## **The Highlands New Jersey:**

Highlands, New Jersey John P. King, 2001-11-20 Seated majestically upon a hill overlooking the Atlantic Ocean Highlands one of New Jersey's most famous and romantic coastal towns has served in turns as sanctuary battlefield resort destination and home to generations of Americans both immigrant and native Its history in many ways mirrors the epic tale of America's evolution an untamed wilderness yielding under the determination and sacrifice of a people laboring to create an enduring community and in Highlands they succeeded Highlands New Jersey chronicles this town's remarkable journey across four centuries of adventure adversity and prosperity from the first New World explorers such as Verrazano and Henry Hudson to the present day men and women who work live and play along these picturesque shores This illustrated volume provides a rare glimpse into the Highlands of yesteryear and introduces readers to a cast of unique characters against a backdrop of major local and national events such as the Revolutionary War the luxury era of Highlands in the nineteenth century its incorporation in 1900 and the gold rush of 1948 Through these stories and their vivid images the personality and charm of Highlands come to life reminding today's residents and visitors why this setting has served as a source of inspiration for scores of writers artists and businessmen over the years

**Stories from Highlands, New Jersey** John P. King, 2012-06-19 The Historic Highlands are known as where the Jersey Shore begins and in its long life its residents and visitors have contributed to a rich vibrant past In this book local historian John King compiles over 80 stories authored by more than 40 Highlands residents who have experienced life there and embrace its heritage Some of their tales deal with aspects intrinsic to the Highlands such as clamming and vacationing summer tourists Some are thrilling accounts from the days of Prohibition when rum runners used the shores as ports for illicit booze From everyday life to World War II to sailing and famous residents discover the history of the Highlands

**The Highlands** John P. King, 1995-10-01 The Highlands has been a lively New Jersey coastal community for nearly 150 years and approaches with pride its official 1999 centennial It is thus particularly timely that local author John P King has brought to life the Highlands rich past in this wonderful new book The author has collected over 200 fascinating photographs ranging from the 1850s to the present day These images carry us back to the Highlands of long ago bringing us face to face with the people places and events which have shaped the Highlands over the decades As we turn the pages we will encounter tourists from the last century arriving by trolley steamer train and auto we will join local residents and visitors alike in enjoying seasons of summer fun over the decades and we will remain behind with the year round residents after the last September steamboat has departed to share their daily experiences whether at work or at play

The Physical Geography of New Jersey Rollin D. Salisbury, 1898 *Stories from Highlands, New Jersey: A Sea of Memories* John P. King, 2012-06 *Notorious New Jersey* Jon Blackwell, 2007-10-29 Notorious New Jersey is the definitive guide to murder mayhem the mob and corruption in the Garden State With tabloid punch Jon Blackwell tells riveting accounts of Alexander Hamilton falling mortally wounded on the dueling grounds of Weehawken

Dutch Schultz getting pumped full of lead in the men's room of the Palace Chop House in Newark and a gang of Islamic terrorists in Jersey City mixing the witch's brew of explosives that became the first bomb to rock the World Trade Center. Along with these dramatic stories are tales of lesser known oddities such as the nineteenth century murderer whose skin was turned into leather souvenirs and the state senator from Jersey City who faked his death in a scuba accident in the 1970s in an effort to avoid prison. Blackwell also sheds light on some historical whodunits: was Bruno Hauptmann really guilty of kidnapping the Lindbergh baby? Who was behind the anthrax attacks of 2001? Not forgotten either are notorious characters who may actually be innocent including Rubin Hurricane Carter and those who have never been convicted of wrongdoing although they left office in scandal including Robert Torricelli and James McGreevey. Through 100 historic true crime tales that span over 300 years of history, Blackwell shows readers a side of New Jersey that would make even the Sopranos shudder.

*Greater New Jersey* Dennis E. Gale, 2006 Northern New Jersey is undergoing a gradual transformation to become symbolic of a new kind of suburban area: one that borrows culture, image, and economy from a metropolis but also maintains the day-to-day living patterns of heartland America in the face of rapid social change.
