The History And:

A Practical Essay on the History and Treatment of Beriberi J. G. Malcolmson, 2014-03-27 A one volume reissue of two 1835 medical works discussing the symptoms diagnosis and treatments of thiamine deficiency and rheumatism A Treatise on the History and Management of Ornamental and Domestic Poultry Edmund Saul Dixon, 2025-08-25 Reprint of the original first published in 1857 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Genealogical and Heraldic Gleanings Illustrative of the History and Descent of English Nobility Thomas Christopher Banks, 1837 *The History and Proceedings of the House of Commons of Great Britain*, 1742 *A Bible Dictionary; Being a Comprehensive Digest of the History and Antiquities of the Jews and Neighbouring Nations: the Natural History, Geography, and Literature of the Sacred Writings* James Austin Bastow, 1849 **Annals of the History and Philosophy of Biology** 10/2005, 2006 The name DGGTB Deutsche Gesellschaft f r Geschichte und Theorie der Biologie German Society for the History and Theory of Biology reflects recent history as well as German tradition The Society is a relatively late addition to a series of German societies of science and medicine that began with the Deutsche Gesellschaft f r Geschichte der Medizin und der Naturwissenschaften founded in 1910 by Leipzig University s Karl Sudhoff 1853 1938 who wrote We want to establish a German society in order to gather German speaking historians together in our special disciplines so that they form the core of an international society Yet Sudhoff at this time of burgeoning academic internationalism was quite willing to accommodate the wishes of a number of founding members and drop the word German in the title of the Society and have it merge with an international society The founding and naming of the Society at that time derived from a specific set of historical circumstances and the same was true some 80 years later when in 1991 in the wake of German reunification the Deutsche Gesellschaft f r Geschichte und Theorie der Biologie was founded From the start the Society has been committed to bringing studies in the history and philosophy of biology to a wide audience using for this purpose its Jahrbuch f r Geschichte und Theorie der Biologie Parallel to the Jahrbuch the Verhandlungen zur Geschichte und Theorie der Biologie has become the by now traditional medium for the publication of papers delivered at the Society s annual meetings In 2005 the Jahrbuch was renamed Annals of the History and Philosophy of Biology reflecting the Society s internationalist aspirations in addressing comparative biology as a subject of historical and philosophical studies **The History and Adventures of the Renowned Don Quixote ... To which is Prefixed Some Account of the Author's Life by Dr. Smollett, Etc. With Plates** Miguel de Cervantes Saavedra, 1803 **Biographies in the History of Physics** Christian Forstner, Mark Walker, 2020-07-22 This book sheds new light on the biographical approach in the history of physics by including the biographies of scientific objects institutions and concepts What is a biography Can biographies also be written for non human subjects like scientific instruments institutions or concepts The respective chapters of this book discuss these controversial

questions using examples from the history of physics By approaching biography as metaphor it transcends the boundaries between various perspectives on the history of physics and enriches our grasp of the past

Mediated Ideologies: Nordic Views on the History of the Press and Media Cultures Jukka Kortti, Heidi Kurvinen, 2024-07-16 Ideologies have not been a focus of interest in the field of humanities and social sciences in recent decades but rethinking the power of ideologies in the media sphere has recently returned to the scholarly discussion The compilation book *Mediated Ideologies: Nordic Views on the History of the Press and Media Cultures* participates in this by providing selected yet justified approaches to media history from the point of view of ideological uses of media in the Nordic region In this book the role of media comprising both popular media and news journalism as a forum for ideologies and their circulation will be analyzed by focusing on the Nordic region The perceived similarities in the media systems of the Nordic countries constitute a perfect extent for a regional media history against not only a European but also a global backdrop This does not mean that there have not been many national differences The book does not provide a chronological narrative of Nordic media history Still the ideology of media is approached not only from the standpoints of different media forms film television newspapers magazines and periodicals but also from several historical periods from the mid 19th century to the late 20th century The chapters show the multidimensional role that the media has in transmitting ideologies to their audiences and the public sphere They also demonstrate that analyzing the role of different

ideologies such as modernization nationalism solidarity feminism and peace movement in media history provides wider perspectives in understanding past and present media landscapes and people s mediated experiences that are fostered by them Mediated Ideologies Nordic Views on the History of the Press and Media Cultures can be used both as a reference book and as a classroom adaption in the field of media communication and history studies The History of the Ancient Town and Borough of Newbury in the County of Berks Walter Money,1887 *The History of the Works of the Learned ...* ,1737
