In the Footsteps of a Saint Philip Kosloski, 2015-03-12 In the summer of 1976 at the University of Wisconsin Stevens Point Professor Dr Wacław Soroka invited Cardinal Stefan Wyszyński to be the keynote speaker at the next meeting of the Annual Lectures on Poland

Cardinal Wyszyński was an old friend and Soroka hoped to shed some light on the plight of the Polish people under Communist rule. However, the Cardinal could not make it, so he made a suggestion to invite the other Polish Cardinal. The other Polish cardinal, as he was known at the time, was Cardinal Karol Wojtyła. Providentially, he was attending the International Eucharistic Congress in Philadelphia that summer and was willing to travel to a small rural city in central Wisconsin to give the academic lecture. Little did anyone know at the time that they would be welcoming a future Pope John Paul II as well as a living saint. Karol from Poland M. Leonora Wilson, 2006 Karol from Poland leads young readers to identify with the adventures and challenges that molded Pope John Paul into a missionary of God's unconditional love and mercy. This delightful illustrated biography presents John Paul II as a positive role model. Stories About Saint John Paul II Włodzimierz Redzioch, 2015-10-05 While shaping the history of the Church and the world, Pope John Paul II lived his daily life among individuals who knew him closely as a spiritual father, colleague, or friend. Friends who helped him, served him, and closely collaborated with him to change the world. Polish journalist Włodzimierz Redzioch, for over 30 years an employee of the Vatican newspaper *L'Osservatore Romano*, interviewed almost two dozen of them for this book: from lifelong friends who first met the Pope in Kraków as Karol Wojtyła to his personal physician, personal secretary, papal photographer, papal spokesman, Polish bishops, recipients of miraculous cures, members of the papal household, and Curial officials, including the German Cardinal close to the Pope who became his successor, Joseph Ratzinger. They tell inspiring and remarkable stories about Wojtyła's courageous witness as a bishop and professor of philosophy in Communist Poland, his participation in Vatican Council II, his election to the papacy, the challenges and worldwide travels of his pontificate, the sufferings of his final years, and even the process of his beatification and canonization. A composite portrait emerges of a man of heroic faith, love, and deep prayer; a decisive leader who was capable of discussing, listening, and delegating; a well-rounded human being with a gift for friendship, joy, and humor, with an awareness that seemingly insignificant moments are also part of our personal sanctification. He succeeded in changing the world because he deeply touched and changed the hearts of countless people everywhere. In this inspiring book, you will discover many previously unpublished true stories and anecdotes, stories that will move you to know the great heart with which St. John Paul II loved God and humanity. *The Catholic Periodical and Literature Index*, 2003 *Karol Wojtyła, Pope John Paul II, A Story for Children* Maksymilian Emil Bondyra, 2006-05-01
