen for a guard This done he made haste to pursue the army of the heathen The day was drawing to sunset but yet he overtook the enemy before darkness fell Some say that God wrought a great miracle for the King staying the sun in the heaven till he should have avenged him of his enemies Be that as it may this is certain that he overtook the Saracens and slew them with a great slaughter Many      **Stories of Charlemagne and the Twelve Peers of France** Alfred John Church,1914      **Stories of Charlemagne and the Twelve Peers of France from the Old Romances** A J Church,2014-03-30 This Is A New Release Of The Original 1902 Edition      [Stories of Charlemagne and the twelve Peers of France](#) Alfred John Church,2025-04-24 In *Stories of Charlemagne and the Twelve Peers of France* Alfred John Church masterfully revitalizes the legendary tales surrounding the figure of Charlemagne the great Frankish king and emperor alongside his valiant companions Church s literary style combines the narrative richness of medieval romance with a modern sensibility making the trials battles and camaraderie of these iconic characters accessible to contemporary readers Penning these stories during the 19th century a time marked by romanticism and a revival of interest in classical literature Church draws upon various historical sources crafting a vibrant tapestry that highlights themes of chivalry loyalty and heroism in the medieval tradition Alfred John Church was a noted classical scholar and translator whose academic background shaped his profound understanding of ancient myths and legends His passion for storytelling along with his belief in the moral lessons embedded in these historical

narratives inspired him to preserve and reimagine the tales of Charlemagne and his peers This collection not only reflects his scholarly expertise but also his desire to make these noble stories resonate with audiences far removed in time and place from their origins Readers seeking an engaging and richly layered introduction to the legends of Charlemagne and his paladins will find this collection both enlightening and entertaining Church's ability to weave historical fabric with dramatic flair imbues these tales with relevance and resonance making it a must read for both lovers of historical fiction and those passionate about medieval history

*Incest and the Medieval Imagination* Elizabeth Archibald,2001-05-24 Incest is a remarkably frequent theme in medieval literature it occurs in a wide range of genres including romances saints's lives and exempla Historically the Church in the later Middle Ages was very concerned about breaches of the complex laws against incest which was defined very broadly at the time to cover family relationships outside the nuclear family and also spiritual relationships through baptism Medieval writers accepted that incestuous desire was a widespread phenomenon among women as well as men They are surprisingly open about incest though of course they disapprove of it in many exemplary stories incest is identified with original sin but the moral emphasizes the importance of contrition and the availability of grace even to such heinous sinners This study begins with a brief account of the development of medieval incest laws and the extent to which they were obeyed Next comes a survey of classical incest stories and their legacy many were retold in the Middle Ages but they were frequently adapted to the purposes of Christian moralizers In the three chapters that follow homegrown medieval incest stories are grouped by relationship mother son focusing on the Gregorius legend father daughter focusing on La Manekine and its

analogues and sibling focusing on the Arthurian legend The final chapter considers the very common medieval trope of the Virgin Mary as mother daughter sister and bride of Christ the one exception to the incest taboo In western society today incest has recently been recognized as a serious social problem and has also become a frequent theme in both fiction and non fiction just as it was in the Middle Ages This interdisciplinary study is the first broad survey of medieval incest stories in Latin and the vernaculars mainly French English and German It situates the incest theme in both literary and cultural contexts and offers many thought provoking comparisons and contrasts to our own society in terms of gender relations the power of patriarchy the role of religious institutions in regulating morality and the relationship between life and literature

**Charlemagne** Matthias Becher,2003-01-01 Charlemagne was the first emperor of medieval Europe and almost immediately after his death in 814 legends spread about his military and political prowess and the cultural glories of his court at Aix la Chapelle *Charlemagne; Life Stories for Young People* Ferdinand Schmidt,George P.
