HIGHER CRITICISM OF THE PENTATEUCH IN THE TWENTIETH CENTURY

PERHAPS THE MOST helpful way to present the trends of Old Testament scholarship between 1890 and 1950 is to arrange the effect of their contributions upon the structure of the Graf-Wellhausen Hypothesis. Hence the order followed will be topical rather than strictly chronological.

The Higher Criticism Of The Pentateuch:

The Higher Criticism of the Pentateuch William Henry Green, 1997-10-30 In the author's words this historic volume was written to show as briefly and compactly as possible that the faith of all past ages in respect to the Pentateuch has not been mistaken The author said colleague John D Davis shortly after Green's death did more than any one man of his time to rally and steady and inspire the church under the shock of a sudden and mighty assault on the trustworthiness of Scripture Green shows that the Pentateuch is the basis or foundation of the entire Old Testament that it has one theme which is treated with orderly arrangement and upon a carefully considered plan suggestive of a single author that its author was Moses that the various forms of opposition to Mosaic authorship are in error and that the hypotheses concerning the composite nature of the Pentateuch are baseless He concludes by defending the genuineness of the Pentateuch's laws against the development hypothesis and by showing this hypothesis to be radically unbiblical *A Layman's View of the Higher Criticism of the Pentateuch* William Willmer Pocock, 1894

The Higher Criticism of the Pentateuch (Classic Reprint) William Henry Green, 2015-08-04 Excerpt from *The Higher Criticism of the Pentateuch* The Higher Criticism has been of late so associated with extravagant theorizing and with insidious attacks upon the genuineness and credibility of the books of the Bible that the very term has become an offence to serious minds It has come to be considered one of the most dangerous forms of infidelity and in its very nature hostile to revealed truth And it must be confessed that in the hands of those who are unfriendly to supernatural religion it has proved a potent weapon in the interest of unbelief Nor has the use made of it by those who while claiming to be evangelical critics accept and defend the revolutionary conclusions of the antisupernaturalists tended to remove the discredit into which it has fallen This is not the fault of the Higher Criticism in its genuine sense however but of its perversion Properly speaking it is an inquiry into the origin and character of the writings to which it is applied It seeks to ascertain by all available means the authors by whom the time at which the circumstances under which and the design with which they were produced Such investigations rightly conducted must prove a most important aid to the understanding and just appreciation of the writings in question The books of the Bible have nothing to fear from such investigations however searching and thorough and however fearlessly pursued About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Higher Criticism in Relation to the Pentateuch (Classic Reprint) Edouard Naville, 2017-07-24 Excerpt from The Higher Criticism in Relation to the Pentateuch It is a most important feature of his work that he recognises in all his thought that Moses was not a mere man of letters or historian with leisure to devote to a work of literature but a lawgiver and statesman whose writing was subordinate to and a means of aiding his daily and hourly task of leading and training a nation emerging from slavery and of fitting them to deserve their position as the Chosen People They were the Chosen People because they proved able to produce the long succession of leaders and judges and prophets who distinguish and elevate Hebrew history Moses made them so About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Problem of the Pentateuch Randolph Harrison McKim, 1906 The Higher Criticism of the Pentateuch Today George Douglas Young, 1949 **Authorship of the Book of Deuteronomy** John William McGarvey, 1902
