Storm of the Century Stephen King, 1999-02 Publisher Description **Storm of the Century** Stephen King, 2024-12-03 For the first time in Stephen King's remarkable publishing history the master storyteller presents an all new original tale written expressly for the television screen They re calling it the Storm of the Century and it s coming hard The residents of Little Tall Island have seen their share of nasty Maine Nor easters but this one is different Not only is it packing hurricane force winds and up to five feet of snow it s bringing something worse Something even the islanders have never seen before Something no one wants to see Just as the first flakes begin to fall Martha Clarendon one of Little Tall Island's oldest residents suffers an unspeakably violent death While her blood dries Andre Linoge the man responsible sits calmly in Martha s easy chair holding his cane topped with a silver wolf s head waiting Linoge knows the townsfolk will come to arrest him He will let them For he has come to the island for one reason And when he meets Constable Mike Anderson his beautiful wife and child and the rest of Little Tall s tight knit community this stranger will make one simple proposition to them all If you **Storm of the Century** Willie Drye, 2019-08-01 In 1934 hundreds of jobless World War I give me what I want I ll go away veterans were sent to the remote Florida Keys to build a highway from Miami to Key West The Roosevelt Administration was making a genuine effort to help these down and out vets many of whom suffered from what is known today as post traumatic stress disorder But the attempt to help them turned into a tragedy The supervisors in charge of the veterans misunderstood the danger posed by hurricanes in the low lying Florida Keys In late August 1935 a small stealthy tropical storm crossed the Bahamas causing little damage When it entered the Straits of Florida however it exploded into one of the most powerful hurricanes on record But US Weather Bureau forecasters could only guess at its exact position and their calculations were well off the mark The hurricane that struck the Upper Florida Keys on the evening of September 2 1935 is still the most powerful hurricane to make landfall in the US Supervisors waited too long to call for an evacuation train from Miami to move the vets out of harm s way The train was slammed by the storm surge soon after it reached Islamorada Only the 160 ton locomotive was left upright on the tracks About 400 veterans were left unprotected in flimsy work camps Around 260 of them were killed This is their story with newly discovered photos and stories of some of the heroes of the Labor Day 1935 calamity

The Flash and the Storm of the Century Michael Anthony Steele,2020 When Weather Wizard unleashes the fury of his giant weather wand to extort money from the citizens of Central City The Flash must outrun lightning to stop him

**Restless Skies** Paul Douglas,2007 Improved technology is teaching us more about the weather all the time and with new knowledge comes new concerns and confusion Is global warming real What is a NEXRAD Doppler Meteorologist Paul Douglas provides the answers to all these questions and more along with fascinating illustrations photos trivia and graphics Find out what a difference a degree makes as well as information about El Ni o and how to protect yourself against the worst that the weather can bring From the distinctions between a weather warning watch and advisory to the definition of an F 5

tornado all the essentials are clearly explained Hurricanes and the Middle Atlantic States Rick Schwartz, 2007 This reference traces the region s 400 year recorded hurricane history from Jamestown to the present drawing on accounts in newspaper articles books private journals and interviews Emphasizing the human side of a hurricane s aftermath rather than scientific aspects each hurricane account tells how individuals and communities reacted to the storms Storms are profiled in year by year entries from the 1600 s to the current century **Dissecting Stephen King** Heidi Strengell, 2005 In a thoughtful well informed study exploring fiction from throughout Stephen King's immense oeuvre Heidi Strengell shows how this popular writer enriches his unique brand of horror by building on the traditions of his literary heritage Tapping into the wellsprings of the gothic to reveal contemporary phobias King invokes the abnormal and repressed sexuality of the vampire the hubris of Frankenstein the split identity of the werewolf the domestic melodrama of the ghost tale Drawing on myths and fairy tales he creates characters who like the heroic Roland the Gunslinger and the villainous Randall Flagg may either reinforce or subvert the reader s childlike faith in society And in the manner of the naturalist tradition he reinforces a tension between the free will of the individual and the daunting hand of fate Ultimately Strengell shows how King shatters our illusions of safety and control King places his decent and basically good characters at the mercy of indifferent forces survival depending on their moral strength and the responsibility they may take for their fellow men Living by the Rules of the Sea David M. Bush, Orrin H. Pilkey, William J. Neal, 1996 This is a primer for people living along the nation's coastlines those considering moving to the coast or those who want a greater understanding of the risks and dangers posed by living at the Disaster Free Survivor Strikes Back: Storms of Love & Loss Christina J. Easley, 2018-08-25 Disasters seacoast happen These are the stories of love and loss Many victims died in disasters These are the stories of how survivors lived to strike back Survivors were trapped but then set free when they were rescued The Complete Stephen King Universe Stan Wiater, Stanley Wiater, Christopher Golden, Hank Wagner, 2006-05-30 The Complete Stephen King Universe is the only definitive reference work that examines all of Stephen King's novels short stories motion pictures miniseries and teleplays and deciphers the threads that exist in all of his work This ultimate resource includes in depth story analyses character breakdowns little known facts and startling revelations on how the plots themes characters and conflicts intertwine publisher **Storms of My Grandchildren** James Hansen, 2009-12-10 An urgent and provocative call to website February 2007 action from the world's leading climate scientist speaking out here for the first time with the full story of what we need to know about humanity s last chance to get off the path to a catastrophic global meltdown and why we don't know the half of it In Storms of My Grandchildren Dr James Hansen the nation's leading scientist on climate issues speaks out for the first time with the full truth about global warming The planet is hurtling even more rapidly than previously acknowledged to a climatic point of no return Although the threat of human caused climate change is now widely recognized politicians have failed to connect policy with the science responding instead with ineffectual remedies dictated by special interests Hansen shows why

President Obama's solution cap and trade which Al Gore has signed on to won't work why we must phase out all coal and why 350 ppm of carbon dioxide is a goal we must achieve if our children and grandchildren are to avoid global meltdown and the storms of the book s title This urgent manifesto bucks conventional wisdom including the Kyoto Protocol and is sure to stir controversy but Hansen whose climate predictions have come to pass again and again beginning in the 1980s when he first warned Congress about global warming is the single most credible voice on the subject worldwide Hansen paints a devastating but all too realistic picture of what will happen in the near future mere years and decades from now if we follow the course we re on But he is also an optimist showing that there is still time to do what we need to save the planet Urgent strong action is needed and this book will be key in setting the agenda going forward to create a groundswell a tipping point to save humanity and our grandchildren from a dire fate more imminent than we had supposed **The Big Story** David Grzybowski, 2024-11 This book provides an oral history of television news broadcasting in Philadelphia from the late 1970s into the 2020s In over 200 interviews journalists in front of and behind the camera reflect on what it was like to cover major news stories and how they built trust with viewers **Eco Culture** Robert Bell, Robert Ficociello, 2017-11-15 The edited collection Eco Culture Disaster Narrative Discourse opens a conversation about the mediated relationship between culture and ecology The dynamic between these two great forces comes into stark relief when a disaster in its myriad forms and narratives reveals the fragility of our ecological and cultural landscapes Disasters are the clashing of culture and ecology in violent and tragic ways and the results of each clash create profound effects to both So much so in fact that the terms ecology and culture are past separation. We are far removed from their prior historical binaric connection and they coincide through a supplementary role to each other Ecology and culture are unified The Complete Idiot's Guide to Weather Mel Goldstein, 2002 Explains how to track weather patterns read weather maps and identify cloud formations while exploring the effects of pollution hurricanes and El Ni no The Odette C. Bell Fantasy Bundle Odette C.
