The Story of Christian Theology Roger E. Olson, 2009-08-20 In his book poised to become a standard historical theology textbook Roger Olson takes us on a journey of events ranging from the apostolic fathers to the Reformation to the The Secret Gospel of Mark Unveiled Peter Jeffery, 2007-01-01 In this needed and highly anticipated new present translation of the Theban plays of Sophocles David Slavitt presents a fluid accessible and modern version for both newcomers to the plays and established admirers Unpretentious and direct Slavitt's translation preserves the innate verve and energy of the dramas engaging the reader or audience member directly with Sophocles great texts Slavitt chooses to present the plays not in narrative sequence but in the order in which they were composed Antigone Oedipus Tyrannos Oedipus at Colonus he thereby underscores the fact that the story of Oedipus is one to which Sophocles returned over the course of his lifetime This arrangement also lays bare the record of Sophocles intellectual and artistic development Renowned as a poet and translator Slavitt has translated Ovid Virgil Aeschylus Aristophanes Ausonius Prudentius Valerius Flaccus and Bacchylides as well as works in French Spanish Portuguese and Hebrew In this volume he avoids personal intrusion on the texts and relies upon the theatrical machinery of the plays themselves The result is a major contribution to the art of translation and a version of the Oedipus plays that will appeal enormously to readers theatre directors and actors Flora Tells a Story Michael Kaler, 2008-11-05 In early Christianity many people were inspired to write gospels treatises letters and stories celebrating the new faith but not all of these writings are found in the New Testament One such story from an unknown author is the Coptic gnostic Apocalypse of Paul a tale of the apostle Paul s ascent to the heavens that was lost for millennia and rediscovered at Nag Hammadi in 1945 In Flora Tells a Story Michael Kaler discusses the Apocalypse of Paul and how it was shaped by its literary environment The book takes a behind the scenes look at early Christian literary production analyzing the ways in which various literary traditions such as apocalyptic writings gnostic thought and understandings of Paul influenced the author of the Apocalypse of Paul and helped to shape the text It also includes a new annotated English translation of the Apocalypse of Paul and a fictional account of how it might have come to be written This work is the most in depth study of the Apocalypse of Paul to date and the only full length discussion of it in English It provides a detailed but accessible account of the literary environment in which its author worked and integrates this little known work into the broader stream of early Christian writings This book will be of interest to specialists in Nag Hammadi and gnostic studies and early Christian literature but will also appeal to the general reader interested in Christianity mysticism and gnosticism The Story of Faith Ancient Christian Worship Andrew B. McGowan, 2014-09-30 An Important Study on the Missions Klaus Fiedler.1994

Worship of the Early Church This introduction to the origins of Christian worship illuminates the importance of ancient liturgical patterns for contemporary Christian practice Andrew McGowan takes a fresh approach to understanding how Christians came to worship in the distinctive forms still familiar today Deftly and expertly processing the bewildering complexity of the ancient sources into lucid fluent exposition he sets aside common misperceptions to explore the roots of Christian ritual practices including the Eucharist baptism communal prayer preaching Scripture reading and music in their earliest recoverable settings Now in paper **Christian Initiation of Older Children** Sandra Figgess, 1992-09 This updated edition of Preparing Older Children for Baptism prepares non baptized children of catechetical age to become full **Becoming Catholic** David Yamane, 2014-03-03 Each year approximately 150 000 Americans members of the Church convert to Roman Catholicism Catholic converts collectively are 2.6 percent of the U.S. adult population together these 5.85 million individuals would comprise the fifth largest religious body in America just behind the Mormon Church In Becoming Catholic David A Yamane offers the first book length study of Roman Catholic converts in contemporary America Formation, and Culture Benjamin D. Espinoza, 2018-10-15 Story Formation and Culture brings together a myriad of scholars researchers and ministry leaders into conversation about how we can effectively nurture the spirituality of children Built around the three themes of story formation and culture this volume blends cutting edge research and insights with attention to how we can bring theory into practice in our ministries with children The work of children's spiritual formation is often a marginalized component in the church's overall ministry. This volume seeks to equip pastors leaders and scholars with cutting edge research and practices that effectively strengthen their ministries with children The Morals of the Story David Baggett, Marybeth Baggett, 2018-05-08 For centuries the moral argument that objective morality points to the existence of God has been a powerful apologetic tool In this volume David and Marybeth Baggett offer a dramatic robust and even playful version of the moral argument showing that it not only points to God's existence but that it also contributes to our ongoing spiritual transformation The Oxford Handbook of Early Christian Ritual Risto Uro, Juliette Day, Rikard Roitto, Richard E.
