of which seem more like romantic stories selected from the legends of fable than the sober realities of history planted and  
nourished amid opposition and difficulties that brave hearts only could surmount the extraordinary success that has attended  
it growing up in eighty years from a single society of only a few members to a membership of nearly fifty thousand with more  
than five hundred ministers traveling and local church edifices in every community schools and seminaries of learning in  
different portions of the State its truths proclaimed in every neighborhood and its vital energies and hallowed influence
