Special Stories for Disability Awareness Mal Leicester, Taryn Shrigley-Wightman, 2007 This book provides stories that promote disability awareness among children aged 4-11 about universal issues such as fear, loss, feeling different, bullying, friendship and emotional growth. They provide a safe environment for young children to discuss painful emotions and a tool for understanding the experiences of disabled children. **Writing and Developing Social Stories** Caroline

Smith, 2017-07-05 This practical resource provides an introduction to the theory and practice of writing social stories. In addition, there are examples of successful stories to use as guides, as well as information and photocopiable resources for delivering training on the use of social stories. Based on detailed work carried out in homes, schools and pre-schools, this book offers practical support to anyone meeting the needs of a child or young adult with an autistic spectrum disorder. Social stories are short stories intended for children with autism to help them understand their social world and behave appropriately within it. The stories provide clear, concise and accurate information about what is happening in a specific situation, outlining both why it is happening and what a typical response might be. It is written by those directly supporting a child with autism, and only successful stories are included in the book. The stories are infinitely flexible and adaptable to an individual child in an individual social situation. It covers children aged 3 to 16. **Story Stretchers** Shirley C.

Raines, Robert J. Canady, 1989 Activities for 90 different children's books covering time, art, cooking and snack time, creative, dramatics, housekeeping and dress up, music, movement, block building, science, fun, nature, study, library, mathematics, math, fun.

Stories Never Ending Jan Irving, 2004-02-28 Children will delight in creating their very own art museum, participating in a storytelling festival, holding a yummy dinner theatre, creating a keen jeans book bag and much more. In addition, each chapter contains a list of ideas that serve as springboards for activities that you can develop on your own. With writing projects, wordplay, arts and crafts, dramatics, math problems, history lessons and more, this guide makes it easy to engage young learners while building literacy and reading skills along with a love of books and reading.
