Short Stories from a Victorian Nursery Dorothy Onslow, 1984-11-01 **The Victorian Nursery Book** Antony Miall, Peter Miall, 1980 The Story of the Nursery Magdalen King-Hall, 2022-11-21 Originally published in 1958 this reconstruction of the lives of young children of nursery age is an excursion into the past from the Middle Ages to the opening years of the twentieth century It tells of the methods often extraordinary to our ideas by which they were brought up from babyhood to about seven years old their clothes diet the fearsome remedies that were inflicted on them in illness their toys games books and first steps in education It shows how the pristine simplicity of the child's nature which hardly alters throughout the centuries was moulded by the pressure of the adult society around them into some semblance of the accepted contemporary type This story of the nursery is not only about young children but about their parents too There are parents in it who are stern harsh even cruel and many more loving and careful ones but one thing strikes us in these parents of former times there is an air of unassailable confidence and certainty about them that the modern parent versed in child psychology would find it hard to achieve As one seventeenth century worthy put it For that which always happens in a concerne so universall as breeding children must needs be provided for by a traditionell method of proceeding American Home Life, 1880-1930 Jessica H. Foy, 2024-07-31 In the pivotal decades around the turn of the century American domestic life underwent dramatic alteration From backstairs to front stairs spaces and the activities within them were radically affected by shifts in the larger social and material environments This volume while taking account of architecture and decoration moves us beyond the study of buildings to the study of behaviors particularly the behaviors of those who peopled the middle class single family detached American home between 1880 and 1930 The book's contributors study transformations in services such as home utilities of power heat light water and waste removal in servicing for example the impact of home appliances such as gas and electric ranges washing machines and refrigerators and in serving changes in domestic servants duties hours of work racial and ethnic backgrounds In blending intellectual and home history these essays both examine and exemplify the perennial American enthusiasm for as well as anxiety about the meaning of modernity The Victorian Nursery Book Anthony Miall, Peter Miall, 1980 **The Oxford Handbook of Canadian Literature** Cynthia Conchita Sugars, 2016 The Oxford Handbook of Canadian Literature provides a broad ranging introduction to some of the key critical fields genres and periods in Canadian literary studies The essays in this volume written by prominent theorists in the field reflect the plurality of critical perspectives regional and historical specializations and theoretical positions that constitute the field of Canadian literary criticism across a range of genres and historical periods The volume provides a dynamic introduction to current areas of critical interest including 1 attention to the links between the literary and the public sphere encompassing such topics as neoliberalism trauma and memory citizenship material culture literary prizes disability studies literature and history digital cultures globalization studies and environmentalism or ecocriticism 2 interest in Indigenous
