Stories Of Stephen Dixon:

The stories Stephen Dixon, 1994 *The Stories of Stephen Dixon* Stephen Dixon, 1994 Stories offer a satiric look at urban America the nature of modern relationships and the complexities of human life *Stephen Dixon*, Stephen Dixon Stephen Dixon, 2005 **Friends** Stephen Dixon, 1990 In the ten stories that comprise Friends Dixon a two time National Book Award finalist for his novels *Frog* and *Interstate* writes with his unusual flair wit and gentle irony Through Will and Magna characters he first introduced in his first collection *Time To Go* Dixon offers many insights into the complexities and richness of human relationships Late Stories Stephen Dixon, 2016 Master stylist Stephen Dixon returns with a collection exploring the elision of memory and reality in the wake of loss **All Gone** Stephen Dixon, 1990-04 **The Play and Other Stories** Stephen Dixon, 1988 Short stories Dixon's people are intelligent imaginative creations humorous and long suffering somehow paralyzed or stagnating Publishers Weekly *14 Stories* Stephen Dixon, 1980 Stephen Dixon's stories and novels have an original immediately recognizable sound and feel a weird blend of Franz Kafka and Frank Capra Readers of his previous work will find in *14 Stories* that same wry inventive knife edged humor that has come to characterize his distinctive style With an adroit use of language and a keen eye for the quirky offbeat side of human nature Dixon creates a world as viewed through a fish eye lens slightly distorted and off center yet recognizable and often familiar *14 Stories* is part comedy part tragedy part social comment and part spoof But most of all it is a highly entertaining series of all too plausible vignettes that shows off Stephen Dixon's remarkable talent at its best **Story of a Story and Other Stories** Stephen Dixon, 2012-05-01 A lost novel originally written at the end of the 1960's and too free with its metafictional soul for the publishers of even that era This is Stephen Dixon enmeshed in domestic concerns as always but with a young ferocious energy that will amaze even the readers of his great later work Stephen Dixon *SOASAOS AN* is a novel I wrote 40 years ago tried to get it published for a couple of years got some unflattering rejections for a change before they were always gracious and not right for us and wouldn't know how to market this and hope you have better luck with it with another publisher If accepted it would have been my first published book **Dear Abigail and Other Stories** Stephen Dixon, 2019 Fiction Stephen Dixon has long been considered one of America's preeminent literary innovators From the National Book Award nominated *Frog* and *Interstate* to *His Wife Leaves Him* and *Letters to Kevin* Dixon's unpredictable often haunting fiction has given him no shortage of high profile admirers Vol 1 *Brooklyn* In *Late Stories* he brought us the aging Philip Seidel widowed isolated but resolutely continuing to write Now in *DEAR ABIGAIL* he returns us to Seidel's freewheeling recollections Still bereft still yearning Seidel ever recounting reimagining and twisting up the details of his existence seemingly unable to extricate them from the memory and fantasies of his late wife struggles to let go of Abigail when even grief seems to have run its course Although a companion to *Late Stories* *DEAR ABIGAIL* stands on its own as a tender cagey deeply felt exploration of togetherness and heartbreak Some writers are able in a mere 200 pages or so to rewire your circuitry in a way

that makes you unfit for your own life Stephen Dixon is such a writer and he can do it in a short story as well The Los Angeles Times Mr Dixon wields a stubbornly plain spoken style he loves all sorts of tricky narrative effects And he loves even more the tribulations of the fantasizing mind ticklish in their comedy alarming in their immediacy The New York Times Sleep Stephen Dixon,1999 This new volume presents short stories from the past twenty five years by a master of contemporary fiction collected in book form for the first time

What Is All This? Stephen Dixon,2012-06-11 A massive tome from one of America s greatest living writers Stephen Dixon s work has earned him a Guggenheim Fellowship the American Academy Institute of Arts and Letters Prize for Fiction the O Henry Award and the Pushcart Prize Fantagraphics Books is proud to represent his 2010 hardcover collection of short stories What Is All This in paperback form Dixon s finely chiseled sentences cut to the quick of people s lives None of these stories have been collected in any book before they have appeared in a wide variety of literary journals over almost 40 years and Dixon has entirely rewritten all of them Dixon admirers will be cheered to learn that these stories comprise a wholly original work Centrally concerning himself with the American condition Dixon explores obsessions of body image the increasingly polarized political landscape sex in all its incarnations and the gloriously pointless minutiae of modern life from bus rides to tying shoelaces Using the canvas of his native New York he astutely captures the edgy madness that infects the city through the neuroses of his narrators with a style that owes as much to Neo Realist cinema as it does to modern literature
