Set in the fictional landscape of Mariposa on the shores of Lake Wissanotti in Missinaba County Leacock's *Sunshine Sketches of a Little Town* is an affectionate satire of small town life This series of humorous connected sketches about graft high finance religion love and romance is on one level an intimate comic portrait of town life and local politics On another level the narrative is a powerful commentary on the workings of community values and on Canada's place within the British Empire The Broadview edition includes a critical introduction thorough annotation a list of textual variants and a range of contextual materials including Leacock's stage adaptation of *Sunshine Sketches* **Brentano's Book Chat**, 1915
