Powell, 2000-11-09 The most comprehensive state project of its kind the Dictionary provides information on some 4 000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries Much of the bibliographic information found in the six volumes has been compiled for the first time All of the persons included are deceased They are native North Carolinians no matter where they made the contributions for which they are noted or non natives whose contributions were made in North Carolina      *Guilford County and the Civil War* Carol Moore, 2015-04-27 Guilford County residents felt the brutal impact of the Civil War on both the homefront and the battlefield From the plight of antislavery Quakers to the strength of women the county was awash in political turmoil Intriguing abolitionists fire breathing secessionists peacemakers valiant soldiers and carpetbaggers are some of the figures who contributed to the chaotic time

General Joseph E Johnston's parole of the Army of Tennessee at Greensboro as well as the birth of a free black community following the Confederate defeat brought amazing changes.
