**Stirring Scenes In Savage Lands** James Greenwood,2023-09-03 Excerpt *Stirring Scenes in Savage Lands An Account of the Manners Customs Habits and Recreations Peaceful and Warlike of the Uncivilised World* At first sight it would seem

hard to show a greater anomaly than an unthinking instinct obeying nation of savages consenting to be controlled and governed by a fellow barbarian equally unthinking and morally powerless and the said 2 anomaly is the more striking when the savage is viewed as the vulgar view him as a free born child of nature intolerant of rule and guided in all his behaviour by certain instinctive high souled sentiments and vast powers of mind that require only cultivation to fit their possessor for the achievement of all that ever was yet successfully attempted by man This however is very far from the fact Without doubt and as we have only to refer back to our own ancient barbarism to be convinced the germ of perfect manhood lies in every savage but like the ore of gold and iron the true metal lies deep and to free it from dross and make its lustre apparent is a process neither easy nor rapid Again like golden ore in which the precious deposit shows here and there with a sheen that undoubtedly reveals its presence does the savage s mind manifest its existence in fitful flashes and glimmerings that alas only reveal to him what a helpless wretch he is and what a terribly responsible thing is life with children and wife and all its other precious belongings and which in an instant may be spilt and vanish like a capsized gourd of water
